FROM: UNAMIR, KIGALI.

SITREP COVERING PERIOD 030600B JULY TO 031500B JULY 94.

1. GEN SITUATION. THE DAY WAS COMPARATIVELY QUIET. HOWEVER THE HOSTILITY BETWEEN THE TWO FACTIONS CONTINUED WITH LESS INTENSITY. RPF CONTINUED TO PUT PRESSURE ON RGF POSITIONS IN KYCHIRU CAMP, KIMIHURURA, NYAMIRAMBO AND CITY CENTER. NO SIGNIFICANT CHANGES IN THE DEPLOYMENT OF BOTH WARRING PARTIES IN KIGALI. MILITIA AND INTERHAMWE ACTIVITIES CONTINUES IN RGF CONTROL AREAS. THERE ARE NO CHANGES IN THE SITUATION IN THE NORTH AND SOUTH OF THE COUNTRY. THE FRENCH COALITION FORCES CONTINUED HUMANITARIAN ACTIVITIES WITHIN THEIR DEMARCATED OPERATION LINE IN WEST OF THE COUNTRY. ONE UNMO TEAM WAS TASKED TO GO TO THE RGF HQ ON LIAISON DUTIES. ON THE WAY TO THE CITY CENTER THE UNMO VEHICLE WAS FIRED NEAR THE SOPECYA GAS STATION ON THE BOULEVARD DE L' OUA AT 1130 HRS. MAJOR S ANTONOV, UNID 708 OF RUSSIA SUSTAINED BULLET INJURIES. HE WAS EVACUATED TO KING FAISAL HOSPITAL FOR TREATMENT. THE OFFICER IS PRESENTLY OUT OF DANGER. DFC HAD A DETAIL DISCUSSION WITH RPF SENIOR OFFICERS ON UNAMIR'S FUTURE REQUIREMENT OF ACCOMMODATION. RPF ACCEPTED MOST OF THE PROPOSALS. A HIGH LEVEL HUMANITARIAN DELEGATION LED BY MS GLYNNE EVANS, HEAD OF UN DEPT AT UK FOREIGN AND COMMONWEALTH OFFICE ARRIVED KIGALI THIS AFTERNOON. THE TEAM WAS BRIEFED IN THE UNAMIR FORCE HQ BY FC, CHIEF OF OPERATIONS AND HAC. THE FIRST RECREATIONAL TRIP TO NAIROBI HAS STARTED TODAY BY SENDING TWO OFFICERS AND 30 SOLDIERS FOR A PERIOD OF ONE WEEK.

2. POLITICAL ACTIVITIES. RWANDESE PARLIAMENT WILL TAKE AN OATH IN GISENYI TOMORROW. ALL THE PARTIES WILL REPRESENT IN THE HOUSE OF COMMONS EXCEPT RPF. PRESIDENT OF RWANDA STATED THAT IT IS NOW THE TIME TO FILL UP THE CONSTITUTIONAL GAPS. THE MINISTER OF INFORMATION ON BEHALF OF THE RWANDESE GOVERNMENT HAD DENIED THE ARRIVAL OF THE UN HUMAN RIGHT COMMISSION REPORTER IN THE COUNTRY. HE ALSO SAID THAT THE REPORTER DID NOT RECEIVE VISA FROM ANY RWANDESE EMBASSY SO HE CANNOT BE ACCEPTED BY ANY RWANDESE OFFICIALS.

RPF KEPT ON POUNDING ON RGF POSITIONS IN MONT KIGALI AND KYCHIRU GENDARMERIE CAMP THROUGH OUT THE DAY . NO MAJOR CHANGES IN DISPOSITIONS HAVE BEEN REPORTED. THE MORALE OF THE RPF TROOPS APPEARS TO BE IMPROVING AND NOW THEY ARE MORE OPTIMISTIC AND PROUD OF THEIR VICTORIES. HOWEVER THEY ARE RUNNING SHORTAGE OF FOOD SUPPLIES. Subj: Request to Change Home Leave Return Date

I am writing to request permission to change the date of return from my home leave; the circumstances regarding my request are outlined below.

I am currently on home leave in the United States where I am undergoing evaluation for a confidential medical condition. Although I had intended to return to my duty station at UNOMUR (Kabale, Uganda) during the forthcoming week, that will not be possible due to ongoing medical testing.

I now expect that my evaluation will be completed by 13 July and--given a satisfactory report by my physician--would then depart for Kabale, arriving the weekend of 16-17 July.

While in transit to the United States for home leave, I was evaluated at Ssmitivej Hospital in Bangkok and was given a medical certificate requesting two weeks of rest by the examining physician. This certificate and any addition certificates/reports issued by the specialists in Phoenix, Arizona can be presented as required upon my return.

Would you kindly contact me at the FAX number in the United States as indicated below. Thank you for your consideration and I am looking forward to receiving your reply.

ICRC reported that a mission travelled from Cyangugu to Kibuye to Musange to Gikongoro and back to Cyangugu again. They were accompanied by guides from each of the districts they travelled in. The Kibuye Prefect was not cooperative and as a result the team was unable to assess the situation in and around Kibuye. There were a lot of checkpoints, but none were manned by militia. Between Gikongoro and Cyangugu there was only one check point. A number of people are travelling to Butare (for shopping) which is quiet with an operating market. There are approximately 120 French soldiers guarding Cyangugu camp (8,000 displaced persons). ICRC made the following estimates regarding the displaced population in the areas they travelled in:

Gikongoro Prefecture (estimated 250,000 people)

Musange (sub-prefecture Kaduha)	50,000
Karambo/Kaduha	23,500
Rugari/Nyamiyaga	13,500
Nyabagu	20,000
Muko	10,300
Rukondo commune	36,000
Cyanika commune	50,000
Others	60,000

Kibuye Prefecture

Sanza	5,000
Bwakira	2,000 (which is increasing daily)
Rwamatanu and Gishyita	2,000

Sanza, 60 km from Kibuye, was the only place ICRC identified that has critical and immediate needs. The 5,000 displaced persons have not received food for two months and there is very severe malnutrition. Otherwise the whole region needs food, domestic items, medical supplies, and water and sanitation facilities. The following NGOs are working in the region : ICRC (medical and food), CRS/ Caritas (food), TROCAIRE (medical) and Rwandan Red Cross (medical and domestic items).

MSF reported that they are sending two more people to Kigali. MSF will now have 15 staff members in Kigali who will work at King Faisal Hospital, Amahoro Stadium and ICRC hospital. The ICRC hospital is very overcrowded with 100-150 people arriving per day. The King Faisal Hospital water and electricity supply works twenty four hours a day. There are 300 patients in King Faisal Hospital.

THURSDAY 30 JUNE
SITUATION REPORT # 37

On 28 June a journalist was shot in the leg at the Meridien Mutal. He was evacuated to Nairobi yesterday..

The UNAMIR Force Commander met with the UN Humanitarian Coordinator for Rwanda and UN Heads of Agencies yesterday. They stressed the following points:
although the full impact of the French presence/intervention cannot be fully ascertained at the moment, the immediate effect is a an improvement of overall operations.
- UNAMIR troops from Australia and Canada, as well as equipment, will start arriving next week. This will boost UNAMIR's operational capacity.
- there is a need for UNICEF, as lead UN agency for children, to give guidance regarding unaccompanied children. This will involve assisting the children and developing a strategy for assessing the situation.

A meeting between the UN Humanitarian Coordinator for Rwanda, the Force Commander for UNAMIR, the French Force Commander and the Head of the Humanitarian Cell for the multi-national force taking part in "Operation Turquoise" is taking place in Goma (Zaire) today.

UN/NGO Advanced Humanitarian Team in Kigali reported that :
- there are plans to prepare a displaced camp at the Kigali Golf Course (at the rear of King Faisal Hospital). People will be transferred to this camp from King Faisal Hospital, Amahoro Stadium and Kanombe Airport. This camp will accommodate approximately 15,000 people.
- the Extended Programme of Immunization (EPI) will begin at Ndera tomorrow.
- the communities at Ndera, Kabuga and Amahoro Stadium have teachers who would like to re-establish schools. Education kits are needed.
there is an estimated 5,000 displaced persons in and around Ste Famille church.

The RPF wrote a letter to the ICRC requesting that they move from the ICRC hospital in Kigali. The reason they gave was that the hospital is on the front line of fighting. ICRC transferred 45 patients from ICRC to King Faisal Hospital under UNAMIR protection on 28 June.

The UNICEF/WHO/RPF needs assessment in RPF controlled areas has completed its data collection. Eight of the RPF controlled camps were

visited: Ruhango, Nyamata, Rwanagana, Kayonza, Rutare, Ngarama, Tabagwe and Kidaho. Prelimary findings revealed the following:
- the situation is very fluid - Ruhango camp is currently being evacuated by the RPF with people being moved to Nyamata.
- the percentage of women, elderly men and children in the camps is very high. In Ruhango 95% of the population is female. There is a low percentage of under fives, suggesting high mortality rates among young children.
- the Mother and Child Health (MCH) system has collapsed. Drugs and equipment are in short supply. The major causes of mortality and morbidity in southern Rwanda are malaria, malnutrition, and diarrhoeal diseases. In the northern highlands, acute respiratory diseases are common. War wounds are rarely seen outside the limited health facilities; this is probably due to high mortalities among the wounded.
- protein-energy malnutrition is widespread, especially in Ruhango and Rwamagana. At least 3,800 children are in need of therapeutic feeding and another 9,200 people need supplementary feeding in the camps visited. A large number of breastfeeding mothers require supplementary feeding.
- although most of the sources provide good quality water, shortages of clean water still exist. Some areas have water supply systems, but they require maintenance due to damage and neglect.
- although the whole population is affected by the violence seen in the last few months, children are especially vulnerable to psycho-social trauma. There are nearly 12,000 unaccompanied children in orphanages or foster homes in seven of the eight camps visited.
- the vast majority of people have lost a family member, and/or had their homes and possessions destroyed.

UNICEF reported that a meeting was held yesterday in Byumba (at the RPF's request) to discuss policy and strategy for unaccompanied and traumatized children.

MSF Goma (Zaire) reported that about 1000 Tutsis have crossed the border in the last few days. MSF Burundi reported that Bujumbura is quiet. Most of the people who fled to Bujumbura during the last weekend have since returned to their homes.

PRESS RELEASE

COMMUNICATION TO THE PRESS NO. 94/29
GENEVA, 28 JUNE 1994

RWANDA: UNACCOMPANIED CHILDREN

GENEVA (ICRC) - THOUSANDS OF CHILDREN IN RWANDA ARE HOMELESS, SEPARATED FROM THEIR FAMILIES, WAITING TO RECEIVE HUMANITARIAN ASSISTANCE. SOME OF THEM HAVE FOUND REFUGE IN ORPHANAGES, OTHERS IN CAMPS FOR DISPLACED PEOPLE. IN MANY CASES CHILDREN AT RISK HAVE HAD TO BE EVACUATED TO COUNTRIES OUTSIDE RWANDA TO SAVE THEIR LIVES. IT HAS BEEN REPORTED THAT SOME CHILDREN HAVE BEEN TRANSFERRED ABROAD WITHOUT THE NECESSARY PRECAUTIONS BEING TAKEN TO RECORD THEIR IDENTITY.

THE INTERNATIONAL COMMITTEE OF THE RED CROSS (ICRC) TOGETHER WITH UNHCR, UNICEF AND THE INTERNATIONAL FEDERATION OF RED CROSS AND RED CRESCENT SOCIETIES HAVE THEREFORE DRAWN UP GUIDELINES ON HOW TO DEAL WITH THIS SITUATION. THESE GUIDELINES ARE BASED ON THE PRINCIPLES CONTAINED IN THE CONVENTION ON THE RIGHTS OF THE CHILD, THE GENEVA CONVENTIONS OF 1949 AND THEIR ADDITIONAL PROTOCOLS OF 1977.

AS FAR AS POSSIBLE CHILDREN SHOULD BE HELPED ON THE SPOT, IN THEIR OWN CULTURAL ENVIRONMENT. IN EXCEPTIONAL CIRCUMSTANCES TRANSFER OUT OF THE COUNTRY CAN BE ENVISAGED.

IN ANY EVENT, CHILDREN LEAVING THEIR COUNTRY OF ORIGIN MUST BE PROPERLY IDENTIFIED AND REGISTERED. SYSTEMATIC REGISTRATION MAKES IT POSSIBLE TO KEEP TRACK OF THEM, INFORM INTERESTED PERSONS OF THEIR WHEREABOUTS AND FACILITATE FAMILY REUNIFICATIONS. THE ICRC'S CENTRAL TRACING AGENCY WILL CENTRALIZE THE REGISTRATION CARDS OF ALL THE CHILDREN CONCERNED.

IN THE MEANTIME, MANY RELATIVES HAVE APPROACHED THE ICRC SEEKING NEWS OF THEIR CHILDREN. SUCH INFORMATION CAN BE PROVIDED ONLY IF ALL THE CHILDREN EVACUATED ARE REGISTERED. ON THE OTHER HAND, AS SOON AS SECURITY CONDITIONS ALLOW, TRACING WILL BE INITIATED TO REUNITE SEPARATED CHILDREN WITH THEIR FAMILIES IN RWANDA OR ABROAD. PRIORITY WILL BE GIVEN TO FINDING THE RELATIVES OF CHILDREN WHO HAVE BEEN REGISTERED.

++++

The International Committee of the Red Cross (ICRC), together with the International Federation of the Red Cross Societies and the recognized National Red Cross and Red Crescent Societies, is one of the three components of the International Red Cross.
An independent humanitarian institution, the ICRC is the founding body of the Red Cross. As a neutral intermediary in case of armed conflicts or disturbances, it endeavours on its own initiative or on the basis of the Geneva Conventions to protect and assist the victims of international and civil wars and of internal troubles and tensions, thereby contributing to peace in the world.

RWANDA

Resolution adopted by the Council of the Lutheran World Federation

The Council VOTED:

-- to express horror and anguish about the civil war in Rwanda, a human tragedy of staggering proportions. Our prayers for peace and reconciliation go out on behalf of the Rwandan people. We call upon the parties to put an immediate halt to the carnage and we call for concrete steps to be taken to bring about an end to the killing and suffering, to work for a resolution of the conflict, to continue to provide assistance to the victims of acts of inhumanity and to assess the root causes of the conflict;

-- to express appreciation to the governments and the people of the neighbouring countries for accepting the refugees, despite severe pressures on their local communities;

-- to extend appreciation also to the churches, voluntary agencies, inter-governmental agencies, governmental donors, and numerous other non-governmental organizations for their positive response to the crisis;

-- to commend the churches' ecumenical initiative, Church World Action - Rwanda (CWA-R), for its holistic response in the face of political conflict and resulting human need, noting the four elements of i) humanitarian assistance, ii) crisis support program, iii) peace and reconciliation in Rwanda, and iv) communications, and the particular capacities of the partners to pursue these complementary avenues;

-- to call on the churches to use their particular skills and gifts to promote reconciliation among the refugees as well as good relations between them and the local communities;

-- to call upon international partners and governments to continue to provide resources for programs to assist the refugees and displaced persons;

-- to extend appreciation to World Service field staff and others who have ensured the retrieval and respectful burial of many of the victims;

-- to call upon the Office of the United Nations High Commissioner for Refugees to re-examine its policies with respect to repatriation of refugees to avert the possibility that they may be subject again to persecution;

-- to recognize that genocide has occurred in Rwanda and that, at the appropriate time, necessary steps should be taken by the international community to bring those responsible to justice;

-- to call on the United Nations and its member states, which have been deplorably slow to act, to augment immediately the United Nations Assistance Mission in Rwanda (UNAMIR) by increasing the resources, both financial and material, available for this mission. Funds are particularly needed from nation states to finance the deployment of troops from states within the region;

and, in the wake of tragedy in places such as Rwanda, former Yugoslavia and Somalia in recent years,

- to call for the creation of a United Nations standing peace-keeping force which will be capable of reacting swiftly to stem conflict as it is developing. Regional forces also should be considered under the auspices of regional bodies, such as the Organization of African Unity. A major purpose of these forces should be to prevent future disputes from reaching catastrophic proportions. These forces could also carry out other specifically humanitarian missions. These forces should only be deployed on the basis of clear criteria and international consensus; and

-- to call on the international community to work with nation states to prevent disputes from arising within nations, to prevent existing disputes from escalating into conflicts and to limit the spread of conflicts.

Press Release **For Immediate Use** **21 June 1994**

WCC CALLS ON FRANCE NOT TO SEND TROOPS TO RWANDA; UN ASKED TO REJECT PLAN

The World Council of Churches (WCC) has strongly appealed to France not to send troops to Rwanda.

In a 21 June letter to the French Minister of Foreign Affairs, Alain Juppé, the WCC says it believes a French contingent in Rwanda would almost certainly further aggravate tensions and complicate international efforts to achieve a cease-fire and resolve the conflict.

The WCC letter, signed by Dr Konrad Raiser, WCC General Secretary, points to the history of Franco-Rwandan relations and the perception of France's role in the country. In the light of these, says the WCC, an overwhelming French military presence would compromise the UN Assistance Mission for Rwanda (UNAMIR) and its aims as outlined in UN Security resolutions 918 & 925.

Pointing out that it is currently involved in major humanitarian efforts to aid the victims of "this fratricidal war", the WCC says it seriously questions the credibility of France's stated intention to protect those seeking to deliver humanitarian assistance. "Such an approach does not respond to careful analysis of the reality in Rwanda and its neighbouring countries".

The WCC has also written to the UN Secretary-General, Dr Boutros Boutros-Ghali, asking him to convey to the Security Council the WCC's grave reservations about the French plans. The WCC appeals to the Security Council not to endorse the French proposal but to hold to the principle of the neutrality of UN peace-keeping forces.

Contact: John Newbury, WCC Press Officer (+22) 791.6152

The World Council of Churches is a fellowship of churches, now 324, in more than 100 countries in all continents from virtually all Christian traditions. The Roman Catholic Church is not a member church but works cooperatively with the WCC. The highest governing body is the Assembly, which meets approximately every seven years. The WCC was formally inaugurated in 1948 in Amsterdam, Netherlands. Its staff is headed by general secretary Konrad Raiser from the Evangelical Church in Germany.

Comment by World Council of Churches on the UN Security Council decision relating to France's decision to send troops to Rwanda:

"Earlier this week, we issued a press statement which explains the reasons behind our opposition to France sending troops to Rwanda.

We have had our say. We have offered our opinion and advice.

We regret the decision of the Security Council.

We pray that our worst fears are not proved correct and that somehow within the Grace of God these developments can be used to help bring about peace.

We are still prepared to offer our good offices, if desired, to all parties to the conflict in order to further the process of peace and reconciliation. We also remain committed to work with the churches of the region in the same process. The broad mandate of Church World Action-Rwanda (a joint project of the World Council of Churches and the Lutheran World Federation) allows for such involvement.

We have been in touch with the UN Centre for Human Rights and have indicated that we would be willing to be involved in human rights monitoring in Rwanda. Of course, this is something which is still a long way off but we have already begun to identify some suitable people who could be involved in this work."

PARTICULARLY IN VIEW OF THE POSSIBLE NEED FOR A TRANSIT CAMP TO BE ESTABLISHED IN THE ENTEBBE AREA. THE POSSIBILITY WAS ALSO RAISED IN REF A. FROM CURRENT INFORMATION THE FIRST 200 OF THESE TROOPS MAY ARRIVE EARLY NEXT WEEK (FROM MON 4 JUN ONWARDS) AND A TRANSIT CAMP WILL NEED TO BE ERECTED URGENTLY. THE POSSIBILITY OF USING HOTEL ACCOMMODATION IN MBARARA HAS BEEN EXPLORED BUT THIS IS FELT TO BE INAPPROPRIATE. WEDNESDAY 29 JUNE
WEEKLY SITUATION REPORT # 36

I SECURITY

On 22 June the Security Council voted in favour of sending 2,500 French troops to Rwanda.

On 27 June the interim President of Burundi warned that Burundi could face a crisis due to political and ethnic tensions. On the same day the interim Prime Minister for Rwanda said that the interim administration was not ready to have peace talks with the RPF.

The UN/NGO Advance Humanitarian Team in Kigali reported that sporadic heavy fighting in Kigali is causing approximately 100 casualties per day.

On 24 June a RPF mortar hit the emergency tent of the ICRC hospital. Seven patients were killed and a number of patients injured. On 25 June 100 patients were transferred from the ICRC hospital to King Faisal Hospital. On 26 June 47 people were transferred from ICRC to King Faisal Hospital. There are more than 600 patients in the ICRC hospital in Kigali. There is concern about the safety of the patients in the hospital because of its proximity to the front line. Transfers of displaced persons by UNAMIR have been suspended for the last two days due to insecurity.

In Zaire there is increasing insecurity in the refugee camps near Uvira. Groups of Hutu refugees are allegedly undergoing training and arming themselves. Cases of murder and torture of Tutsis and local Bairoons who resemble Tutsis are being investigated.

II DISASTER MANAGEMENT TEAM ACTIVITIES

A meeting between the UN Humanitarian Coordinator for Rwanda, UN heads of agencies and donors took place on Friday 24 June. The contingency planning exercise that the UN agencies are currently undertaking was discussed. The UN agencies estimate that increased access to 500,000 persons would require US$ 22 million over a 6 week period. This amount will be included in the Consolidated Appeal which will go out in July. The French Ambassador was questioned about the humanitarian component of the new operation. He explained that military field hospitals will be set up in the border areas where safe havens are planned.

3/8

The UN Humanitarian Coordinator for Rwanda, UN agencies, ICRC and USAID met with representatives of the Interim Government on Monday 27 June. They discussed future cooperation between the Interim Government and UN agencies, ICRC and NGOs in providing access to people in need in areas controlled by the RGF. They also discussed the security of relief personnel and convoys.

In order to support the UN contingency plan and establish an interface with the French force, UNREO is considering opening a liaison office in Goma, Zaire.

III POPULATION MOVEMENTS

On 28 June ICRC reported that there approximately 25,000 people between Cyangugu and Kibuye and approximately 250,000 in the Cikongoro area.

On 22 June WFP Bujumbura reported that up until recently there were 30,000 Rwandan refugees dispersed in villages along the Rwandan border. They were unwilling to go to the refugee camps due to a fear of the Tutsi dominated Burundi army. However, since the local authorities have given assurances of protection and assistance, people have been more willing to move into the camps, leaving approximately 18,000 at the border. Camps with Tutsi refugees are reducing in size because people are returning to RPF controlled areas in Rwanda.

UNHCR reported that registration of refugees in Ngara, Tanzania will begin next week.

UNHCR updated the Rwandan and Burundi refugee statistics:

Burundi refugees:

Rwanda	40,000
Tanzania	60,000
Zaire	102,856
TOTAL	202,856

Rwandan refugees:

Burundi	85,000
Tanzania	436,500
Uganda	10,000
Zaire	9,720
TOTAL	541,220

IV LOGISTICS AND ACCESS

The UN/NGO Advance Humanitarian Team in Kigali reported that up until recently food has been available in downtown markets. The supply of food in these markets is running low.

4/8

road areas are secure because the Interhamwe are present in the countryside.

On 23 June WFP reported that six trucks arrived in Kigali. Distribution began immediately at Amohoro Stadium, King Faisel Hospital and the airport. On the same day an ICRC food convoy also arrived in Kigali.

The UN/NGO [illegible]

The UN/NGO Advance Humanitarian Team reported that they made a visit to Ndera, a displaced centre 8kms east of Kigali. The RPF estimates that there are 15,000 people in the area, although the AHT did not see this number of people. There are two orphanages in the centre with approximately 300 children. Some malnutrition was evident as well as diarrhoea and scabies. Drugs are in short supply. The AHT plans to return to Ndera with umimix, biscuits, ORS and medicines for the orphans.

ICRC reported that 12,000 people received food rations in Gisenyi. The 50,000 people that were being assisted by ICRC at Nyanza have left the area and are travelling east towards Bugesera. The ICRC plans to shift food and medical assistance accordingly. 300 patients, 1,100 children (150 handicapped) and 140 local staff will also be moved.

MSF reported that people are moving south east from Ruhango. This is in anticipation of the security deteriorating in this area.

UNICEF reported that:
- the UN/NGO AHT in Kigali delivered UNICEF health kits, medical supplies, lysol, and Hartmans Solution to King Faisal Hospital, the ICRC hospital, and the MSF maintained clinic at Amahoro Stadium on 26 June.
- the first batch (seven trucks and trailers with 230 tonnes of CSB) of the 500 tonne consignment of supplementary food has arrived in Ngara for distribution.
- a monitoring and evaluation system is being set up in Rwanda by UNICEF who will establish sentinel sites throughout the country. Local personnel will be trained to monitor health, morbidity and mortality, and the nutritional status of the population.

V HEALTH

The UNICEF/WFP/WHO assessment mission in RPF held areas reported that people in the south are in a very poor health condition. They visited Ruhango (about 17 km from Gitarama) which has a population of 6,000. Half of the children are malnourished, 20% severely malnourished. All the population are hungry and lethargic. The vast majority are women and children. There has been no food distribution recently because of transportation problems and the lack of a bridge. People are not harvesting the fields because of the local insecurity and because they are too weak.

The UN/NGO Advanced Humanitarian Team in Kigali reported that the EPI has been completed at Kabuga. It will begin at Ndera soon, where a local doctor and staff will administer the vaccinations.

In north-west Rwanda MSF reported that they plan to work with a target population of 150,000 displaced and war affected in the communes of Kidaho, Butaro and Cyeru. About one third of the patients from Kidaho suffer from bloody diarrhoea, which is suspected to be shigella

dysentery. A project proposal has been made to control this epidemic.

In southern Rwanda MSF is planning a cross border operation to Ruhaho (border with Kirundo/Burundi) to assist 3-7,000 people with serious medical problems (dysentery). In anticipation of future access to southern Rwanda, MSF Bujumbura is preparing stocks for a possible intervention into the area.

An MSF exploratory mission to Ruhango reported that there are approximately 30,000 displaced persons. Malnutrition is widespread amongst all age groups.

MSF has requested UNICEF support for vaccinations (cold chain, vaccines, immunization supplies and Vitamin A), domestic items (mattresses, soap, drinking cups, towls, bowls etc) and health kits for Ruhango and Nyanza.

UNICEF reported that their specialist for unaccompanied children will stay in Kabale for a week to establish a system for recording information about unaccompanied children; she will train local people to update the information. She will travel to Ngara next week to carry out the same project.

VI WATER AND SANITATION

UNICEF water and sanitation expert reported that access to clean water is a problem in large parts of Northern Rwanda. People have to walk up to 8km to find safe water.

VII GENERAL

The Government of Finland is donating US $550,000 to UNHCR programmes in Burundi and Rwanda and US $360,000 to WFP for Rwanda and Tanzania.

TUESDAY 28 JUNE
SITUATION REPORT # 35

The interim President of Burundi warned that Burundi could face a crisis due to political and ethnic tensions. The interim Prime Minister of Rwanda said that the interim administration is not ready to have peace talks with the RPF.

- the Extended Programme of Immunization (EPI) has been completed at Kabuga. It will begin at Ndera in the next couple of days, where a local doctor and staff will administer the vaccinations.

ICRC reported that there are more than 600 people in their hospital in Kigali. They are concerned about the safety of these people because the hospital is on the front line of the fighting.

UNAMIR reported that the transfer of displaced persons remained suspended due to the security situation.

FROM: UNAMIR, KIGALI.

SITREP COVERING PERIOD 280600B JUNE TO 281800B JUNE 94.

1. GEN SITUATION. THE GENERAL SITUATION WAS RELATIVELY CALM. SPORADIC EXCHANGES OF ARTY/MORTAR, HMG AND SAs FIRE CONTINUED IN VARIOUS PLACES IN KIGALI. THE RPF CONTINUED TO ISOLATE RGF POSITIONS IN KYCHIRU, VILLAGE URUGWIRO, KIMIHURURA, NYAMIRAMBO AND THE CITY CENTER. NO SIGNIFICANT CHANGES IN THE DEPLOYMENT OF BOTH WARRING PARTIES WITHIN KIGALI. MILITIA AND INTERHAMWE ACTIVITIES ARE STILL ON THE INCREASE IN RGF AREAS. THERE IS NO CHANGE IN THE SITUATION IN THE NORTH AND SOUTH OF THE COUNTRY. THE FRENCH ARE REPORTED TO HAVE CARRIED OUT A RECONNAISSANCE MISSION IN GIKONGORO, ABOUT 100 KMs EAST OF CYANGUGU WHICH IS SOME 20 KMs SHORT OF THE FRONT LINE. THEY ARE REPORTED TO HAVE CARRIED OUT THE EVACUATION OF SOME NUNS WHO HAD BEEN TRAPPED IN KIBUYE. THEIR DEPLOYMENT IN THE WESTERN PART OF THE COUNTRY CONTINUES. 45 PATIENTS WERE EVACUATED DURING THE DAY FROM THE RED CROSS HOSPITAL TO KING FAISAL HOSPITAL. THE GHANAIAN MILITARY DELEGATION TEAM RECEIVED BRIEFINGS FROM THE FC, STAFFS AND FROM THE BATTALION. THE FC DEPARTED THIS MORNING FOR NAIROBI VIA ENTEBBE. THE EXERCISE ON THE TRANSFER OF DISPLACED PERSONS REMAINED SUSPENDED DUE TO THE SECURITY REASONS. ONE JOURNALIST NAMED RICARDO MAZALAM FROM ASSOCIATED PRESS WAS SHOT IN THE LEG WHILE STANDING ON THE BALCONY OF HOTEL MERIDIEN THIS AFTERNOON. HE WAS IMMEDIATELY EVACUATED TO KING FAISAL HOSPITAL FOR TREATMENT AND IS IN A STABLE CONDITION. EFFORTS WILL BE MADE TO EVACUATE HIM TO NAIROBI TOMORROW.

2. POLITICAL ACTIVITIES. RFI REPORTED THAT THE GOVERNMENT OF GUINEA BISSAU SUPPORTS THE FRENCH INITIATIVE AND THEY ARE READY TO SEND TROOPS. THE SECRETARY GENERAL OF THE CUSTOMS UNION OF CENTRAL AFRICA HAS DECLARED THE SUPPORT OF ALL THE MEMBERS FOR THE FRENCH INITIATIVE. CARDINAL ECCEGERA HAS ARRIVED IN THE RPF ZONE THROUGH THE UGANDAN BORDER. HE WAS WELCOMED BY THE PRESIDENT OF THE RPF IN BYUMBA. THOUSANDS OF TUTSIS DEMONSTRATED AGAINST THE FRENCH PRESENCE IN RWANDA. AT THE MEETING OF FRANCOPHONE COUNTRIES OF WESTERN AND CENTRAL AFRICA, AN EX-FRENCH CAPTAIN DECLARED THAT THE CRASHING OF THE PRESIDENTIAL AIRCRAFT WAS PERPETRATED BY THE RPF TERRORISTS. THE BOURGMESTRE OF KIGALI NOW IN GISENYI HAS WELCOME THE FRENCH INTERVENTION. HE HAS CALLED ON THE LOCAL POPULATION AT GISENYI TO CONTRIBUTE MONEY TO EQUIP AND TRAIN THE MILITIA. THE RPF POLITICAL LEADERSHIP CONTINUES TO SAY THAT ANY ATTEMPT BY THE FRENCH TO HALT THEIR ADVANCE WILL BE MET WITH FORCE.

3. FACTIONAL ACTIVITIES.

A. RPF. RPF CONTINUED THEIR PRESSURE ON RGF POCKETS OF RESISTANCE IN KYCHIRU, GIKONDO, URUGWIRO VILLAGE, NYAMIRAMBO AND THE CITY CENTER WITH ARTY/MORTARS, HMG AND SAs FIRE. NO MAJOR CHANGES IN DISPOSITIONS HAVE BEEN

3/5

REPORTED. INFORMATION INDICATE THAT THE RPF IS BUILDING UP MEN AND EQUIPMENT IN BYUMBA AND OTHER PARTS OF THE NORTH TO COUNTER ANY FRENCH ASSAULT. THE INFORMATION ALSO REVEALED THAT THE RPF WILL NOT GO FOR ANY DIRECT CONFRONTATION WITH THE FRENCH BUT WILL CARRY OUT GUERILLA ACTIVITIES AGAINST THEM THROUGHOUT THE COUNTRY. BETWEEN 25 AND 26 JUNE, RPF SENIOR MILITARY LEADERS HELD A MEETING IN KIGALI AND STATED THAT IF THE UN SUPPORTS THE FRENCH INTERVENTION IN THE ENTIRE COUNTRY, THERE WILL BE REPRISALS AGAINST UNAMIR PERSONNEL IN RPF CONTROLLED AREAS.

B. RGF. RGF CONTINUED TO FIGHT BACK FROM THEIR POSITIONS WITH MORTARS, HMG AND SAs FIRE. MILITIA ARE FIGHTING SIDE BY SIDE WITH GOVERNMENT FORCES. THERE IS NO CHANGE IN THEIR DISPOSITIONS IN THE NORTH AND SOUTH. IN THE WEST THEY CONTINUE TO ASSIST FRENCH TROOPS.

C. MILITIA. MILITIA AND INTERHAMWE ACTIVITIES ARE STILL ON THE INCREASE. CONTINUED TO CONTROL ROAD BLOCKS AND CHECK POINTS IN RGF AREAS. THEY ARE REPORTED TO BE CHANGING THEIR ATTITUDE TO THE FRENCH IN AREAS IN THE WESTERN PART OF THE COUNTRY.

4. OWN MILITARY ACTIVITIES.

A. FORCE HQ. NORMAL ROUTINE STAFF WORK WAS CONDUCTED DURING THE PERIOD. FC BRIEFED THE GHANAIAN DELEGATION ON THE PRESENT AND FUTURE ACTIVITIES OF UNAMIR. HE LATER LEFT FOR NAIROBI. BRANCH HEADS ALSO BRIEFED THE TEAM LATER IN THE DAY.

B. UNOMUR. AREA OF OPERATIONS REMAINED CALM. CONDUCTED ROUTINE PATROLS. CONTINUED TO COORDINATE MOVEMENT OF PERSONNEL FROM KIGALI TO ENTEBBE. MONDAY 27 JUNE
SITUATION REPORT # 34

The UN Humanitarian Coordinator for Rwanda, UN agencies, ICRC and USAID met with representatives of the Interim Government today. They discussed security of convoys and future cooperation between the Interim Government and UN agencies, ICRC and NGOs in giving assistance to people in government held areas.

ICRC reported that on Friday 24 June a RDF mortar hit the emergency tent of the ICRC hospital in Kigali. Seven patients were killed and a number of patients injured.

Throughout the weekend there was heavy fighting/shelling in Kigali. This continued today.

On 25 June UN/NGO Advance Humanitarian Team in Kigali reported that:
- 100 patients were transferred from the ICRC hospital to King Faisal hospital.
- Vaccinations (administered by local staff) began at Kabuga.
- MSF began full surgical services at King Faisal Hospital.
  Up until recently food has been available in downtown markets. The supply of food in these markets is running low.

On 26 June UNAMIR reported that the transfer of displaced persons in Kigali was suspended due to insecurity. 47 people were transferred from ICRC to King Faisal today.
