Subject: Situation Report for 10th July, 1994

Date: 10th July, 1994

Pages: 3 including this

OVERALL CITY SITUATION:

The situation in the city have completely change in the last couple of days: it is now possible for us to move around freely almost every where (except in Kimihurura where RPF restraint movement for strategic reasons) and, most important, people are now invited by RPF to move back to there houses. It turns out that a lot of persons are coming back to the city; all day one cold see people going back to their houses with the little valuables they have left. Every where in the city you could also see people expressing their joy of finding back their neighbors and relatives and realising that a "missing person" was in fact still alive.

Apparently RPF passed the word to everybody in camps (and on the radio) that they can come back freely to Kigali and even though there is still some roadblocks at every important intersection, there is no problem for people to go trough. We can expect that between now and the end of the week all people living in RPF area and willing to come back to Kigali will find a way to do so (UNAMIR transport facilities was ask by RPF to move people from Kabuga to Kigali, but no answer was giving yet to this request in the absence of the FC). It is very hard at the moment to do any evaluation of the number of people actually in town or planning to come in; from my own point of view though, I will say that no more than 75,000 people will be living in Kigali in the short to medium term (ie in the next three months). The number of people actually in the city must be around 30,000 if you consider that this was the number of people living in displaced camps before the RPF gave them the permission to go back to there house. All those displaced camps are at the moment either empty or almost empty.

Apart from the people moving back to there house, the city is very quiet; with no electricity, public transport, almost no private vehicle going by and with no shops open, the town look like an shadow town. Nowhere could we see anybody in the city selling anything (not even the most simple food supplies) but this may have to do with the fact that it was sunday. We will

UNREO CMO SAO AROPS.

know in a couple of days if it will be possible to buy anything in town, we could hope that people will get organised and that street market activity type will restart (all or almost all major shops have been either looted or destroyed - with the notable exception of AllRwanda !).

If it turns out that because of the non-harvesting of the crops, the restriction on the movement of people, the shortage of money in the economy, etc., market economy don't resumed, food supply will still have to be distributed, at least for an interim period and/or to vulnerable population. The creation of "cuisines populaire" receiving food supply from WFP might then be envisaged.

Finally, it could still be dangerous to move around town as it seems that some mines or other booby trap devices could have been left in and there by the RGF before they left. Some explosion were ears during the day, but if haven't been confirmed at the moment what were their origine.

WFP CONVOY

The WFP convoy stock at the Gagitumba border for the last 3 days went back to Kampala today after it failed to obtain clearance from RPF to come to Kigali. On top of food supply, this convoy was composed of about 15 ethiopian drivers and machanics who where supposed to fix and drive the WTO truck out of the country. Clearance was asked from Rome to RPF-Brussels instead of to RPF Kigali through UNAMIR.

MOVING OF THE AMT IN THE UNDP OFFICE

This could happen as early as tomorrow. With the latest changes in the situation in the city though, the team is considering the fact that it could be possible to live somewhere else than in the UNDP office. If there is going to be some people everywhere in town, if movement is not restricted, and if security doesn't seems to be a problem, it could then be possible to move in one or various houses to live. In view of that, a more "in depth" look at the UN compound houses and Resrep residance will be done tomorrow. Off course necessary contacts with UNAMIR and UNREO in Nairobi will be made before action is taken.

In order though to have respectable living accommodations in the very near future, the following measures should be envisaged and action should be taken very quickly (ie monday morning):

- hiring of a company to procure all necessary equipment and supplies (principally food, water and fuel) to be send to Kigali;
- hiring of a logistic / operation officer based in Kigali who could manage the UN compound and accommodations (if we have many) and be in charge of the following facilities: transport; local support personal management; premises maintenance and premises equipment; etc.;
- decide on how the employees will be charge the fees related to the services procured through a single supplier and how it is going to affect their DSA.

As far as equipment is concern the following list should be consider as a first list of priority items to be procure as soon as possible:

- 20 matelas + sheeting;

- food and drinkable water for a team of 10 for a period of 10 days;
- 10 to 15 drums of diesel;
- 2 drums of oil;
- 5 drums of petrol.

Note that this list could be extended.

We will also need more vehicles. At the moment we can use 2 mazda 4x4 pick-up and we hope to get a hand tomorrow on the two UNDP sedan cars still in Milles Collines. Two to three more 4x4 will be welcomed.

On the communication side, what is at the moment the most urgent need is a Sat-A equipment that will allow us to both received and send faxes. The old model Saturn satellite currently in UNDP office might be able to fulfil this mission, but we haven't been able to have it working up to now, it is hoped that a new UNAMIR technician coming in tomorrow could help us with that. In case that it turns out though that it is impossible to send faxes with this equipment, UNREO Nairobi should try to locate a Sat-A in Nairobi that could be send here in a very short notice.

As a UNHCR radio technician is coming in Kigali this Tuesday, a broader assessment of our needs and existing capacities could be done then. All the unused VHF equipment in Nairobi (ie handsets and mobile/base motorola equipment) should though be send here as soon as possible.

Finally UNART will be pleased to received a set of copy (if not the colors originals as UNREO main office will probably be in Kigali in the very near future) of the 1/50,000 maps of the country. The UNDP Conference room walls will be more than big enough to receive those maps.

"EMERGENCY REHABILITATION PROGRAM"

In order to be able to react rapidly to various demand that are going to arise from the Government, UNDP could come up with a "Emergency rehabilitation program" that will allow us to provide all kind of different resources to fill emergency needs. We can already imagine that UNDP, as the only major donor present in the country, could be ask to help government restoring the water and electrical facilities, provide some technical assistance specialized in education and health (ie people that can do "upper level management" and overall strategic planning), etc. The best way to deal with this request - that will, if fulfill, give us some rapid visibility - could be to prepare a very flexible project that could allow us to hire all kind of consultants that could fit the different priority needs of the country.

HUMANITARIAN ASSISTANCE

Following the "opening-up" of the city all the AHT staff, after meeting in UNDP office in the morning to inspect the facilities and discussed about the move to the premisses, travelled around town to assess the new situation. Some of the UNDP/WFP staff in Kabuga received an hand to move from there to their houses in Nyamirambo.

The next two days will be mainly dedicated to our installation in UNDP office.

Hunger kills 50 Ugandans

Kampala: The government-owned *New Vision* newspaper reported today 50 people had died of hunger and hunger-related diseases by the end of last month in the northern Ugandan district of Kitgum. The paper quoted local administration officials as saying most of the victims had died from diseases worsened by hunger-induced weakness, but did not specify when the first deaths were reported.

Soldier's act

Cairo: An Algerian helicopter pilot sympathetic towards Muslim fundamentalist guerrillas blew up two aircraft at an air base and escaped to the mountains in a helicopter, an international Arabic newspaper said on Thursday. The pilot, a captain, left an Army air base in the eastern province of Setif on Saturday, the newspaper *Al-Hayat* said.

Rights abuse

London: Abuses of human rights rose to their highest level for at least a decade in Africa last year, despite a wave of moves towards democracy on the continent, amnesty International said on Thursday. The rights group said 22 people had been either hanged or killed by firing squad in countries including Ghana and Uganda, while about 1,000 people were awaiting the death penalty in 18 countries, notably Kenya, Nigeria, South Africa, Uganda and Zambia.

AROUND AFRICA

Rwandan rebels urged to agree on ceasefire

KIGALI, Thursday

UN officials pressed ahead with efforts to persuade Rwanda's victorious rebels to declare a ceasefire with the beleaguered self-declared government to end three months of slaughter.

UN sources said peace prospects had been greatly improved after rebels of the Rwanda Patriotic Front captured Kigali, capital in the small central African country, and the southern town of Butare.

The sources said Major-General Romeo Dallaire commander of the UN peacekeeping forces in Rwanda, was to meet rebel chief Major-General Paul Kagame in Kigali to discuss a ceasefire.

At the same time, the new UN special representative to Rwanda, Shaharyar Khan Mohammed, hoped to hold talks with the interim Hutu government at its refuge in a hotel in the northwestern Rwanda town of Gisenyi.

They said Mr Khan would try to launch a political initiative to parallel Dallaire's talks on military issues with Kagame, commander of the RPF, which is dominated by members of the minority Tutsis tribe.

Col Dallaire would brief Kagame on the results of his five-hour meeting with the government army's chief of staff Major-General Augustine Bizimungu, in the eastern Zairean town of Goma.

Col Dallaire said after meeting Mr Bizimungu he was optimistic about the chances of a ceasefire to end civil war and massacres estimated to have killed more than half a million people since the assassination of President Juvenal Habyarimana on April 6.

Most of the dead were Tutsis and opponents of the Hutu government butchered by troops and militiamen.

President Habyarimana: Killed in April 6 plane crash

UN officials said Dallaire's last attempt to broker a ceasefire would build on Kagame's announcement on Tuesday that the RPF would form a broad-based government within days and would declare a unilateral ceasefire.

French military officers reported that 120,00 people displaced by the rebel advance were fleeing south from Butare towards the border with the state of Burundi, which officials say is on the verge of a Hutu-Tutsi war.

But French officials said rebels forces were keeping their distance from French troops, who have set up a safe zone for about 400,000 refugees in government-held south-western Rwanda.

French troops with mortars, machine guns and anti-tank missiles dug in around the town of Gikongoro after being ordered to halt the rebels westward advance.

The RPF has vowed to hunt down government troops driven out of Kigali and Butare towards Gikongoro. (AP)

11 killed in SA roadside attack

JOHANNESBURG, Thursday

Gunmen opened fire yesterday on vehicles on a road south of Johannesburg, killing 11 people and wounding 11 in what police called a "strategically planned" attack.

Police Capt Wikus Weber said a group of "about 10" attackers fired AK-47 assault rifles and from pistols from the roadside, hitting five taxi vans and three cars.

The attackers then escaped in a pickup truck, Capt Weber said. He said 11 people were killed, eight seriously wounded and three slightly wounded.

Taxi Van driver Willie Mokapo, whose vehicle was hit by bullets, said he crashed into another taxi van after the shooting by men standing on the roadside.

"Passengers were panicking, jumping out and running away," Mr Mokapo said.

The attack was similar to killings that occurred frequently before South Africa's first all-race elections in April.

Capt Weber said Wednesday's killings appeared to be part of a taxi war. He said a driver for a Soweto Taxi operator was killed in the area earlier this week.

The attack occurred near Katlehong township. (AP)

Nigerian strike: Army deployed

LAGOS, Thursday

Nigeria's military government ordered the army today to deploy in fuel storage areas and take over the country's oil distribution system, which has been crippled by a union strike.

"The government wishes to state that it is fully aware of its responsibilities to the people of this country and will not yield its arms while opportunistic and selfish labour activists hold the country (to) ransom," a statement from the military's Chief of Staff General Oladipo Diya said.

The strike by the powerful Nupeng Oil and Gas union entered its fourth day today and has practically paralysed the public transport system in Lagos.

General Diya said the government had decided "to order the military to move in and provide necessary services."

"Anybody who is seen disrupting fuel supply or distribution through acts of sabotage intimidation, or arson will be regarded as a saboteur and dealt with accordingly," the communique said.

Under Nigerian law anyone charged with economic sabotage faces up to 21 years in prison.

The oil and gas union had set a Monday deadline for military ruler General Sani Abacha to hand over power to Moshood Abiola, the jailed opposition leader and presumed winner of June 1993 presidential elections.

Mr Abiola was charged with treason yesterday before a court in the inland capital Abuja.

He faces life imprisonment if convicted of treason. He pleaded not guilty. He also complained to the judge of maltreatment. (Agencies)

1. HIGH LIGHTS. THE GEN SITUATION OBSERVED TO BE TENSE DURING THE WEEK. BOTH THE FACTIONS CONTINUED TO EXCHANGE OF ARTY/MORTARS, MMG AND SAs FIRE AS RPF KEPT ON PRESSURING ON RGF POSITION IN THE CITY. RGF ALSO RETALIATED WITH LESS INTENSITY DUE TO SHORTAGE OF AMMUNITION. FIGHTING WERE MAINLY CENTERED AROUND KIMINURURA, NYAMIRAMBO, CAMP KYCHIRU, CITY CENTER, VILLAGE URUGWIRO AND GADDAFI CROSSING. RPF CONTINUED TO ISOLATE AND SQUEEZE RGF POSITIONS WITH A VIEW TO CLEAR KIGALI BEFORE THE FRENCH TROOP'S INTERVENTION. DURING THE LATER PART OF THE WEEK RPF LAUNCHED A MAJOR OFFENSIVE ON RGF POSITIONS IN CAMP KYCHIRU AND KIMIHURURA AND ACHIEVED VICTORY BY CAPTURING ALL THE RGF POSITIONS INCLUDING THE RGF HQ. RGF VACATED THE POSITIONS OVER NIGHT.LEAVING BEHIND THEIR ARMS, AMMUNITION, VEHICLES AND OTHER EQUIPMENTS, THEY WITHDREW HURRIEDLY. RGF ARE NOW REPORTED TO BE LOCATED 20 KMs NORTH OF KIGALI. THE BATTLE SCENARIO IN THE SOUTH ALSO HAVE A SIGNIFICANT CHANGE. RPF IS QUITE CLOSE TO BUTARE IN THE SOUTH AND RESUMED THEIR ADVANCE TOWARDS SOUTH WEST OF THE COUNTRY. IT IS ALSO REPORTED THAT RPF HAVE STALLED THEIR ADVANCE 10 KMs SHORT OF GIKONGORO TO AVOID ANY CONFORMATION WITH THE FRENCH TROOPS LOCATED AT GIKONGORO. THE DISPOSITION OF THE BOTH WARRING FACTIONS HAS NO SIGNIFICANT CHANGE. MILITIA AND INTERHAMWE CONTINUED THEIR ACTIVITIES IN THE RGF CONTROLLED AREAS. AFTER THE FALL OF KIGALI MOST OF THE MILITIA/INTERHAMWE FLED AWAY WITH THE RGF AND A LOT OF THEM WERE ARRESTED BY RPF AFTER THE BATTLE OF KIGALI. THE FRENCH COALITION FORCES CONTINUED THEIR HUMANITARIAN ACTIVITIES IN THE WESTERN PARTS OF THE COUNTRY. FRENCH HAVE EVACUATED 600 ORPHANS FROM BUTARE TO GOMA BY ROAD AND HELICOPTER. HOWEVER THEY DID NOT FACE ANY DIFFICULTIES DURING THEIR EXERCISE. THE FRENCH WANTED A WELL DEMARCATED PROTECTION ZONE IN THE WESTERN PART OF RWANDA. FRENCH STATED THAT THEY HAVE COME TO RWANDA ON A HUMANITARIAN TASKS AND THEY DO NOT HAVE ANY INTENTION TO CAPTURE OR FIGHT WITH THE RPF BUT IF RPF WANTS CONFORMATION IN THAT CASE FRENCH WILL ALSO RETALIATE. SO FAR FRENCH TROOPS DID NOT ESTABLISH ANY CONTACT WITH RGF AS WELL AS RPF. THEY ARE ONLY FOLLOWING THEIR INTENTION TO CARRY OUT HUMANITARIAN ACTIVITIES. UNAMIR COULD ESTABLISH AN UNMO LIAISON TEAM AT GOMA TO MAKE CLOSE CONTACT WITH FRENCH COMMAND AND RGF. THE UNMO LIAISON TEAM ALSO VISITED THE INSTALLATION OF THE FRENCH TROOPS IN GOMA. FORCE COMMANDER MET THE FRENCH TROOPS COMMANDER IN GOMA ON 30 JUN 94. A CONVOY OF 3 X M-113 APCs, FUEL AND RATIONS ARRIVED IN KIGALI FROM ENTEBBE. A RECCE TEAM FROM THE CANADIAN SIGNAL SQUADRON ARRIVED DURING THE PERIOD. A HIGH LEVEL HUMANITARIAN DELEGATION LED BY MS GLYNNE EVANS, HEAD OF UN DEPT AT UK FOREIGN AND COMMONWEALTH OFFICER VISITED KIGALI TO GET FIRST HAND IMPRESSION ON THE SITUATION IN RWANDA. THE FIRST RECREATIONAL TRIP TO NAIROBI HAS STARTED DURING THIS WEEK BY SENDING TWO OFFICERs AND 30 TROOPs FOR A PERIOD OF ONE WEEK. NORMAL ESCORT DUTIES UP TO KAGITUMBA WERE CARRIED OUT FOR THE PERSONNEL PROCEEDING TO NAIROBI VIA ENTEBBE.

2. POLITICAL ACTIVITIES. THE GOVERNMENT OF GUINEA BISSAU HAS SUPPORTED THE FRENCH INITIATIVE AND THEY ALSO STATED THEIR READINESS TO SEND THEIR TROOPS. THE SECRETARY GENERAL OF THE CUSTOMS UNION OF CENTRAL AFRICA HAS ALSO DECLARED THE SUPPORT OF ALL MEMBERS FOR THE FRENCH INITIATIVE. DURING THE FRANCOPHONE COUNTRIES MEETING IN LIBERVILLE ONLY SENEGAL HAS STATED THEIR READINESS TO JOIN THE FRENCH AND OTHERS WANT THEIR TROOPS TO BE SENT AS A PART OF UNAMIR. THE BOURGMESTER OF KIGALI HAS WELCOME THE FRENCH INTERVENTION. HE HAS CALLED THE LOCAL POPULATION AT GISENYI TO CONTRIBUTE MONEY TO EQUIP AND TRAIN THE MILITIA. THE RWANDAN STUDENTS FRONT LEAGUE SUPPORTS THE FRENCH INTERVENTION AND ASKED THE GOVERNMENT TO CONTINUE THE CIVIL DEFENSE PROGRAM. CARDINAL ECCHGERA VISITED RPF ZONE THROUGH UGANDAN BORDER. HE WAS WELCOMED BY THE PRESIDENT OF THE RPF IN BYUMBA. THOUSANDS OF TUTSIS DEMONSTRATED AGAINST THE FRENCH PRESENCE IN RWANDA. THE RPF POLITICAL LEADERSHIP CONTINUES TO SAY THAT ANY ATTEMPT BY THE FRENCH TO HALT THEIR ADVANCE WILL BE MET WITH FORCE. FRENCH DEFENCE MINISTER AND MINISTER OF HUMANITARIAN ACTION INSPECTED THE FRENCH TROOPS IN ZAIRE. THEY ALSO VISITED THE REFUGEE CAMPS OF NYARUSHISHI AND KIRAMBO. 01 JUL 94 WAS OBSERVED AS RWANDA INDEPENDENCE DAY. PEOPLE EXPECTED PRESENCE OF THE MEMBERS OF THE GOVERNMENT IN KIGALI FOR THE CELEBRATION. THE FRENCH PM WAS REPORTED TO BE IN SOUTH AFRICA WHERE HE REQUESTED SOUTH AFRICA TO SUPPORT THE OPERATION TURQUOISE. THE POLITICAL SITUATION IN BURUNDI OBSERVED TO BE DETERIORATED. PRESIDENT MUSEVENI OF UGANDA HAS STATED THAT THE RWANDESE PROBLEM HAS TO SOLVED BY THE RWANDESE THEMSELVES.

3. MILITARY.

A. TACTICAL ACTIVITIES

(1) RPF. RPF CONTINUED THEIR PRESSURE ON RGF POCKETS OF RESISTANCE IN KYCHIRU, GIKONDO, VILLAGE URUGWIRO, NYAMIRAMBO AND THE CITY CENTRE THROUGHOUT THE WEEK WITH ARTY/MORTAR, HMG AND SAs FIRE. THEY ALSO REINFORCED THEIR TROOPS INTO KIGALI FROM THE NORTH. INFORMATION REVEALS THAT RPF HAD A CLASH WITH FRENCH TROOPS AROUND BUTARE. ON EARLY MORNING OF 3 JULY 94 RPF LAUNCHED A MAJOR OFFENSIVE ON RGF POSITIONS IN CAMP KYCHIRU AND KIMIHURURA. THEY KEPT ON POUNDING ON RGF POSITIONS ON MONT KIGALI AND KYCHIRU GENDARMERIE CAMP THROUGH OUT THE DAY. ON NIGHT 3 JULY 94 RGF VACATED ALL OF THEIR POSITIONS FROM KIGALI CITY LEAVING BEHIND ARMS, AMMUNITION, VEHICLES AND OTHER EQUIPMENTS. RPF HAVE SUGGESTED AN IMMEDIATE DEPLOYMENT OF UNAMIR ARMED CONTINGENTS TO REPLACE THE FRENCH TROOPS IN ORDER TO AVOID ANY CONFORMATION WITH THE FRENCH. IT WAS SUSPECTED THAT RPF MAY ANNOUNCE A GOVT SOON IN VIEW OF THE MILITARY VICTORY IN KIGALI. THEY HAVE ALSO LIFTED THE RESTRICTION WHICH WAS IMPOSED ON THE MOVEMENT OF UNMOs DURING THE KIGALI BATTLE. THEIR ADVANCE WESTWARD IN THE SOUTH STALLED 10 KMs SHORT OF GIKONGORO TO AVOID UNNECESSARY CONFRONTATION WITH THE FRENCH TROOPS DEPLOYED IN THAT AREA. NO MAJOR CHANGES IN DISPOSITION HAVE BEEN REPORTED IN THE NORTH. THEIR

MORALE IS HIGH IN VIEW OF THEIR MILITARY VICTORY.

(2) **RGF.** RGF CONTINUED TO RETALIATE TO RPF FIRES WITH LIGHT MORTARS, RMG AND SAS FIRE. THEY WERE OBSERVED TO BE TIRED AND FRUSTRATED DUE TO LACK OF FOOD, CLOTHING, BEER AND OTHER WAR SUPPLIERS. RGF HAVE UNDERSTOOD THAT FRENCH TROOPS ARE NOT COMING TO KIGALI TO RESCUE THEM. HOWEVER THEY CONTINUED TO FIGHT BACK FROM THEIR POSITIONS WITH LESS HOPE OF VICTORY. RGF SUSTAINED A LOT OF CASUALTIES IN THE BATTLE OF CAMP KACYIRO. ON THE NIGHT OF 03 JULY 94 RGF HAVE PULLED OUT FROM THEIR POSITIONS IN KIGALI. THEY ARE NOW REPORTED TO BE LOCATED AT 20 KMs NORTH WEST OF KIGALI. THEIR MORALE IS ABSOLUTELY SHATTERED DUE TO THE SERIES OF DEFEAT IN ALL THE FRONTS. DURING THEIR WITHDRAWAL FROM KIGALI THEY LEFT EVERY THING BEHIND INCLUDING ARMS, AMMUNITION AND VEHICLES. COS RGF IS REPORTED TO BE IN GISENYI.

THURSDAY 7 JULY
SITUATION REPORT # 42

UNICEF reported that it seems that the RPF is gathering civilians into camps. Two weeks ago there were about 37 camps under RPF control. The number may be larger now. Population movements are still taking place.

UNREO Goma was officially opened on 5 July. UNREO Goma reported that:
- on 30 June the coalition forces evacuated 94 persons from Gisoro to Goma in 5 helicopters. 500 sick people stayed behind under the protection of the coalition force.
- an estimated 8-10,000 people have been killed in the Kibuye area in the last few months.
- a joint UN/NGO/coalition force assessment of south-west Rwanda is proposed by the coalition force
- UNREO visited Bisesero (near Kibuye). There are 940 people, of which 400 are children. They are under the protection of the coalition force. Food and medical assistance is needed.
- Kibuye hospital was visited by UNREO. Water and electricity are both functioning. Dephaki NGO runs the hospital. There are an average of 80 patients a day. Immediate needs include local staff, drugs and medical supplies.
- the Technical School in Kibuye has the capacity to hold 8-10,000 people. The Agricultural School has the capacity to hold 10-12,000 people. Water and electricity are available at both locations.
- there is a large concentration of people in the Kiyumba region (approximately 300,000) who are moving towards Gisenyi.
- UNICEF has opened an office in Goma.

A joint UN/NGO team, led by UNREO, left from Bujumbura yesterday to do an assessment of the area between Cyangugu and Gikongoro.

WFP Bujumbura reported that:
- fighting is taking place in the countryside outside Ngozi. CRS has been unable to deliver food to four camps in the last few days.
- two thousand new beneficiaries have been assisted with food in Bujumbura during the last week following recent insecurity.
- approximately 1,000 refugees are arriving daily from Rwanda in Burundi. They are entering transit camps in the north west provinces of Kirundo and Muyinga.

all aid agencies are facing the problem of a shortage of trucks in Burundi. Trucking companies and drivers are not willing to enter southern Rwanda.

ICRC is beginning a survey from Goma of the Xibuye-Gitarama area.

FROM: UNAMIR, KIGALI.

SITREP COVERING PERIOD 051800B JULY TO 060600B JULY 94.

1. GEN SITUATION. THERE IS NO CHANGE OF SITUATION IN KIGALI. ENTIRE CITY IS UNDER CONTROL OF RPF TROOPS. INFLUX OF FORMER TUTSI INHABITANTS OF KIGALI STARTED RETURNING. CIVILIANS IN THE DOWNTOWN NO MORE CARRYING WEAPONS WITH THEM. LIFE OF KIGALI DWELLERS BECOMING MORE STABILIZED. IMAGE OF UNAMIR PERSONNEL IN KIGALI SEEMS TO BE GOOD, HOWEVER UNAMIR PERSONNEL IS STILL NOT ALLOWED TO MOVE IN KIGALI AREA WITH NO RPF ESCORT. RECCE TEAMS OF UNAMIR HUMANITARIAN CELL REPORTED THAT THERE ARE MANY OBSTACLES EVEN ON THE MAIN STREETS WHICH COMPEL THEM TO TAKE BYPASSES. HUMANITARIAN RELIEF ACTIONS ARE MUCH MORE EASIER SINCE RGF TROOPS HAD LEFT KIGALI AND THERE IS NO FIGHTING ANY MORE. INCREASING NO OF PEOPLE IN KIGALI CREATING LOGISTIC PROBLEMS FOR NGOs. MANY FORMER INHABITANTS, IMMEDIATELY AFTER COMING BACK TO THEIR HOUSES, BEGAN REPAIRING THEIR HOUSES. KIA IS GOING TO BE OPENED ON 8 JULY 94. FC LEFT FOR GOMA TODAY TO COORDINATE UNAMIR'S ACTIVITY WITH THE FRENCH COMMANDER. RGF IS NOW HAVING THEIR FRONT LINE 20 KMs NW OF KIGALI.

2. POLITICAL ACTIVITIES. THE PRESIDENT OF REPUBLIC OF RWANDA SAID THAT ONLY ONE WAY TO PEACE IS TO STOP THE WAR FIRST AND THEN UGANDAN FORCES LEAVE RWANDA. ABOUT 5,000 PEOPLE HAVE DEMONSTRATED IN THE TOWN AGAINST THE BELGIAN PARTICIPATION IN OPERATION TURQUOISE AND UNAMIR. ACCORDING TO JOURNALISTS' STATEMENT BELGIAN GOVERNMENT HAVE EVER BEEN CLEARED BY INTERIM GOVERNMENT. RGF TRIES TO JUSTIFY ITS ATTITUDE AGAINST UNAMIR DISSEMINATING FALSE INFORMATION ABOUT ALLEGED HELP FROM UNAMIR TO RPF. RPF IS LIKELY TO ANNOUNCE UNILATERAL CHASE-FIRE AND INTEND TO FORM TRANSITIONAL GOVERNMENT ACCORDING TO THE ARUSHA PEACE ACCORD. RPF COMMANDER ACCEPTED HUMANITARIAN ZONE IN RWANDA.

3. FACTIONAL ACTIVITIES.

WEDNESDAY 6 JULY
WEEKLY SITUATION REPORT # 41

SECURITY

On 28 June a journalist was shot in the leg at the Meridion Hotel. He was evacuated to Nairobi.

The UN/NGO Advance Humanitarian Team in Kigali reported on 30 June that mortars hit the market in Kigali, killing three and injuring seven civilians. On the same day a shell hit the Eglise Pentecostal killing two persons, half an hour before the AHT arrived to deliver food. On 2 July a mortar hit Kigali market killing 16 and injuring 20 people.

The UN/NGO Advance Humanitarian Team in Kigali reported on 4 July that Kigali and Butare fell to the RPF. Many people fled together with the Government troops from Kigali. The city centre is almost deserted. UNREO Bujumbura reported that an MSF-B vehicle was shot at by an RGF helicopter in the Rilima area. Fortunately no one was injured.

UNICEF Bujumbura reported that the overall situation in Burundi remains "tense and difficult". A pirate radio station has begun broadcasting in Burundi in Kirundi and French about three times a week. The broadcasts seem to be aimed at inflaming majority Hutu sentiments against minority Tutsi.

DISASTER MANAGEMENT TEAM ACTIVITIES

The Special Representative of the UN Secretary General for Rwanda, Mohammed Shahryar Khan, is on his way to Kigali.

The UNAMIR Force Commander met with the UN Humanitarian Coordinator for Rwanda and UN Heads of Agencies on 30 June. They stressed the following points:
- although the full impact of the French presence/intervention cannot be fully ascertained at the moment, the immediate effect is a an improvement of overall operations.
- UNAMIR troops from Australia and Canada, as well as equipment, will start arriving next week. This will boost UNAMIR's operational capacity.
- there is a need for UNICEF, as lead UN agency for children, to give guidance regarding unaccompanied children. This will involve assisting the children and developing a strategy for assessing the situation.

A meeting between the UN Humanitarian Coordinator for Rwanda, the Force Commander for UNAMIR, the Coalition Force Commander and the Head of the Humanitarian Cell taking part in "Operation Turquoise" took place in Goma (Zaire) on 30 June.

POPULATION MOVEMENTS

The UN/NGO Advance Humanitarian Team updated the figures for displaced centres in Kigali as follows:

- Kanombe Airport	760	
- Amohoro Stadium	3550	
- King Faisal Hospital	1650	
- Hotel Meridien	200	
- Kabuga	4000	(RPF estimate)
Ndera	15000	(RPF estimate, includes 189 orphans)
- Ste Famille	5000	
- Ste Michele	300	
- Tanzanian Embassy	600	
- Commune Nyarugenge	120	(including 70 children)
- Eglise Pentecostal	480	(including 120 children)
- Chinese Roadworks	300	(including 170 children)
- Felicien Kabuga	200	(status unknown, not accessible)
- ADRA	50	(distributions via Ste Michele)
- Sisters of Charity	300	
- Mille Collines Hotel	90	
- Gisimba Orphanage	350	(distributions via Ste Michele)
- Trafipro	500	(status unknown - not accessible)
- Centre Med	100	(status unknown - not accessible)

There are plans to prepare a displaced camp at the Kigali Golf Course (at the rear of King Faisal Hospital). People will be transferred to this camp from King Faisal Hospital, Amohoro Stadium and Kanombe Airport. This camp will accommodate approximately 15,000 people.

ICRC reported that a mission travelled from Cyangugu to Kibuye to Musange to Gikongoro and back to Cyangugu again. They were accompanied by guides from each of the districts they travelled in. The Kibuye Prefect was not cooperative and as a result the team was unable to assess the situation in and around Kibuye. There were a lot of checkpoints, but none were manned by militia. Between Gikongoro and Cyangugu there was only one check point. There are approximately 120 French soldiers guarding Cyangugu camp (8,000 displaced persons). ICRC made the following estimates regarding the displaced population in the areas they travelled in:

Gikongoro Prefecture (estimated 250,000 people)

Musange (sub-prefecture Kaduha)	50,000
Karambo/Kaduha	23,500
Rugazi/Nyamiyaga	13,500
Musebeya	10,000
Muko	10,300
Rukondo commune	36,000

Sanza	5,000	
Bwakira	2,000	(which is increasing daily)
Rwamatanu and Gishyita	2,000	

Sanza, 60 km from Kibuye, was the only place ICRC idontified that has critical and immediate needs. Up until the ICRC food delivery to Sanza on 29 June, the 5,000 displaced persons had not received food for two months and the majority of the population is severely malnourished. Otherwise the whole region needs food, domestic items, medical supplies, and water and sanitation facilities. The following NGOs are working in the region : ICRC (medical and food), CRS/ Caritas (food), TROCAIRE (medical) and Rwandan Red Cross (medical and domestic items).

UNREO Bujumbura reported that there are 100,000 people living in and around Butare, of which approximately 50,000 are moving southward and approximately 5,000 toward Gikongoro. UNHCR has established transit sites close to the border, in anticipation of an influx of refugees in Burundi.

UNHCR reported that they visited Mubumbano (10 km of Butare) where there is an estimated 150,000 displaced persons and 3-5,000 Burundi refugees. The Burundi refugees have expressed a wish to repatriate to Burundi.

UNHCR has held meetings with governors, army and gendarmerie commanders in Burundi to guarantee the safe entry of all asylum seekers, look for additional sites and establish coordination mechanisms.

UNREO Bujumbura reported that 600 children were evacuated from Butare to Burundi on 3 July by Terre des Hommes. They were escorted by French troops.

MSF Goma (Zaire) reported that about 1000 Tutsis have crossed the border in the last few days.

A UNICEF supported assessment team has been travelling through Karagwe district, Tanzania, visiting villages which have hosted refugees, to assess the impact on the local population.

LOGISTICS AND ACCESS

Following the fall of Kigali to the RPF, the UN/NGO AHT was able to visit areas which have been unaccessible for six weeks. They visited the WFP and CRS warehouses. Six weeks ago there was between 10-12,000 tonnes of food in these warehouses, today only 1,200 tonnes are left. The water supply will be turned on in Kigali today.

A Solidarite/UNICEF/CRS convoy drove to Butare on 3 July. 9 of the 11 trucks were stopped outside Butare where they spent the night. On 4 July 7 trucks were able to leave for Gikongoro.

WFP Burundi has 500 MT of commodities ready to leave for Butare as soon as the necessary clearances have been obtained and the security situation in the area is favourable.

WFP reported that there is a problem with the port authorities in Bujumbura not allowing WFP to build up a reasonable buffer stock for Burundi. There is a shortage of trucks in Burundi.

UNICEF reported that 40,000 blankets were delivered to Bujumbura.

The UN/NGO Advanced Humanitarian Team in Kigali reported that the communities at Ndera, Kabuga and Amohoro Stadium have teachers who would like to re-establish schools. Education kits are needed.

UNICEF and UNESCO are finalizing the translation of education kits, which should be ready for testing in Ngara, Tanzania soon.

HEALTH

UNICEF reported that the vaccination campaign in Kigali has covered the Kigali airport, Amohoro Stadium, King Faisal Hospital and Ndera as follows: Measles (0-5 years) = 726; (5-15 years) = 1317; Tetanus Toxoid (mothers/guardians) =719; (in-patients)=96.

MSF reported that they are sending two more people to Kigali. MSF will now have 15 staff members in Kigali who will work at King Faisal Hospital, Amahoro Stadium and ICRC hospital. The ICRC hospital is very overcrowded with 100-150 people arriving per day. The King Faisal Hospital water and electricity supply works twenty four hours a day. There are 300 patients in King Faisal Hospital.

The UNICEF/WHO/RPF needs assessment in RPF controlled areas has completed its data collection. Eight of the RPF controlled camps were visited: Ruhango, Nyamata, Rwanagana, Kayonza, Rutare, Ngarama, Tabagwe and Kidaho. Prelimary findings revealed the following:
- the situation is very fluid - Ruhango camp is currently being evacuated by the RPF with people being moved to Nyamata.
- the percentage of women, elderly men and children in the camps is very high. In Ruhango 95% of the population is female. There is a low percentage of under fives, suggesting high mortality rates among young children.
- the Mother and Child Health (MCH) system has collapsed. Drugs and equipment are in short supply. The major causes of mortality and morbidity in southern Rwanda are malaria, malnutrition, and diarrhoeal diseases. In the northern highlands, acute respiratory diseases are common. War wounds are rarely seen outside the limited health facilities; this is probably due to high mortalities among the wounded.
- protein-energy malnutrition is widespread, especially in Ruhango and Rwamagana. At least 3,800 children are in need of therapeutic feeding and another 9,200 people need supplementary feeding in the camps visited. A large number of breastfeeding mothers require supplementary feeding.
- although most of the sources provide good quality water, shortages of clean water still exist. Some areas have water supply systems, but they require maintenance due to damage and neglect.

17

- although the whole population is affected by the violence seen in the last few months, children are especially vulnerable to psycho-social trauma. There are nearly 12,000 unaccompanied children in orphanages or foster homes in seven of the eight camps visited.
- the vast majority of people have lost a family member, and/or had their homes and possessions destroyed.

WHO reported that the cluster survey that was carried out by the above mentioned UNICEF/ WHO/ RPF needs assessment team using a questionnaire to assess demographics, health facilities, services and care delivery revealed the following results:
- Malnutrition amongst under fives was assessed as follows: Ruhango = 20% acute and 55% moderate malnutrition, Rwanagama = 15% acute and 40% moderate malnutrition, Rutare = 13% acute and 46% moderate malnutrition, Kidaho = 13% acute and 26% moderate malnutrition.
- Malaria is the major cause of hospital visits in all areas.
- Dysentery is a large health problem in Ruhango and Kidaho, but no records were available.
- Acute respiratory infections are widespread in highland areas and in Ruhango. Drugs are needed for curing malaria and dysentery.

UNICEF reported that as of 29 June, the number of children in orphanages in RPF controlled territory was 3,855. Another 10,000 unaccompanied children have been identified. With so many unaccompanied children under the age of five, identifying family members is a daunting challenge. A draft registration and documentation form for unaccompanied children has been prepared by UNICEF and SCF-UK. The RPF will test it in the next couple of weeks. Feeding guidelines for young children are being prepared by UNICEF; this is because some emergency food stuffs are not suitable for childrens' dietary needs. A UNICEF specialist will conduct training workshops in mid July for NGO staff and RPF personnel on strategies and interventions to address the needs of unaccompanied children in northern Rwanda and Ngara, Tanzania. Another UNICEF specialist will travel to Kigali to assess the situation of unaccompanied children.

UNREO Kabale reported that a Food and Nutrition meeting was held in Kabale. The following UN Agencies and NGOs reported that:
- WFP is doing a general food distribution (for approximately 100,000) in the northeast, especially in the Kayunza.
- UNICEF is supporting NGOs with supplementary and therapeutic feeding. They are interested in setting guidelines for nutritional needs, so they can estimate the needs for the next six months with regards to supplementary and therapeutic feeding. They are particularly worried about the people in Ruhango area where there are severe food needs. Tabagwe's food situation is expected to deteriorate in the next few weeks.
- MDM is working at the Gahini hospital. They are beginning supplementary feeding for the children in the hospital, as well as unaccompanied children and pregnant and lactating mothers.
- PSF is donating 10 tonnes of Unimix to NGOs.
- SCF is working in five districts in the Byumba region. A nutritionist is due to arrive soon to start nutritional surveys.
- GOAL is working at Mukarange and have a nutritional unit serving 54 children.
- ZOA/MEDAIR are supplying food in the Gitarama area.

6/7

- CARE reported that people in the Ruhango area are harvesting the crops.
- OXFAM are working in Rutare.
- Samaritans's Purse is planning to do a nutritional survey in the next couple of weeks.

UNREO Kabale reported that the situation in general is very fluid, with many people moving. In the north, conditions are more stable, with some people being able to forage for food. Water and sanitation remain a large problem. The situation in orphanages is already bad, especially for under-fives, because the food ration is not suitable to them.

ICRC reported that the entire move from Nyanza to Rilima has begun. The first food distribution took place at Sanza on 29 June. Food distributions have taken place at Mukarange (Byumba area) and Butaro area.

TUESDAY 5 JULY
SITUATION REPORT # 40

The Special Representative of the UN Secretary General for Rwanda, Mohammod Shahryar Khan, is on his way to Kigali.

The UN/NGO Advance Humanitarian Team in Kigali reported that Kigali and Butare fell to the RPF yesterday. The RGF retreated and there were no casualties.

UNREO Bujumbura reported that:
- an MSF-B vehicle was shot at by an RGF helicopter in the Rilima area. Fortunately no one was injured.
- a Solidarite/UNICEF/CRS convoy drove to Butare on Sunday.
- 9 trucks were stopped outside Butare where they spent the night. Yesterday 7 trucks were able to leave for Gikongoro.
- of the 100,000 people living in and around Butare, approximately 50,000 were reported to be going southward and approximately 5,000 toward Gikongoro. UNHCR has established transit sites close to the border, in anticipation of an influx of refugees in Burundi.

UNHCR reported that they visited Mubumbano (10 km of Butare) where there is an estimated 150,000 displaced persons and 3-5,000 Burundi refugees. The Burundi refugees have expressed a wish to repatriate to Burundi. WFP Burundi has 500 MT of commodities ready to leave for Butare as soon as the necessary clearances have been obtained and the security situation in the area is favourable.

UNHCR has held meetings with governors, army and gendarmerie commanders in Burundi to guarantee the safe entry of all asylum seekers, look for additional sites and establish coordination mechanisms.

UNICEF reported that:
- the vaccination campaign in Kigali has covered the Kigali airport, Amahoro Stadium, King Faisal Hospital and Ndera as follows: Measles (0-5 years) = 726; (5-15 years) = 1317; Tetanus Toxoid (mothers/guardians) =719; (in-patients)=96.
- a pirate radio station has begun broadcasting in Burundi in Kirundi and French about three times a week. The broadcasts seem to be aimed at inflaming majority Hutu sentiments against minority Tutsi.
- UNICEF Bujumbura reported that the overall situation in Burundi remains "tense and difficult".
- 40,080 blankets were delivered to Bujumbura.

- UNICEF and UNESCO are finalising the translation of education kits, which should be ready for testing in Ngara, Tanzania soon.
- a UNICEF supported assessment team has been travelling through Karagwe district, Tanzania, visiting villages which have hosted refugees, to assess the impact on the local population.
- as of 29 June, the number of children in orphanages in RPF controlled territory was 3,055. Another 10,000 unaccompanied children have been identified. With so many unaccompanied children under the age of five, identifying family members is a daunting challenge. A draft registration and documentation form for unaccompanied children was prepared by UNICEF and SCF-UK. The RPF will test it in the next couple of weeks. Feeding guidelines for young children are being prepared by UNICEF; this is because some emergency food stuffs are not suitable for childrens' dietary needs. A UNICEF consultant will conduct training workshops in mid July for NGO staff and RPF personnel on strategies and interventions to address the needs of unaccompanied children in northern Rwanda and Ngara, Tanzania.
- a UNICEF specialist on unaccompanied and traumatized children, will arrive in Nairobi today. He will travel to Kigali to assess the situation of unaccompanied children.

WHO reported that a cluster survey was carried out by an RPF/UNICEF/ WHO team using a questionnaire to assess demographics, health facilities, services and care delivery. Eight camps were visited, including 9 health facilities at Ruhango, Nyamata, Rwanagama, Kuyanza, Rutare, Ngarama, Tabagwe and Kidaho. Malnutrition amongst under fives was assessed as follows: Ruhango = 20% acute and 55% moderate malnutrition, Rwanagama = 15% acute and 40% moderate malnutrition, Rutare = 13% acute and 48% moderate malnutrition, Kidaho = 13% acute and 26% moderate malnutrition. Malaria is the major cause of hospital visits in all areas. Dysentery is a large health problem in Ruhango and Kidaho, but no records were available. Acute respiratory infections are widespread in highland areas and in Ruhango. Drugs are needed for curing malaria and dysentery.

1. GEN SITUATION THE GEN SITUATION WAS QUIET IN KIGALI. THERE WERE NO EXCHANGE OF FIRE BETWEEN THE TWO FACTIONS IN KIGALI CITY HOWEVER SOME SPORADIC FIRE WERE HEARD IN THE OUTSKIRTS OF THE CITY. AFTER THE WITHDRAWAL OF RGF TROOPS FROM THEIR POSITIONS IN KIGALI CITY IT IS NOW BELIEVED THAT KIGALI CITY IS UNDER FULL CONTROL OF RPF. SINCE RPF HAVE IMPOSED RESTRICTIONS ON UNMOs MOVE IN TO KIGALI CITY, SITUATION IN KIGALI IS NOT YET CLEAR TO US. IT IS ALSO REPORTED THAT RPF HAVE ALSO CAPTURED BUTARE IN THE SOUTH. THE NEW SRSG HAS STARTED HIS ACTIVITIES WITH UNAMIR. HE WILL BE BRIEFED BY FC, CHIEF OF OPERATIONS, HAC AND OTHER BRANCH HEADS ON VARIOUS ASPECTS OF UNAMIR ACTIVITIES LATER THIS MORNING. THE NORMAL ESCORT CONVOY LEFT FOR KAGITUMBA THIS MORNING WITH PERSONNEL PROCEEDING TO NAIROBI VIA ENTEBBE. DFC LEFT FOR NAIROBI FOR ONWARD MOVE TO GHANA ON A SHORT LEAVE. A PLATOON FROM GHANIAN BATTALION LEFT FOR UGANDA TO ESTABLISH A TRANSIT CAMP AT ENTEBBE AIRPORT.

2. POLITICAL ACTIVITIES. THE SPOKESMAN FROM THE FRENCH FOREIGN MINISTRY HAS STATED THAT OPERATION " TURQUISE" DID NOT NEED THE APPROVAL OF THE SECURITY COUNCIL TO ESTABLISH THE "SAFE HEAVEN" AREAS IN THE WESTERN PART OF RWANDA. THOSE AREAS WILL BE ESTABLISHED IN THE FRAMEWORK OF THE RESOLUTION 918 OF THE SECURITY COUNCIL.

3. FACTIONAL ACTIVITIES.

A. RPF. IT IS NOW CLEAR THAT KIGALI IS NOW UNDER THE FULL CONTROL OF THE RPF. THE FORCES APPARENTLY TAKEN OVER THE CITY YESTERDAY AFTER DISLODGING THE RGF FROM THEIR REMAINING POSITIONS. INFORMATION ALSO REVEALED THAT RPF HAVE ALSO CAPTURED BUTARE IN THE SOUTH OF THE COUNTRY. REPORTS ARE CIRCULATING WIDELY OF RPF,S INTENTION TO ANNOUNCE A PROVISIONAL GOVERNMENT. HOWEVER THIS INFORMATION HAS NOT BEEN CONFIRMED OFFICIALLY BY THE RPF. NO CHANGES IN DISPOSITION AROUND RUHENGERI.

B. RGF. AFTER THE PULL OUT OF TROOPS FROM THEIR POSITIONS IN KIGALI OVERNIGHT THEY ARE NOW REPORTED TO BE LOCATED AT 20 KMs NORTH OF KIGALI AND INTEND TO MOVE FURTHER NORTH TOWARDS RUHENGERI. THEIR INTENTION FOR THE FUTURE BATTLE IS NOT CLEAR AT THIS MOMENT AS UNAMIR COULD NOT ESTABLISH ANY CONTACT WITH THE RGF MILITARY COMMANDERS. NO CHANGES HAVE BEEN REPORTED IN THEIR DISPOSITIONS IN THE NORTH.

C. MILITIA. ELEMENTS LEFT THE CITY OVERNIGHT AND MANY OF THEM ARE ARRESTED BY THE RPF.

SITUATION REPORT # 39

The following was reported from Kigali:
- on 2 July a mortar hit Kigali market which killed 16 and injured 20 people. This is the second such incident in the space of three days. People are no longer going to the market, and the food supply in Kigali is getting very low.
- transfer of displaced persons remained suspended due to insecurity.
- the Humanitarian Assistance Cell of UNAMIR went to visit "Notre Dame de Citeaux". They found 120 people of which 60 are children.
- the AHT delivered food to the Pentecostal Church and the Chinese Public Works Buildings on 30 June.
ICRC transferred 53 wounded persons under UNAMIR protection on 30 June.

UNREO Kabale reported that a Food and Nutrition meeting was held in Kabale. The following UN Agencies and NGOs reported that:
- WFP is doing a general food distribution (for approximately 100,000) in the northeast, especially in the Kayumba.
- UNICEF is supporting NGOs with supplementary and therapeutic feeding. They are interested in setting guidelines for nutritional needs, so they can estimate the needs for the next six months with regards to supplementary and therapeutic feeding. They are particularly worried about the people in Ruhango area where there are severe food needs. Tabagwe's food situation is expected to deteriorate in the next few weeks.
- MDM is working at the Gahini hospital. They are beginning supplementary feeding for the children in the hospital, as well as unaccompanied children and pregnant and lactating mothers.
- PSF is donating 10 tonnes of Unimix to NGOs.
- SCF is working in five districts in the Byumba region. A nutritionist is due to arrive soon to start nutritional surveys.
- GOAL is working at Mukarange and have a nutritional unit serving 54 children.
ZOA/MEDAIR are supplying food in the Gitarama area.
- CARE reported that people in the Ruhango area are harvesting the crops.
- OXFAM are working in Rutare.
Samaritans's Purse is planning to do a nutritional survey in the next couple of weeks.
- UNREO Kabale reported that the situation in general is very fluid, with many people moving. In the north, conditions are more stable, with

some people being able to forage for food. Water and sanitation remain a large problem. The situation in orphanages is already bad, especially for under-fives, because the food ration is not suitable to them. ICRC reported that the entire move from Nyanza to Rilima has begun. The first food distribution took place at Ganza on 29 June. Food distributions have taken place at Mukarange (Byumba area) and Butaro area.

FROM: UNAMIR, KIGALI.

SITREP COVERING PERIOD 0406000B JULY TO 0412000B JULY 94.

1. GEN SITUATION. THE SITUATION REMAINED TENSE ALL DAY. SINCE EARLY THIS MORNING, EVENTS MOVED VERY RAPIDLY WITH THE RPF TAKING CONTROL OF THE CITY BY MID MORNING AFTER THE WITHDRAWAL OF RGF TROOPS FROM THEIR POSITIONS OVERNIGHT. IT APPEARED BY THE AFTERNOON THAT THE RPF HAD ACTUALLY TAKEN UP POSITIONS ALONG A LINE DRAWN FROM ST MICHELLE CATHEDRAL ALONG KAJANGUE STREET TO THE VALLEY OF RUGEN VIA THE O.A.U. BOULEVARD. OWING TO RESTRICTIONS IMPOSED BY THE RPF, UNMOs COULD NOT ENTER THE CITY CENTER. THE RPF IS ALSO REPORTED TO BE CONDUCTING A HOUSE TO HOUSE CLEARING EXERCISE IN THE CITY CENTER. IT IS REPORTED THAT THE RPF HAS ALSO CAPTURED BUTARE IN THE SOUTH. THE NEW SRSG ARRIVED THIS AFTERNOON FROM NAIROBI. HE INSPECTED A GUARD OF HONOUR MOUNTED BY A DETACHMENT OF THE GHANA BATTALION. HE ALSO PRESENTED UNAMIR MEDALS TO SOME OFFICERS AND MEN AT A SHORT CEREMONY AFTER INSPECTING THE GUARD OF HONOUR.

2. POLITICAL ACTIVITIES. THE INTERIM GOVT ANNOUNCED THAT THE NEW ASSEMBLY TO BE MADE UP 70 MEMBERS WILL ONLY BE TEMPORARY. THEY FURTHER STATED THAT ALL THE PARTIES WERE REPRESENTED EXCEPT THE RPF.

3. FACTIONAL ACTIVITIES.

A. RPF. THE RPF TOOK CONTROL OF KIGALI CITY AND BUTARE EARLY THIS MORNING AFTER FOUR DAYS OF INTENSIVE EXCHANGES WITH THE RPF. THE RPF IS PROTESTING AGAINST THE FRENCH DECISION TO RESTRICT THEM FORWARD OF THE LINE GIKONDORO, KIBUYE, AND GISENYI. THEY SUSPECT THAT THE FRENCH ACTION IS DELIBERATE AND LIKELY TO INCREASE FRICTION BETWEEN THE TWO FACTIONS WHICH THEY INTERPRET AS AN ACTION TO HELP THE RGF. THE RPF IS THEREFORE SUGGESTING AN IMMEDIATE DEPLOYMENT OF UNAMIR ARMED CONTINGENTS TO REPLACE THE FRENCH TROOPS IN ORDER TO AVERT ANY CONFRONTATIONS WITH THE FRENCH. IT IS SUSPECTED THAT THE RPF MAY ANNOUNCE A GOVT SOON IN VIEW OF THE MILITARY VICTORY IN KIGALI. THEY HAVE ALSO STATED THAT THE RESTRICTIONS ON THE MOVEMENT OF UNMOs IN THE MULINDI AREA WILL BE LIFTED SOON. NO MAJOR CHANGES IN DISPOSITIONS HAVE BEEN REPORTED IN THE NORTH. THEIR MORALE IS HIGH IN VIEW OF THEIR MILITARY SUCCESSES.

B. RGF. THE RGF TROOPS PULLED OUT FROM THEIR POSITIONS IN KIGALI OVERNIGHT. NO CHANGES ARE REPORTED IN THEIR DISPOSITIONS IN THE NORTH. IN THE SOUTH THEY ARE REPORTED TO BE FLEEING AHEAD OF THE RPF ADVANCE TOWARDS THE BORDER WITH ZAIRE. THE COS IS REPORTED TO BE IN GISENYI.

C. MILITIA. ELEMENTS LEFT THE CITY OVERNIGHT.

4. **CMD MILITARY ACTIVITIES.**

A. **FORCE HQ.** NORMAL ROUTINE STAFF WORK WAS CONDUCTED DURING THE PERIOD. PREPARATIONS FOR THE EXPANDED UNAMIR FORCE CONTINUED. THE FC HELD A MEETING WITH THE SENIOR STAFF OFFICERS AT 1200 HRS TO DISCUSS THE NEW DEVELOPMENTS. THE NEW SRSG MR SHAHRYAR M. KHAN ARRIVED THIS AFTERNOON. HE INSPECTED A GUARD OF HONOUR MOUNTED BY A DETACHMENT OF THE GHANA BATTALION AFTER WHICH HE PRESENTED MEDALS TO SOME OFFICERS AND MEN OF THE FORCE HQ. THE DFC AND CMO VISITED THE TROOPS LOCATED AT KIA AND AMAHORO STADIUM.

B. **UNOMUR.** AREA OF OPERATIONS REMAINED CALM. CONDUCTED ROUTINE PATROLS. FOUR DIFFERENT HUMANITARIAN AGENCIES ENTERED RWANDA FROM UGANDA WITH VARIOUS HUMANITARIAN RELIEF ITEMS FOR DISTRIBUTION IN RPF CONTROLLED AREAS. THREE HELICOPTERS ARE PRESENTLY OPERATIONAL.

C. **GHANBATT.** PROVIDED SECURITY AT KIA, AMAHORO STADIUM AND FORCE HQ. PROTECTION AND HUMANITARIAN ASSISTANCE WAS ALSO GIVEN TO DISPLACED PERSONS LOCATED AT THE KIA AND THE STADIUM. THE BATTALION MEDICAL OFFICER TREATED 62 DISPLACED PERSONS.
