OUTGOING FAX NUMBER:	**DATE:** 30 March 1994
TO: All Chief Administrative Officers Field Missions (See attached distribution list) **ATTN:**	**FROM:** Amir A. Dossal Chief Field Finance and Budget Section UNHQ NEW YORK
FAX NUMBER:	**FAX NUMBER:** (212) 963 0642
NUMBER OF TRANSMITTED PAGES: 1/3	**FILE REFERENCE:** FIN/MISC/94-126
SUBJECT: Raising end of Financial Period Obligations	

1. Many of the special peace-keeping missions have short mandate periods as well as short financial periods, for which approval for financing very often occurs towards the end of the financial period. On the other hand, proposals for expenditures from conception to completion often take a considerably long period of time. In the circumstances, resorting to MODs' represents the only modus operandi available to ensure continuity in the process of supplying essential goods, including capital equipment items and services to peace-keeping missions. Otherwise, the organization would find itself in a position of having to replenish these funds without having recourse to these resource requirements in the future.

2. In this connection, it has become necessary, at this time, to resort to the arrangements outlined in the preceding paragraph, for the following reasons:

Drafted/Cleared by: JHA/mem	Authorized by: Amir A. Dossal

MSF 1850-03

a) The General Assembly only decided on 5 March 1994, to approve the financing of special peace-keeping missions up to 31 March 1994, including: UNPROFOR, ONUMOZ, and UNOSOM. The funds made available include capital equipment items requiring substantial lead time in the establishment of purchase orders;

b) Due to a back-log in the processing of requisitions by the Headquarters Committee on Contracts (HCC), considerable delays are being experienced by a number of special peace-keeping missions, including UNPROFOR, whose financial period ends on 31 March 1994 and where a total of some $139,000,000 in requisitions have been raised in the Reality System. A similar situation exists for UNOSOM, ONUMOZ, UNAMIR, UNOMIG and UNOMIL.

3. Accounts Division has been apprised of the situation and has agreed, on an exceptional basis, to accept and record obligations (MODs') from FOD for those special peace-keeping missions whose financial periods end during the months of March, April, May and June 1994, pending the formal issuance of purchase orders.

4. It should be emphasized in this regard that MOD's should not be used to raise estimated- but rather actual obligations and hence, reserve credits in the Accounts, where the proposal for expenditure has been established, but the amount cannot be determined precisely, as the HCC has not been in a position to approve the contracts in question.

5. In view of the above, we would appreciate if you could take the necessary steps to obligate funds, where required, in connection with valid requisitions established or to be established in the Reality System, before the end of the accounting period.

6. I would be grateful if you could provide us with details, in order to enable us to achieve effective financial monitoring.

7. Thank you for your usual kind cooperation in this regard.

INTEROFFICE MEMORANDUM MEMORANDUM INTERIEUR

TO: A: All Chief Administrative Officers at Missions

DATE: 28 March 1994

REFERENCE:

THROUGH: S/C DE: Mr. Kofi Annan, Under-Secretary-General for Peace-keeping Operations

FROM: DE: Christine Dodson, Director of Personnel

SUBJECT: OBJET: Filling of Posts at the D-2 level

1. As you know by ST/SGB/266 of 5 November 1993, the Secretary-General announced the current composition of the Senior Review Group for the filling of posts at the Director (D-2) and higher levels. In light of experience gathered, the Secretary-General at that time also modified the terms and composition of the Group. As a result of this, the Secretary-General has decided that one of the new functions of the Senior Review Group will be to include in its review of the filling of D-2 level posts all such posts in the peace-keeping missions.

2. As a result I would like to enlist your assistance in ensuring that steps in the procedure for filling of these vacancies are adhered to. What is essential is that no prior committments of employment should be made to potential candidates. It is only after the case is reviewed by the Senior Review Group and after we receive the approval of the Secretary-General that any employment committments can be made. I realize that on occasion, Special Representatives of the Secretary-General identify someone and push hard for his/her appointment. I need to depend on you to explain to the Special Representatives of the Secretary-General and/or Heads of missions that these appointments can be made only after the Special Representative of the Secretary-General's recommendation has been reviewed by the Senior Review Group and approved by the Secretary-General.

3. Since the prompt filling of posts at this level is critical to the efficient functioning of any operation, I count on you to make your recommendations to the Department of Peace-keeping Operations and the Office of Human Resources Management as soon as possible.

INTEROFFICE MEMORANDUM

Government House
Jerusalem

29 March 1994

To: FSO Michael Fletcher
UNOMUR, Uganda

From: Suthat Ungsuthornrungsi
Chief Civilian Personnel Officer
UNTSO, Jerusalem

Subject: Lump-sum Option for Travel by Air

Your memorandum of 25 March 1994 on the subject refers.

Please note that before we could process and approve your request for education grant travel for the schoolyear 1994/95, it is imperative that you submit a claim for education grant for the schoolyear 1993/94 in respect of your children Jalanya, Dawn and Marianne. If you have the relevant P.41 and P.45 forms ready, please submit them without further delay along with the *Request for Education Grant Travel* (P.66) form for the schoolyear 1994/95.

As stipulated under *ST/IC/1990/13, para. 13*, by selecting the lump-sum option the staff member agrees to waive all entitlements in respect of that travel as established in the Staff Rules and will, therefore, not be entitled to any further amount for transportation, rest stopovers, terminal expenses, insurance coverage, accompanied excess baggage and unaccompanied shipment or for expenses relating to travel documents and visas for themselves and their eligible dependents. Except for that baggage entitlement normally provided by the carrier, your children will, therefore, not be entitled to any other shipment entitlement in connection with their education grant travel.

Normally the lump-sum option cannot be availed of on a partial basis and one travel authorization (PT.8) will be issued for the staff member and all eligible dependents travelling on home leave. With regard to your and your spouse's home leave travel, however, owing to your geographical location exceptional authorization will be sought from FOD to allow for your separate home leave travels. Additionally, we will also request FOD's authorization for your spouse's home leave travel to commence from Bangkok.

We hope the foregoing explanation has clarified all the points you have raised.

AAA. AS YOU ARE AWARE, EFFECTIVE 1 JUNE 1993, THE AMERICAN INTERNATIONAL UNDERWRITERS (AIU) BECAME THE INSURER FOR THE UN WORLDWIDE VEHICLE THIRD-PARTY LIABILITY INSURANCE POLICY.

BBB. IN THIS REGARD, IT IS ESSENTIAL THAT ALL ORGANIZATIONAL ENTITIES AND OFFICES PARTICIPATING IN THE INSURANCE PROGRAMME SHOULD PROVIDE THE INSURANCE SECTION WITH A VEHICLE FLEET DATA RELATING TO THE FORTHCOMING POLICY YEAR. PLEASE NOTE THAT THIS REQUIRED INFORMATION IS DIFFERENT FROM THE MONTHLY INFORMATION REPORT WHICH WAS REQUESTED AS PER OUR CABLE 6564 OF 10 FEBRUARY 1994 WHICH INCIDENTALLY SHOULD BE CONTINUED TO BE SUBMITTED TO HEADQUARTERS ON A REGULAR MONTHLY BASIS.

CCC. IT SHOULD BE NOTED THAT THE INSURANCE SECTION IS REQUESTING YOU TO PROVIDE THIS ADDITIONAL ANNUAL "CENSUS" INFORMATION INORDER TO DETERMINE:

a) THE TOTAL RISK EXPOSURE, ON A GLOBAL BASIS, THAT THE INSURER IS REQUIRED TO COVER.

b) THE SPECIFIC PREMIUM PAYMENTS TO BE PAID BY EACH ORGANIZATIONAL ENTITY PARTICIPATING IN THE PROGRAMME.

DDD. THE FLEET(S) CENSUS THIS YEAR SHOULD BE CONDUCTED AS OF THE DATE OF 15 MARCH 1994. THE REPORTING REQUIREMENT AT THIS STAGE IS THAT YOU PROVIDE THE FULL COUNT OF VEHICLES IN YOUR FLEET(S) AS OF 15 MARCH UNDER TWO CATEGORIES:

a) LOCATION (THE COUNTRY IN WHICH THE VEHICLES ARE BASED AND/OR OPERATE) AND

b) TYPE OF VEHICLE (IN ACCORDANCE WITH THE CATEGORIES SET OUT IN THE TABLE ATTACHED HERETO).

EEE. THE TERMS AND CONDITIONS WHICH THE INSURANCE SECTION IS SEEKING FOR THE RENEWAL POLICY ARE THE SAME AS THOSE PROVIDED FOR UNDER THE POLICY WHICH WILL EXPIRE ON 1 JUNE 1994. THUS, THE "WORLDWIDE" VEHICLE THIRD-PARTY LIABILITY COMPONENT WILL PROVIDE EXCESS AND DIFFERENCE-IN-CONDITIONS (DIC) COVERAGE FOR VEHICLE FLEETS THROUGHOUT THE WORLD WHICH ARE ALREADY COVERED BY A "PRIMARY LAYER" OF LOCALLY PURCHASED THIRD-PARTY LIABILITY

INSURANCE. NORMALLY,THE THIRD-PARTY LIABILITY INSURANCE TO BE ACQUIRED IN THE COUNTRY OF OPERATION OF THE VEHICLES SHOULD BE IN THE MINIMUM LIMITS CONSISTENT WITH THE LOCAL LAW.

FFF. VEHICLE FLEETS OPERATING IN THE MIDDLE EAST, THE FORMER YUGOSLAVIA, SOMALIA AND CAMBODIA WILL CONTINUE TO BE COVERED ON A "FIRST DOLLAR" BASIS, i.e., WITHOUT THE REQUIREMENT OF HAVING A LOCALLY PURCHASED PRIMARY LAYER OF THIRD-PARTY LIABILITY INSURANCE.

GGG. AS YOU ARE AWARE, APCS ARE PRESENTLY NOT COVERED UNDER THE UN INSURANCE SCHEME. WITH PEACE-KEEPING IN MIND, THERE IS CONCERN TO REALIZE LIABILITY COVERAGE FOR APC'S IN CONNECTION WITH ACCIDENTS ARISING AS A RESULT OF ORDINARY ROAD USE.

HHH. PLEASE BE INFORMED THAT FURTHER COMMUNICATION WILL BE PROVIDED TO YOU AFTER THE RENEWAL OF THE MARKETING AND NEGOTIATIOS PROCESS HAS BEEN CONCLUDED. AT THAT TIME, PERTINENT INFORMATION REGARDING THE NEW SCHEDULE OF PREMIUM RATES, CLAIMS HANDLING PROCEDURES AND ANY OTHER MATTERS WHICH MAY BE RELEVANT TO THE ADMINISTRATION OF THE INSURANCE POLICY FOR THE RENEWAL PERIOD 1 JUNE 1994 TO 1 JUNE 1995 WILL BE PROVIDED. AT THAT TIME ALSO, THE HEADQUARTERS INSURANCE SECTION WILL REQUEST YOU TO FURNISH IT WITH THE SPECIFIC DATA (IDENTIFICATION OF THE VEHICLE MAKE, YEAR OF MANUFACTURE AND REGISTRATION PLATE OR ENGINE NUMBER) PERTAINING TO YOUR FLEET(S) OF VEHICLES AS PER THE 15 MARCH CENSUS.

III. FINALLY, ATTACHED HEREWITH, PLEASE FIND THE COPY OF THE AFORE MENTIONED TABLE WHICH SHOULD BE DULY COMPLETED TO PROVIDE INFORMATION FOR THE WORLDWIDE VEHICLE INSURANCE PROGRAMME ANNUAL FLEET REPORT AS AT 15 MARCH 1994.

JJJ. YOUR COOPERATION IN THIS REGARD WILL BE GREATLY APPRECIATED. BEST REGARDS.

BESTEMD VOOR/TO: SO-Unomur(attn Ltcol Noordsij) d.t.v. Comcen Crisisstaf.

INHOUD/CONTENT:

Referte: Sitrep dd 230394 dtg 2125 1994-03-23.

1. Uw Sitrep is door ons in goede orde ontvangen.

2. In pt.1. "Algemeen" heeft u het over de medewerking van de Angolese overheid. Of u bevindt zich aan de verkeerde zijde van de grens of u heeft (en wij vermoeden dat dat het geval is) de positie-bepaler op z'n kop gehouden.

3. Mogelijk dat u bericht had ontvangen dat Wilfred Rietdijk een poosje in de "militaire mist" is geweest en dat dat voor u aanleiding is geweest om zelf een zoek-actie op te starten. Bij deze stel ik u gerust, hij is boven water en heeft alleen een vliegtuig gemist. Gaarne terug dus naar Oeganda aan de goede zijde van de grens en de positie-bepaler op de goede wijze gebruiken.

4. Vanuit een hectisch Den Haag gegroet en tot ziens.
