

THE SECRETARY-GENERAL

18 July 2007

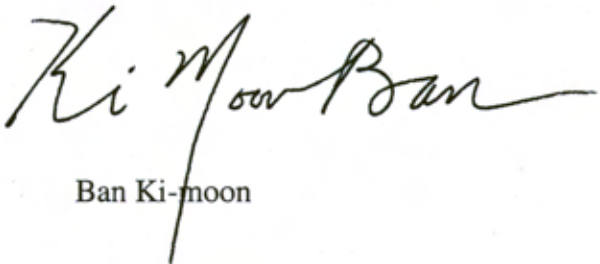

Dear students,

Thank you for your kind letters to me. I am very happy that you visited the United Nations. I hope you enjoyed learning about the history and activities of the Organization.

It is always very encouraging for me to know that young students like yourselves are interested in the United Nations and our work for world peace. You are the hope of the future generation.

Thank you again for sharing your thoughts with me on world peace.

Yours sincerely,

Ban Ki-moon
