Dear Mr. Nambiar,

We are pleased to inform you of a Conference-Luncheon to be held in Brussels on Tuesday 8th September 2009 starting at 12:30 and ending at 14:45.

The introductory address to this Round-Table Conference-Luncheon will be given by **Mr. Robert VERRUE**, Director General for Employment, Social Affairs & Equal Opportunities, **EUROPEAN COMMISSION**.

Mr. Verrue's theme will be:

"European Social Policy in the Era of Globalisation"

We expect corporate members, officials and representatives of the political and diplomatic communities to enrol early for this round-table debate.

If you would like to participate, please complete and return the enclosed enrolment form by fax. We appreciate your understanding that this announcement is personal and not transferable.

Enrolments will be accepted in order of receipt, with priority given to members and supporters of the AECA. Because we adhere strictly to the format of all participants being seated at one single table, the number of places available will be strictly limited.

Please expect to receive a further letter confirming a place and providing final details, including the location.

We hope that you will be able to join us and look forward to welcoming you.

Yours sincerely,

Georges H. de Veirman
