

THE SECRETARY-GENERAL

25 April 2014

Dear Mr. Dangote,

I am pleased to invite you to join the High-Level Steering Committee of the Global Education First Initiative (GEFI), which I launched in September 2012 to strengthen international efforts to achieve quality, relevant and inclusive education for all.

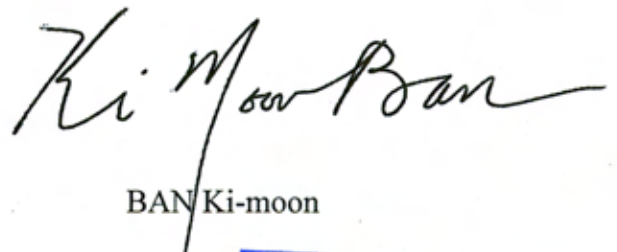

The Initiative aims to ensure that education is at the heart of the social, political and development agendas. Without the knowledge and skills cultivated through learning, it will be more difficult to achieve sustainable development. The Initiative also seeks to promote education that responds to the challenges of the twenty-first century and foster global citizenship.

In just over a year and a half, our efforts under GEFI are making a difference. The level of political commitment to education is rising, and there is deeper awareness of the critical importance of education to sustainable development and economic growth. Accelerated efforts have begun in several countries to expand access and improve the quality of learning. New partnerships to promote education have also been launched.

As a member of the High-Level Committee, you will provide strategic direction on how to take forward this positive momentum. Please find enclosed the vision document for the Initiative. The secretariat of the Initiative will follow up with you on this matter, including an invitation to attend the GEFI High-Level Steering Committee Meeting on 7 May 2014 in Rome, Italy.

I thank you in advance for your leadership and support in reaching our ambitious goal to ensure education truly becomes a universal right for all.

Yours sincerely,

BAN Ki-moon

Mr. Aliko Dangote

April 2014

Dear ICA Network Stakeholder,

We are pleased to provide you with a copy of the 2013 ICA Annual Report. This report has been developed to provide our members, staff and other stakeholders with an overview of our organization and its accomplishments from the past year.

As in past years, this report was produced using environmentally friendly materials which did not add any cost to the report.

This report would not have been possible without the collective efforts of many individuals throughout the global Copper Alliance™.

We hope you find this report to be both informative and useful, and encourage you to share it with your associates. If you would like additional copies, please send an email to steven.kukoda@copperalliance.org.

Thank you for your continued support.

With best regards,

Steven L. Kukoda
