MONEY

Under the German Occupation, the French Government was forced to surrender to the Reich, in the form of money, a vast quantity of gold, silver, and foreign currency, as well as the proceeds of the sale of French property, and the fruits of the exploitation of the French economy.

PROPERTY

The German Occupation of France resulted in the seizure of vast quantities of French property, including land, buildings, and industrial plants, and the expropriation of the assets of the French Government and the French people.

MENTALITY OF THE MILICE

UNDER THE MARK OF THE GESTAPO

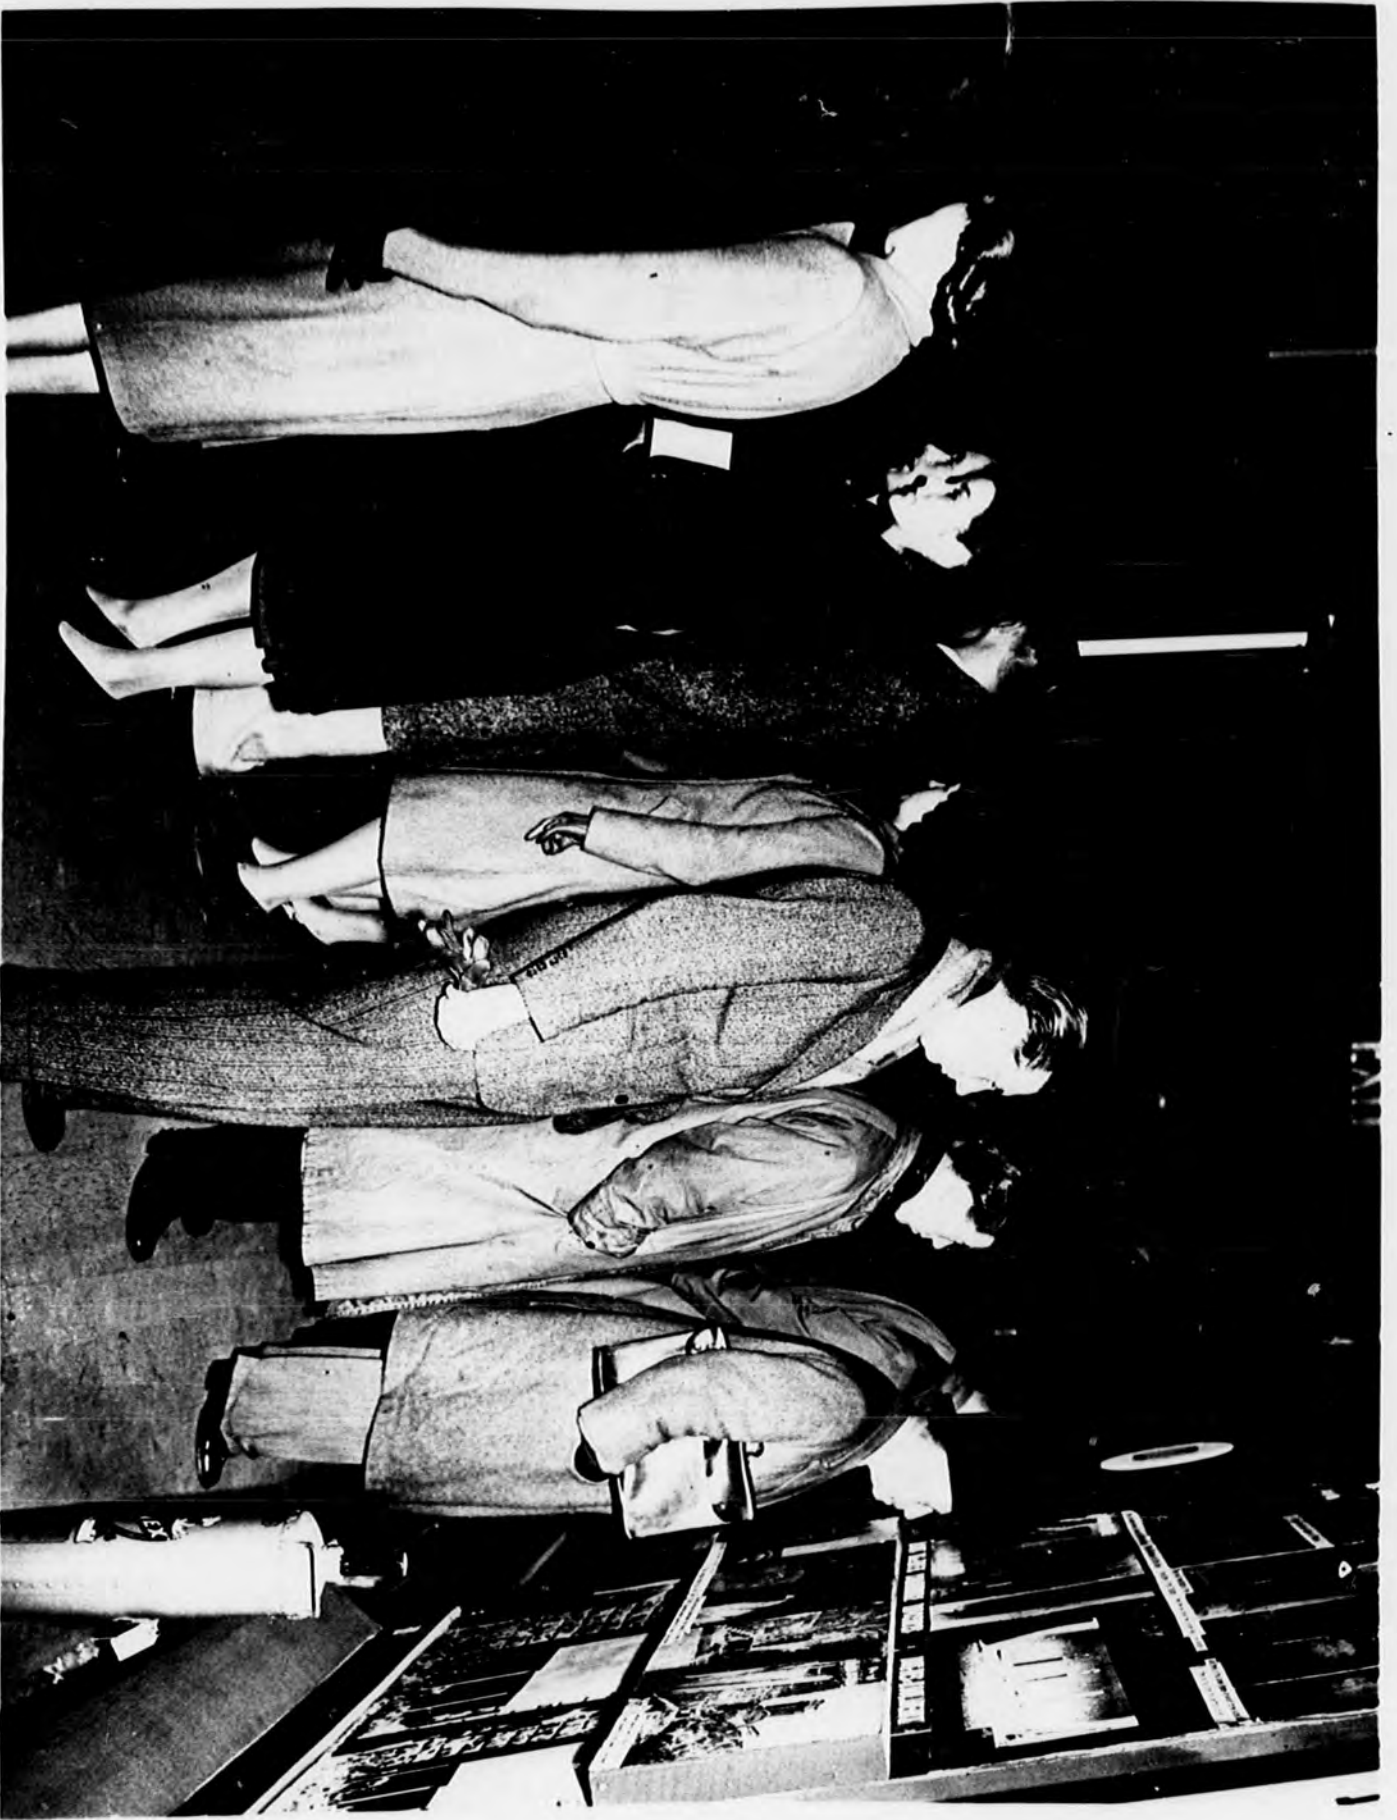

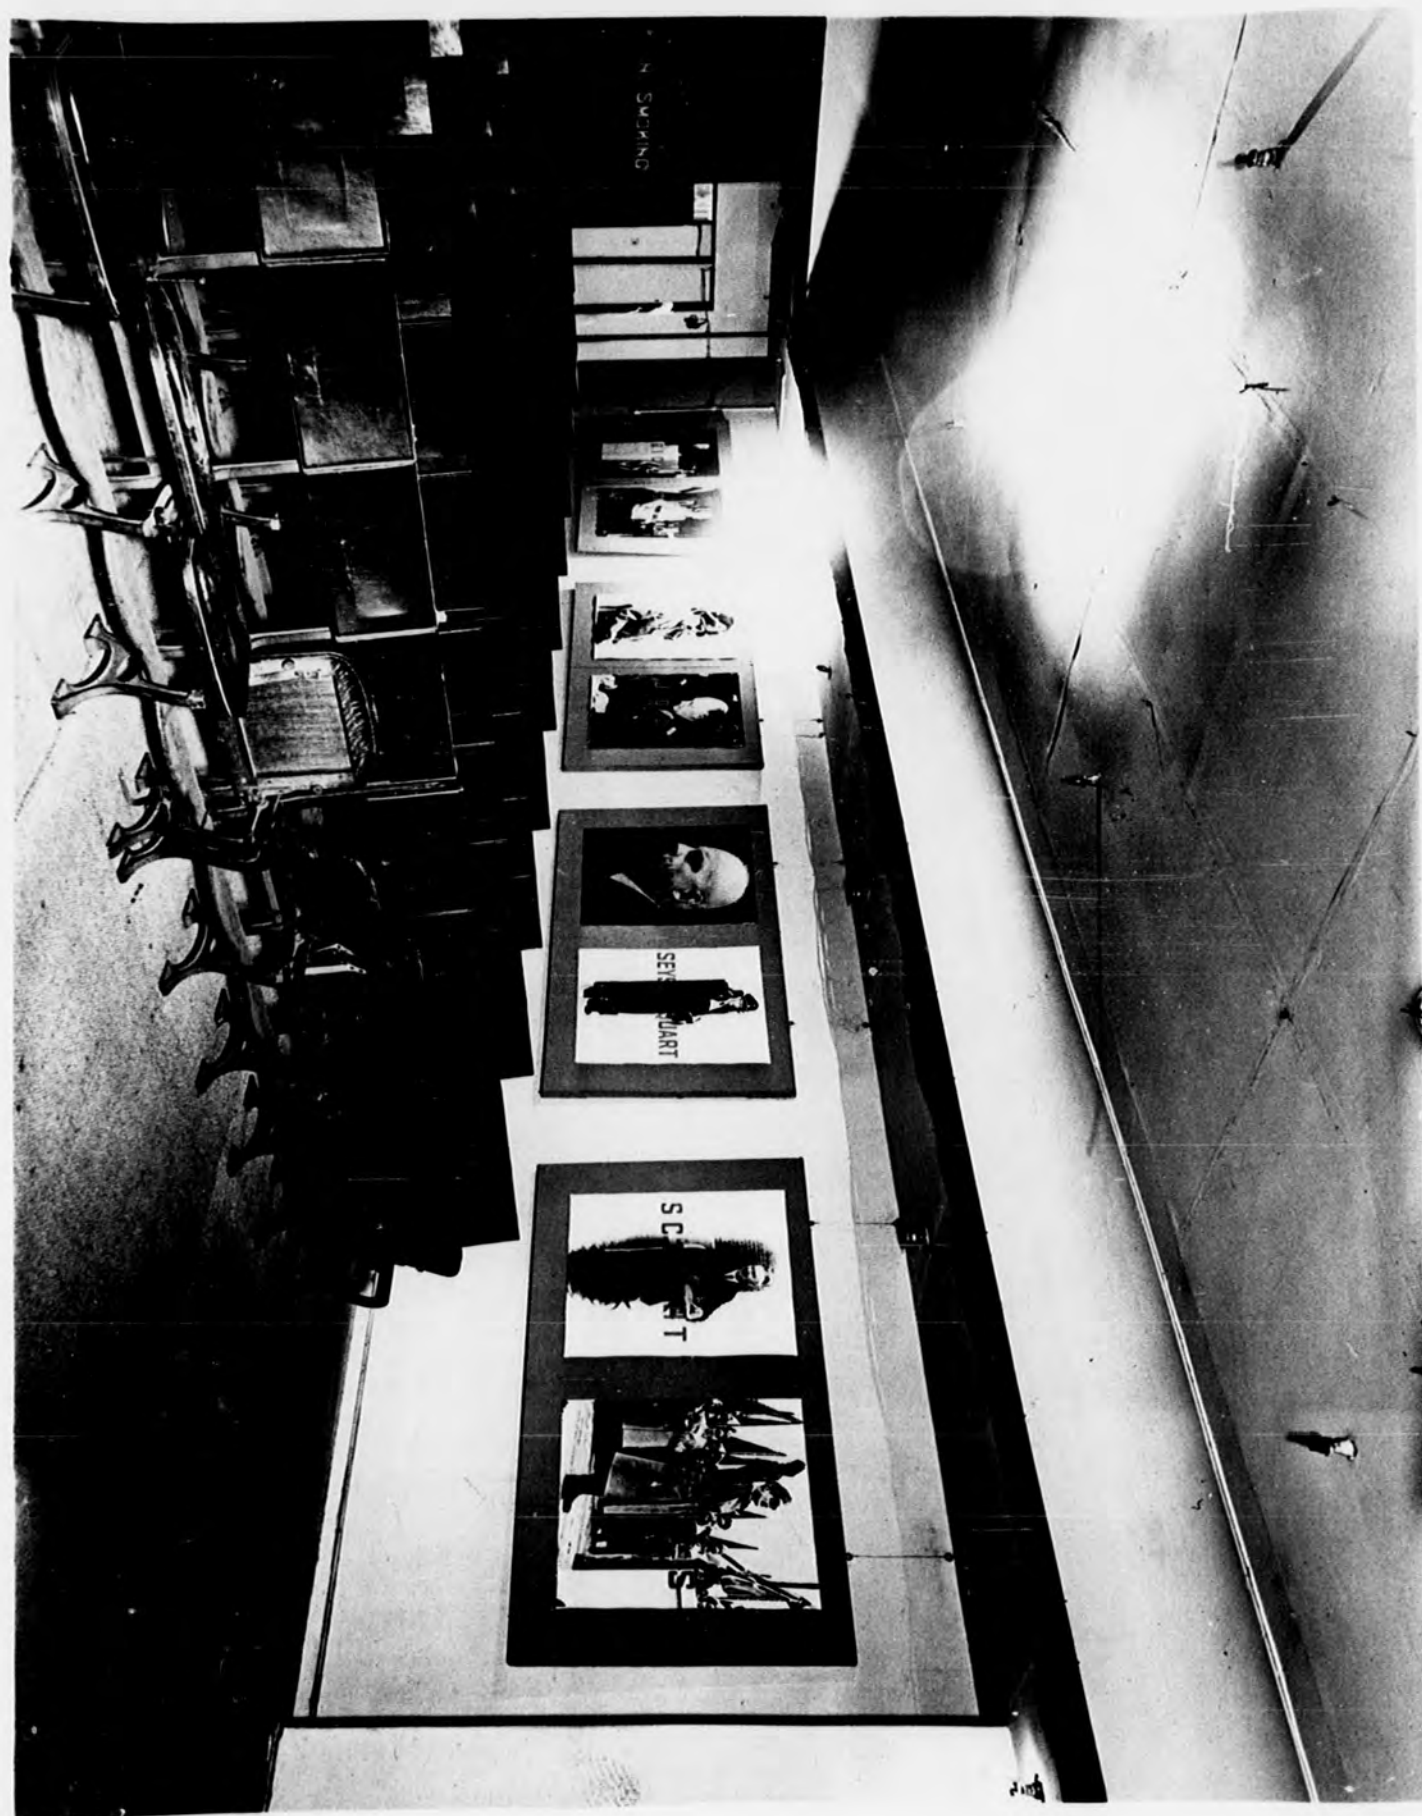

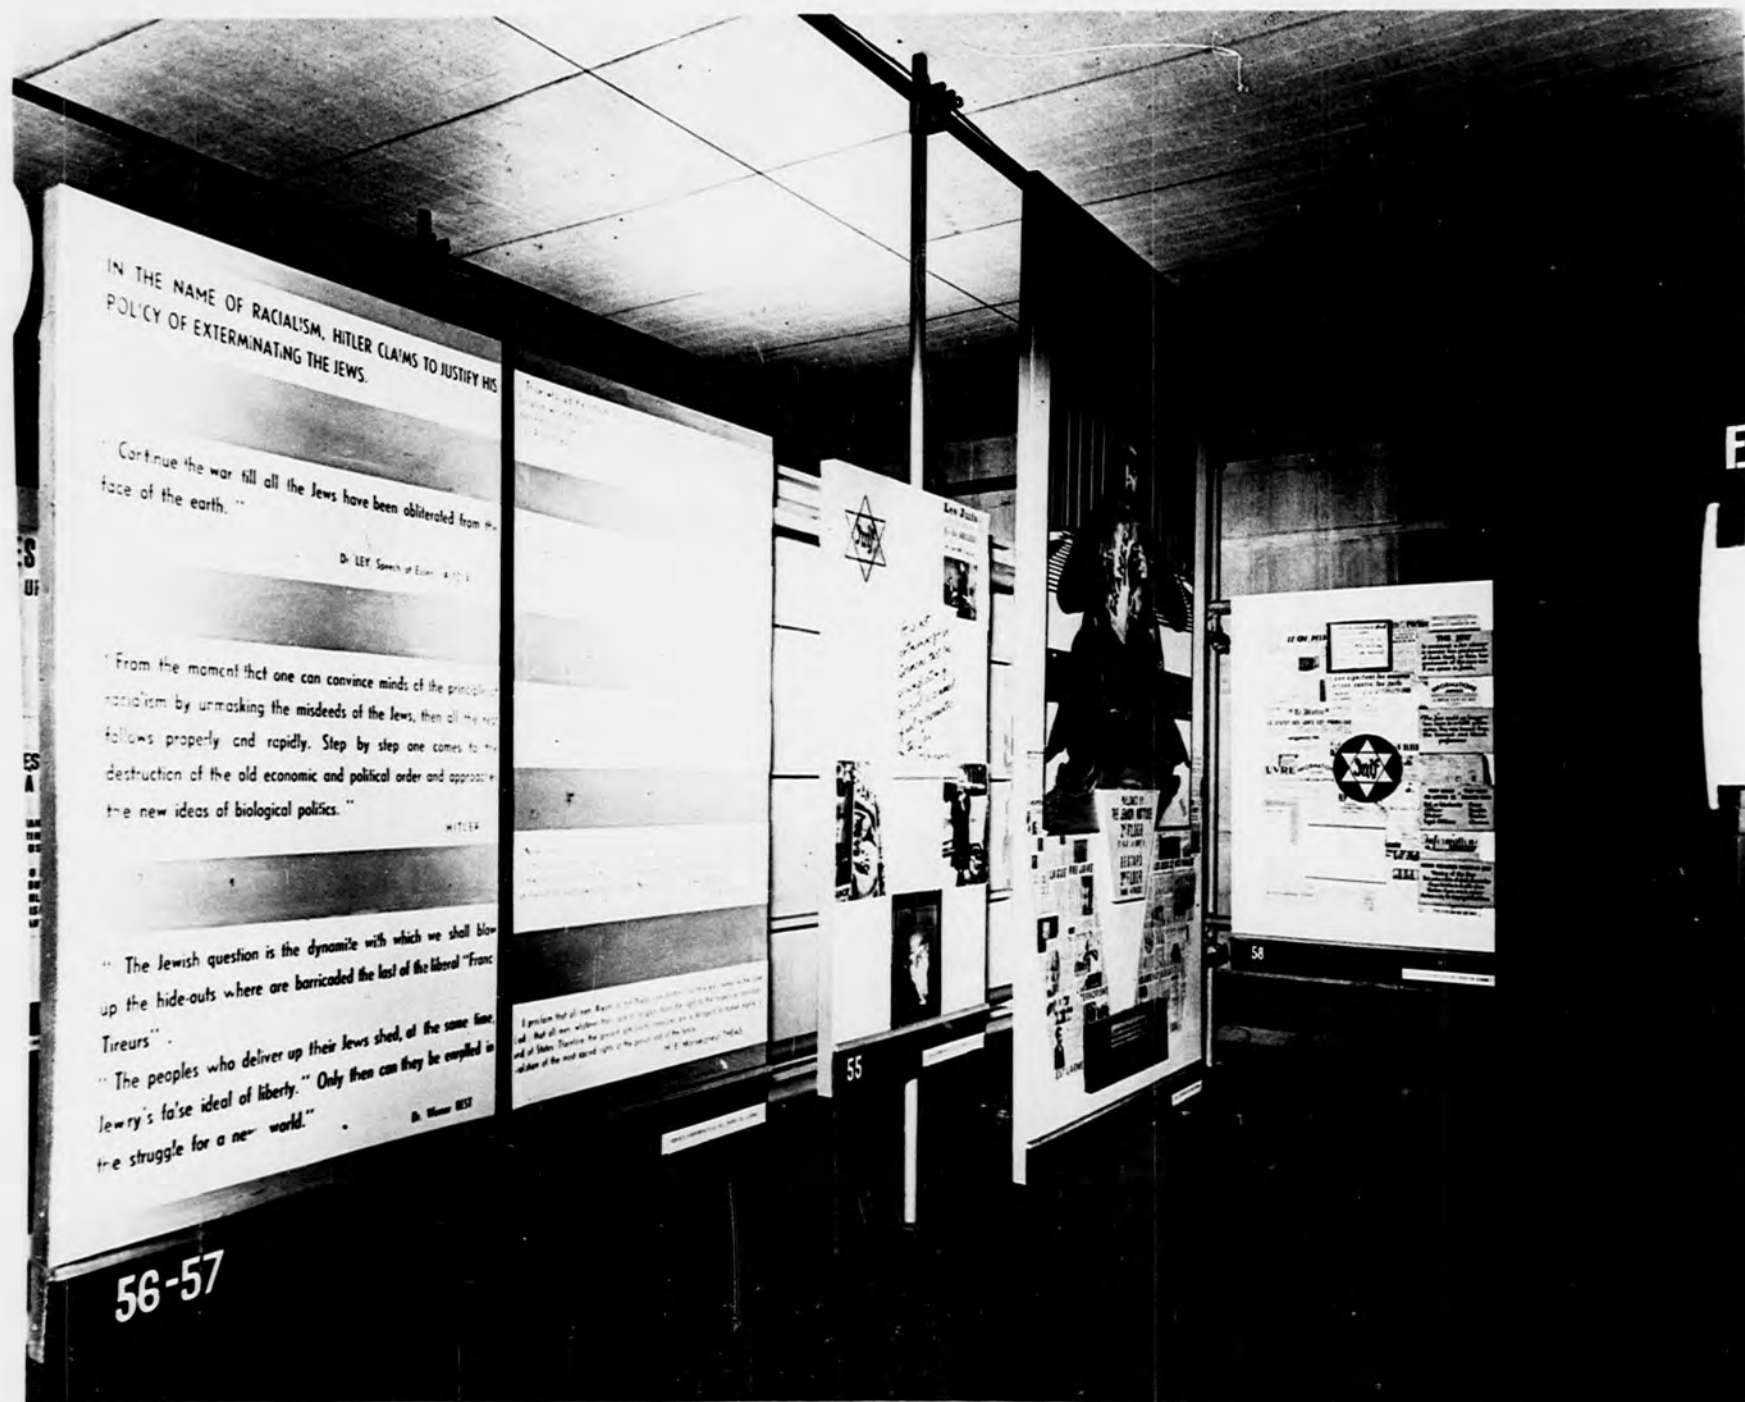

IN THE NAME OF RACIALISM, HITLER CLAIMS TO JUSTIFY HIS
POLICY OF EXTERMINATING THE JEWS.

"Continue the war till all the Jews have been obliterated from the
face of the earth."

Dr. LER, Speech at Essen, 4/12/42

"From the moment that one can convince minds of the principles of
racism by unmasking the misdeeds of the Jews, then all the rest
follows properly and rapidly. Step by step one comes to the
destruction of the old economic and political order and approaches
the new ideas of biological politics."

HITLER

"The Jewish question is the dynamite with which we shall blow
up the hide-outs where are barricaded the last of the liberal 'Franc
Tireurs'."

"The peoples who deliver up their Jews shed, at the same time,
Jewry's false ideal of liberty." Only then can they be enrolled in
the struggle for a new world."

Dr. Winter, 1933
