Dear Ms. Shuman,

Thank you very much for your kind invitation to participate, as a keynote speaker, in the opening ceremonies of the *Model United Nations Conference* which will be held at Stuyvesant High School from 27 to 29 April.

While I am honoured by this invitation and would have liked to participate, it is with deep regret that I must decline due to an official travel on the dates of the event.

I appreciate your understanding and send you my best wishes for a most successful conference.

Yours sincerely,

Asha-Rose Migiro

Dear Secretary Migiro:

I write to you from Stuyvesant High School Model United Nations in New York City. I am the faculty advisor for the **Model United Nations Conference** which will be held at Stuyvesant High School from April 27-29TH, 2007. This student-run conference is held annually for many New York City Public High Schools. It will be hosted at Stuyvesant High School in downtown Manhattan.

On behalf of my students, I respectfully request your presence as our **Keynote Speaker** during the opening ceremonies on April 27TH. This would be a most memorable opening ceremony for all the delegates attending. If you are not able to speak at the opening ceremonies, we hope you would be able to speak at another point during the conference as we would be happy to accommodate your schedule in such an event.

One of the reasons we feel it is so important to host this event and invite public figures is the meaning and educational value he or she can bring to both the hosts, and the attending delegates. We at the Stuyvesant Model United Nations community hope that the growth of conferences such as this will help to enlighten our peers to develop a conscientious awareness of the global issues facing our world today.

Many young delegates with a burgeoning interest in politics and the world will be gathered in the auditorium of Stuyvesant High School for the opening ceremonies of this conference, listening and eagerly awaiting information from a role model, a person of knowledge and sincerity. We would be greatly honored if you would graciously be that person who can reach out to them. Your time and efforts will be much appreciated and have a great impact on the delegates from all the participating high schools.
