SUBJECT: SECURITY DUTIES AT MILOB GROUP HQ

Reference:-

A. DCOS OPS letter dated 23 March 1995.

1. In reference 'A' above, Military Police was tasked to provide security at MILOB group HQ on temporary basis until their movement to UNAMIR HQ was completed. The task which was to take about Two weeks has extended to almost three months. We request an alternative be found so that the MPs can be concentrated on Police duties, looking at the current crime rate.

2. The opening of Butare detachment has tremendously affected the MPs strength in Kigali. Because of this, the number of Military Police men available for daily emergency response dwindled from ten to four as we have to also provide security to Milob Hq.

3. We request you consider releasing the MPs from this task.

4. Thanking you in anticipation.

*25/5 4 27 copy to all sectors

TO: All UNAMIR Personnel
(Civilian, Military, CIVPOL and MILOBs) *b) notice board*

FROM: Ally H. Golo
Division of Administration & Management

SUBJECT: Security of UNAMIR Vehicles

1. Further to previous Administrative Instructions issued on this subject, the Administration notes with concern the number of UNAMIR vehicles which have been stolen recently in broad day light from the UNAMIR Headquarters compound.
2. In this connection all UNAMIR security units, including the Indian Battalion Guard Force currently providing security for the UNAMIR Headquarters and other UNAMIR premises, are required to implement the following procedures:
 - (a) All drivers of UNAMIR vehicles leaving any UNAMIR premises at any time are required to submit their identity cards to a security officer/guard at the gate, who shall check the identity photograph of each such driver against the face of the driver, record the identity number and the registration number of the vehicle, record the number of passengers, enter the time of departure, and record any other identification features that may be obvious. This is without prejudice to the identification procedure for drivers and vehicles of high ranking UNAMIR officials whose vehicles and drivers are known.
 - (b) With the exception of vehicles with ministerial or diplomatic registration numbers and vehicles belonging to UN Agencies, all non-UNAMIR vehicles leaving UNAMIR premises shall be subject to the same procedure as in (a) above, and shall also be subject to searches at the discretion of the security officers/guards.
3. All UNAMIR personnel are requested to cooperate with all security units in the enforcement of these measures towards the preservation of UN and staff personal property.
