Alexandra Barahona Posada

Dear Ms. Rogers,

I am writing on behalf of Mr. Yoon.

With reference to the above-mentioned note to the Secretary-General (our ref # 10-06730) dated 13 July 2010 from Ms. Cheng-Hopkins, regarding an invitation to the Secretary-General to visit the University of Peace during its 30th anniversary celebrations in December 2010.

I would like to share with you the Secretary-General's feedback. The Secretary-General is positively considering this request and is currently looking at the latter part of week commencing 13 December 2010 for the visit. The scheduling office cannot at this time give a definitive date but will be in contact with your office again at a later stage.

Thank you for your kind understanding.

Kind regards,

Barni

**Note to the Secretary-General**

Secretary General's Visit to UPEACE✓

Previous for log  
29-07797

1. The University of Peace (UPEACE) will be celebrating its 30<sup>th</sup> anniversary this year, and the Rector of UPEACE, Professor John Maresca, invites you to visit UPEACE in celebration of this milestone. The Rector has discussed the event with the new Foreign Minister of Costa Rica, as well as Costa Rica's new Ambassador to the UN, and both will support the celebration.
2. The 30<sup>th</sup> anniversary falls in **December 2010**, but given the significance UPEACE attaches to your presence at the celebration, UPEACE seeks your visit anytime between now and the end of the year. UPEACE will structure their anniversary event around your visit.
3. I hope that you will accept this invitation from UPEACE. Your participation would demonstrate your support for the work of UPEACE during financially challenging times. If you accept the invitation, I would be grateful for an indication of potential dates for your visit, so that UPEACE and the Costa Rican government can initiate preparations.

  
Judy Cheng-Hopkins  
13 July 2010
