INTEROFFICE MEMORANDUM

MEMORANDUM INTERIEUR

TO: Mr. C.V. Narasimhan
A: Under-Secretary for General Assembly Affairs

DATE: 7 October 1966

REFERENCE: PI 170/1

THROUGH:
S/C DE:

FROM: Laurence Michelmore
DE: Commissioner-General, UNRWA

SUBJECT: Reception on U.N. Day
OBJET:

As United Nations Day this year is dedicated to the cause of the refugees, it might be appropriate to have a simple reception (tea and coffee) offered by the United Nations refugee programmes (HCR and UNRWA), which could be held in the West Terrace following the concert on that day.

If you see no objection, I will ask the High Commissioner for Refugees if he wishes to co-sponsor it.

UNRWA has already prepared an exhibit for display on U.N. Day, which we would like to show on this occasion. The exhibit consists largely of photographs illustrating the various aspects of the UNRWA programme, including relief, health, welfare, education, and vocational training. It is about 17 feet long. Similar exhibits will be shown simultaneously in Geneva, London, Paris (UNESCO), Beirut and Cairo. The HCR might like to have a similar display.

It would add greatly to the occasion if the Secretary-General and the President of the General Assembly could attend, and if they would consider it appropriate to say a few words about United Nations efforts on behalf of refugees.

I would like to take this occasion to present to the President of the General Assembly and to the Secretary-General two souvenir albums depicting UNRWA's work, if this were considered appropriate.

I would be most grateful for your advice.

I think it would be appropriate that ^{you} Mr. Morse should sit opposite the Secretary-General, and I have suggested a table arrangement on this basis, giving Mr. Bannier a rather high position between Mr. Sen and Mr. Davies and above that of any member of the UN Secretariat.

In case, however, the Secretary-General would like Mr. Bannier to be seated opposite him, I attach an alternative arrangement.

COMMONWEALTH PARLIAMENTARY CONFERENCE / CANADA 1966

Ottawa, Ontario,
September 30th, 1966.

PERSONAL

U. Thant,
Secretary General,
United Nations,
New York, N.Y.

Dear U. Thant,

I am at present in Ottawa attending the Commonwealth Parliamentary Conference, which as you may know represents all the Parliaments of the Commonwealth. I'm hoping to be in New York from October 10th until October 13th.

~~a short~~ I am wondering if we could meet for a few moments for ~~talks~~, either on October 11th or 12th to suit your convenience. Since we last met at the meeting you addressed in the Royal Gallery of the House of Lords, I have been elevated to the House of Lords.

In order to avoid confusion with my brother Lord Henderson, I have taken the title of Lord Rowley.

I hope very much it will be possible for me to meet you again during my stay in New York. I shall be at the Metropolitan Club.

Yours sincerely,

*Rowley (formerly
= Arthur Henderson)*

Dear Mr Narasimhan,

As Mr. Smithers is at present in Italy, I am writing to thank you for your personal letter of the 3rd August, which I will send on to him to-day.

We have taken note of the Secretary General's kind invitation to luncheon on Monday, 12th September, which Mr. Smithers will certainly be very glad to accept.

Yours sincerely

PERSONAL

3 August 1966

Thank you for your kind personal letter of 25 July. I have noted your travel plans.

I have shown your letter to the Secretary-General, who would be very happy if you and your colleagues could join him for luncheon on Monday, 12 September. You may, of course, meet with the Secretary-General briefly before lunch to discuss official matters, and I shall also be happy to assist in all possible ways in your desire to meet some Eastern European members of the Secretariat.

Looking forward to seeing you in September, and with my warmest personal regards meanwhile,

Yours sincerely,

Strasbourg, 25th July 1966

Dear Mr Narasimhan,

This is just to let you know that I am much looking forward to visiting the United Nations headquarters once again.

All being well, I shall arrive in New York on September 11th on Flight Air France 015 accompanied by Henri Leleu, Secretary of the Committee of Ministers and Heinrich Klebes, my assistant Chef de Cabinet.

If it is possible to meet the Secretary General on Monday, 12th September and also senior members of the Secretariat on that day, it would be particularly convenient as these meetings could then precede a meeting of the Ambassadors of the Council of Europe States when I shall give some account of U Thant's visit to Strasbourg, of co-operation between the Organisations, and so forth. We are planning to fly back to Strasbourg about the 15th September.

I would be particularly grateful if you could give a little thought to the list of people with whom I could usefully talk this time, and, in particular, whether it would or would not be a good idea to meet some of the Russian members of the Secretariat (this might be premature, though, as you know, Russian experts have joined one of our Patent Committees), some Ambassadors not from Council of Europe States, or the Secretaries-General of any other international organisations who may happen to be in New York at the time.

- 2 -

On our side, we do not have any controversial ideas but I hope that my talks with U Thant, yourself and others may enable us to envisage a steady progress of the United Nations - Council of Europe relationship and perhaps to consider one of two of the problems which may complicate it.

Though no great lover of New York, I shall find it a great satisfaction to be back again in the United Nations.

Mr. Klebes will be getting in touch with Mr. Miller nearer the time to give him further details with regard to the preparation on our side.

With best wishes

Yours sincerely

Peter Smithers
