Dear Juwang,

Apologies for the delay. I received an invitation and, although that was not explicitly stated in what I received, I would be asked to speak on a panel on the global economic outlook. Assuming that's confirmed, I will accept the invitation and hence will accompany Mr. Sha to this event.

I've shifted the envisaged date of the launch of the WESP update per mid-2012 to the week after the Astana event. I trust I will get this confirmed from DPI.

As a result of the Forth AEF, which took place in May this year, the “Astana Consensus”, an open letter of the Forum participants addressed to the G-20 leaders, was prepared, consisting recommendations on six key components, for consideration as a possible item on the agenda for the forthcoming G-20 Summit. The Astana Consensus addresses the questions of ensuring economic stability and food security, “green” economy development and others.

The relevance of these issues is warranted in light of the growing importance of global development concerns. In this regard, taking into account the necessity for close interaction between international organizations to coordinate multilateral efforts to address global challenges in social-economic fields, permit me to send for your review the above mentioned recommendations.

On this occasion, I look forward personally welcoming you to the Forum in Astana.

Please accept, Excellency, the assurances of my highest consideration.

Ваше Превосходительство,

От имени Организационного комитета Астанинского экономического форума имею честь пригласить Вас на V Астанинский экономический форум, запланированный к проведению 23-24 мая 2012 года в столице Казахстана в г. Астане.

Ежегодно в рамках данной дискуссионной площадки, организуемой под эгидой Евразийского экономического клуба ученых при активном участии Президента Республики Казахстан Нурсултана Назарбаева и поддержке Правительства Республики Казахстан, более 5000 делегатов из 80 стран, в числе которых руководители и члены правительств, ученые мирового уровня, лауреаты Нобелевской премии, представители бизнес-сообщества и средств массовой информации имеют возможность обсудить и обозначить наиболее важные вызовы и задачи, стоящие перед мировым экономическим сообществом.

Его Превосходительство
Господин Пан Ги Мун
Генеральный Секретарь ООН
Нью-Йорк

По итогам прошедшего в мае текущего года IV АЭФ был разработан «Астанинский консенсус» - открытое письмо участников Форума лидерам государств «Большой двадцатки», содержащее рекомендации по шести ключевым компонентам – возможным пунктам повестки дня предстоящего Саммита G20, среди которых вопросы обеспечения экономической стабильности и продовольственной безопасности, развитие «зеленой» экономики и другое.

Актуальность данных вопросов является обоснованной в свете возрастающей важности вопросов глобального развития. В связи с этим, осознавая важность тесного взаимодействия международных структур между собой в целях координации усилий международного сообщества для решения глобальных проблем в сфере социально-экономической области, позвольте направить для Вашего ознакомления упомянутые рекомендации.

Пользуясь случаем, выражаю надежду лично приветствовать Вас на форуме в Астане.
