

THE SECRETARY-GENERAL

Misc. Org. "C"

21 May 2008

Dear Mr. Isdell,

I want to thank you for the warm hospitality you showed me during my recent visit to Atlanta. It was a pleasure to see you again, this time at your headquarters, which is a key driver of Atlanta's international outreach. I have long been aware of your leadership in engaging Coca-Cola on issues of global concern, and this visit reminded me yet again of how deeply committed you are to the goals we share.

In seeking to meet environmental challenges, the United Nations needs partners. This is no less true in the private sector. And your work on issues such as water conservation through the United Nations Global Compact should serve as an inspiration to corporations everywhere seeking to better our world for the sake of future generations.

Please convey my warmest regards and sincere gratitude to all your colleagues who helped make my visit such a success. I wish to also thank you for the kind gift you presented to me, a lifelong reminder of this meaningful trip.

Yours sincerely,

*Ki Moon Ban*  
BAN Ki-moon
