Dear Mr. Nambiar,

I take this opportunity to make reference to the visit of the Secretary General, Mr. Ban Ki-moon, to Mexico last 8-9 September.

In that occasion, a meeting between the Secretary General and the Ministers of Health, Social Development, and Environment of Mexico was cancelled due to unforeseen circumstances.

In this regard, I am transmitting the strong interest of our Minister of Health, Dr. José Ángel Córdova Villalobos, to have a meeting with the Secretary General, in the United Nations premises. This meeting could take place on October 22nd by noon or later on that day.

I would appreciate your kind response to this request. Please accept, dear Mr. Nambiar, the assurances of my highest consideration.
