- NOTE TO EXECUTIVE DIRECTOR

With regard to the SRSG's appointment at 15.30 today with Mrs. Graça Machel, I have requested a copy of her biography which I understand the UNICEF staff accompanying her will provide upon their arrival at our Headquarters. Nevertheless, I have ascertained that Mrs. Machel is the wife of the late President of Mozambique, Samora Machel. She is also a former Minister of Education in her country and has long been active on behalf of children's causes. Rwanda is only one of several countries she is visiting in connection with a study she is carrying out on the impact of armed conflict on children, a study I understand has been mandated by the General Assembly.
