Dear Chef de Cabinet,

I refer to your letter of 26 April 2016, and have the pleasure to inform you that the Mauritian authorities have cleared the aircraft carrying the Secretary-General and his delegation for his visit to Mauritius.

The clearance number for the Aircraft Type CRJ200, Registration Number C-FXLH or C-GIXR operated by Voyageur Airways is PMO/062/2016.

The aircraft is cleared for overflight of the Mauritius Flight Information Region (FIR) and for landing at the SSR International Airport on 8 May 2016, and leave on 10 May 2016.

We would however, be grateful if the details of the Ground Handler for the aircraft in Mauritius could be provided as soon as possible.

Please accept, dear Chef de Cabinet, the assurances of my highest consideration.
