Dear Deputy Secretary-General,

(Rev related corlog 13-06713)

I wish to thank you again for delivering the keynote address at our special event on 19 September – “Corporate Water Stewardship and the Post-2015 Development Agenda”.

I must tell you that your remarks moved and motivated a great number of people in the audience – and also helped set the stage for even greater business engagement in the areas of both water and sanitation.

Please know that we will continue to support your efforts in all possible ways, and will keep your office posted on our work and progress.

On a personal note, I greatly enjoyed spending time with you during the dinner event at the Museum of Modern Art. Thank you for being so kind and gracious.

Yours sincerely,
