**MESSAGE SENT ON BEHALF OF INSPECTOR SUKAI PROM JACKSON, IN HER CAPACITY AS  
CHAIR OF THE INTERIM COORDINATION MECHANISM (ICM)**

Dear Secretary-General Ban Ki-moon,

- ✓ We are pleased to inform you that the JIU along with UN DESA, UNEG, OIOS and UNOCHA forming the  
Interim Coordination Mechanism (ICM) are supporting the implementation of the Policy for Independent  
System-wide Evaluation of Operational activities for Development of the United Nations System. This  
policy was approved by the General Assembly in January 2014 (link:  
[http://www.un.org/en/ecosoc/julyhls/pdf14/swe\\_policy\\_document\\_4feb\\_2014.pdf](http://www.un.org/en/ecosoc/julyhls/pdf14/swe_policy_document_4feb_2014.pdf)). In line with the  
✓ ECOSOC meeting agenda objectives we are discussing two subjects:

- Meta-evaluation and synthesis of UNDAF evaluations, with the objective to distill lessons which  
will have implications for implementation of the QCPR at country level;
- Evaluation of the contribution of the United Nations Development System to strengthening  
national capacities for statistical analysis with the objective to distill lessons which will have  
implications for measuring progress of the 2030 Agenda for Sustainable Development.

- ✓ These evaluations will provide the evaluative evidence base for the two over-arching objectives of the  
ECOSOC meeting on February 22nd at conference room 8. We therefore have the distinct honor to extend  
this invitation to you given the important of the subject. Please note that the meeting will start with  
breakfast at 8.00 am. However, if for any reason you are not able to attend the full meeting then please do  
consider attending the concluding remarks between 9.35 and 9.45 am.

- ✓ The agenda is attached for your ready reference. Please accept, the assurances of my highest  
consideration.

Sincerely,

Sukai Prom-Jackson  
Inspector  
Joint Inspection Unit of the United Nations System
