Excellency,

We would like to extend our sincere gratitude to you for honouring us by your participation in the concert organized by TURKSOY (International Organization of Turkic Culture) at the General Assembly Hall on 28 March 2016, to mark the observance of the "International Day of Nowruz".

As you have eloquently expressed in your opening statement, the New Year's spirit of reconciliation and common humanity is critical at these difficult times.

In this respect, your presence and the support by the United Nations meant a lot to us.

On this occasion, we would also like to express our appreciation for the professionalism, dedication and valuable efforts of the representatives of the relevant departments of the Secretariat, to make this a successful event.

Please accept, Excellency, the assurances of our highest consideration.
