

THE SECRETARY-GENERAL

8 November 2016

Dear Ambassador Kamal,

As the end of 2016 approaches, I would like to take this opportunity to thank you for your leadership and commitment at the helm of The Ambassador's Club at the United Nations.

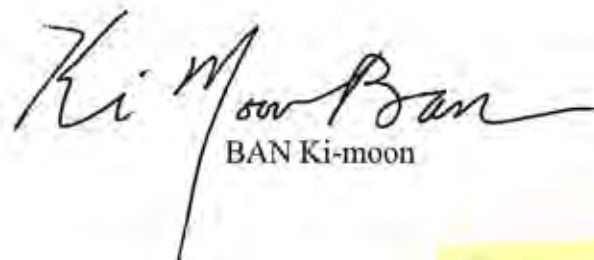

Over the last ten years, I have followed the work of the Club with great interest and would like to congratulate you for helping to bring greater visibility and understanding about the work of the Organization, particularly among youths.

In your annual letters, I have always been very encouraged to note the positive collaboration between The Ambassador's Club and the United Nations Institute for Training and Research in support of your outreach activities and training courses for United Nations diplomats. In addition, I am heartened by the growing number of dedicated and experienced volunteers that The Ambassador's Club is able to mobilize, which is a testament to the power of volunteerism within the United Nations Diplomatic Corps.

Throughout your career, you have demonstrated integrity and hard work, as well as an unshakeable belief in the value of multilateralism and diplomacy.

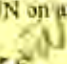

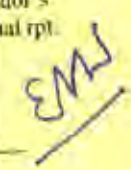

It has been my privilege to serve as the Honorary Patron of The Ambassador's Club. I wish you and all the members and partners of the Club all the very best in your future endeavours.

Yours sincerely,

  
BAN Ki-moon
