1000-1(FC)

FROM: EA to Force Commander

TO: Chief of Protocol

INFO: ED

DATE: 29 July 95

SUBJECT: VISIT OF ASSISTANT AND DEPUTY ASSISTANT SECRETARY OF DEFENCE

Reference: Letter from US Defence Attache Kigali 26 July 95 (enclosed)

The Force Commander concurs with the request for his attendance at a reception on 13 August and working lunch on 14 August. He will coordinate an aerial tour for the VIP's, but due to leave committments will not accompany them.

It is requested you liaise with the American Embassy to obtain the details of their arrival and make any necessary announcements.

Embassy of the United States of America

US Defense Attache Office

26 July 1995

Major General Guy Tousignant
Force Commander
UNAMIR

Sir,

We have the Assistant Secretary of Defense for International Security Affairs (ISA), Dr. Joseph Nye, and the Deputy Assistant Secretary of Defense ISA Africa, Mr. Vince Kern, coming out on an area tour next month. They will arrive the afternoon of the 13th. Dr. Nye will depart the afternoon of the 14th. Mr. Kern will remain through the 17th. Both Dr. Nye and Mr. Kern have played a critical role in pushing through support for UNAMIR through the hallowed halls of the Pentagon when others hesitated. They were the movers and shakers on getting the M113s for Ghanbatt and deploying the Ethiopians to cover the withdrawal of Operation Turquoise.

Ambassador Rawson will be sending you an invitation to a reception the evening of the 13th in their honor. The following day, Ambassador Rawson would like you to come to a luncheon and informal meeting with Dr. Nye and Mr. Kern. As for Mr. Kern's remaining schedule, I would like to request that UNAMIR provide him an aerial tour of western Rwanda along the border with Zaire. If possible, it would be most useful if you could go on that tour with him. I would also propose that as part of the preparation for such a tour, that I bring him over for morning prayers on the 15th and that we go on the flight after the briefing. The more Mr. Kern can learn about Rwanda in general, and the role of UNAMIR specifically, the more effective he will be in the future.

Dear Sir,

I write to you in the absence Mr. Justice Goldstone who is presently in New York dealing with budgetary matters in relation to this Tribunal and the Tribunal for the former Yugoslavia, and it would be remiss of me not to take this opportunity to thank you for the help and assistance you provided to us on our last visit to Rwanda.

Catherine Cisse indicated that she spoke to you earlier today and it might be appropriate at this time to set out our provisional arrangements for our next visit to Kigali.

On Monday 20 February, Carolyn Edgerton, Legal Advisor; Sally Pearson, Secretary and myself will leave The Hague and travel to Kigali arriving at 1910 hours local time on flight SN 732. The length of our stay in Rwanda is not definite at this time but it is likely to be in the region of four weeks. The main purpose of this visit is to continue establishing local contacts and resume local research. It is also our intention whilst in Rwanda to endeavour to find living accommodation for our staff when they arrive and I would hope that we will be able to accommodate the maximum 15 members of staff present in Kigali at any one time within one house/hotel in order to assist you and your staff with the security implications of our presence.

I understand that our security and accommodation needs are being taken care of on your behalf by Mr. Joe Lombardo.

I look forward to meeting you again and if your diary is free I will endeavour to make an appointment to see you at the earliest possible opportunity on Tuesday 21 February.

Yours faithfully

In order to continue to provide good and timely support to your office, I would appreciate if your staff would inform the Administration and or MGT/CSL suitably ahead of time as per reference B if they expect a delegation or visitor who may require special catering, or other services. BUREAU DU PROCUREUR

20 January 1995

Dear Sir,

On Monday, 23 January, I will be arriving in Kigali with Gavin Ruxton, Senior Legal Officer; Catharine Cisse, Legal Officer; Carolyn Edgerton, Legal Officer as part of the initial set-up team to begin constituting the International Criminal Tribunal for Rwanda. While two members of the contingent will be departing Rwanda on January 28, the remaining two will be in the country until approximately 4 February.

Following discussions with Ambassador Khan earlier this week, it is our understanding that we shall be met at Kigali airport and accommodated within the Belgian Village and Ambassador Khan's residence.

Although we gave Ambassador Khan some indications as to our material needs, it would be helpful if you could assist us, particularly during our initial establishment stages, in providing secure transportation and drivers.

We also expect to require the services of at least one French-English interpreter to interpret during meetings with local and government officials. Subject to timing, protocol and your evaluation of the situation, we should like to visit crime scenes and other sites outside Kigali, including transit centres and refugee camps.

We should be grateful if you would fax us as soon as possible the name, telephone and fax number of a contact person. Our contact prior to departure is Carolyn Edgerton, fax (31 70) 344 5278 and home telephone (31 70) 350 6847.

We look forward to meeting personally with members of your office and receiving your advice and guidance regarding investigations operations in Rwanda. We trust this short notice will not be unduly inconvenient and thank you in advance for your cooperation.

Fax No. (212) 963-3090

Uppsala, September 22, 1994

Dear Mr. Khan,

The Life and Peace Institute of Sweden is an NGO dedicated to working with the United Nations on national reconciliation efforts in various African conflict situations. Since 1992 the Institute has been working very closely with UNOSOM in support of the Mission's reconciliation efforts. Through that partnership, much has been achieved in Somalia despite what seems to be recent setbacks.

Rwanda is another country that is now engulfed in conflicts. The Life and Peace Institute would want to explore with relevant United Nations Departments and experts on Rwanda what support it could offer in the efforts toward reconciliation in that country and region.

It has been suggested that a consultation be convened to exchange views on this subject. The consultation will be held at Scanticon Conference Center, Princeton, New Jersey from Friday, 7 October to Monday, 10 October. We expect about 30 representatives of the United Nations system, the OAU and experts will attend the consultation.

We are kindly inviting you to participate at the consultation. The Life and Peace Institute will meet your travel, board and lodging costs and those of two officers you may wish to accompany you to the consultation.

Yours sincerely,

Tentative meetings have been arranged with the Minister of Defense, the Chief of Staff and the Minister of Foreign Affairs and these meetings need to be confirmed.

Also, if Major General Tousignant still plans to come by a private plane it is extremely important that we have the flight details, aircraft registration number, name and passport numbers of the pilot(s) etc. immediately.

SUBJECT: PENDING ISSUES FOR ICTR	

Greetings from Rwanda. There are a number of questions which should be answered in order to facilitate the next portion of your mission here. I understand from our previous conversations that you are expecting to return to Kigali on or about 16 February, 1995. If this is still the case I would need the following answered in order to make the appropriate arrangements:

1. How many persons will there be in your delegation?
2. How long will they be staying in-country?
3. Where will they be staying? Do you want me to continue looking into the Meridien Hotel as a potential accommodation site?
4. Does this delegation have any special needs, other than what was provided to the first delegation?
5. Have you decided whether you will be staying in the UNICEF building?
6. Has Mr. Bender given you his report on other potential office sites?

The question of accomodation is most pressing for it impacts the type of security arrangements that must be made prior to your arrival.

Please feel free to contact me with any questions/concerns you may have.

Best regards.

WASHINGTON OFFICE

Non-governmental and inter-governmental organisations and individual citizens can play an important role in the work of the International Tribunals on the former Yugoslavia and Rwanda, by offering their resources, expertise, and ability to build broad support for the Tribunals among the publics and governments in their respective states.

The Open Society Institute agrees that the establishment of an International Coalition of Conscience, open to non-governmental and inter-governmental organizations while maintaining the independence of these entities, would be a most effective means of supporting the principles and objectives of the Tribunals. Such a Coalition would sponsor efforts including soliciting financial and other contributions for the work of the Tribunals; coordinating with the Tribunals to ensure that in-kind contributions are useful and timely; conducting public outreach activities to foster broader understanding of and support for the Tribunals' activities; and building support among states, inter-governmental and non-governmental organizations, and the public in support of the Tribunals' mission and work.

The Coalition's board would be comprised of distinguished advocates for human rights and the rule of law. The Open Society Institute is prepared to undertake a project to support this Coalition, including managing its day-to-day operations.

20 January 1995

Dear Sir,

On Monday, 23 January, I will be arriving in Kigali with Gavin Ruxton, Senior Legal Officer; Catharine Cisse, Legal Officer; Carolyn Edgerton, Legal Officer as part of the initial set-up team to begin constituting the International Criminal Tribunal for Rwanda. While two members of the contingent will be departing Rwanda on January 28, the remaining two will be in the country until approximately 4 February.

Following discussions with Ambassador Khan earlier this week, it is our understanding that we shall be met at Kigali airport and accommodated within the Belgian Village and Ambassador Khan's residence.

Although we gave Ambassador Khan some indications as to our material needs, it would be helpful if you could assist us, particularly during our initial establishment stages, in providing secure transportation and drivers.

We also expect to require the services of at least one French-English interpreter to interpret during meetings with local and government officials. Subject to timing, protocol and your evaluation of the situation, we should like to visit crime scenes and other sites outside Kigali, including transit centres and refugee camps.

We should be grateful if you would fax us as soon as possible the name, telephone and fax number of a contact person. Our contact prior to departure is Carolyn Edgerton, fax (31 70) 344 5278 and home telephone (31 70) 350 6847.

We look forward to meeting personally with members of your office and receiving your advice and guidance regarding investigations operations in Rwanda. We trust this short notice will not be unduly inconvenient and thank you in advance for your cooperation.

Subject : **ICTR - FILING SYSTEM**

Sorry for the delay. Network has been down since Sunday. We've been able to type but not print. It's now back to 'normal' but some people have lost work from their u: drive. Following is a bit long winded but hope you can make sense of it. I think what you're proposing could turn into a can of worms - have made a suggestion.

SRSG LA CAO

Further to your phone call, below are my thoughts about a filing system. The 'set-up' papers cover everything from staffing to computers and budget, etc. Can keep all this on a single 'Set-Up' file if you want. Would suggest a copy goes to a relevant subject file.

Re your idea of one file each for IN, OUT and INTERNAL.
Logging In. This is possible but will mean one person has to log in everything - letters, faxes, etc. before anyone can do anything with the paper. With the system you propose, if a memo comes in on Language Training, is logged in as eg, H/123/95, the original goes to the addressee for action (and I presume a copy is put on the IN file). Do you want this to happen to all IN papers? You will end up with say, IN memos about staffing, budget, recruitment, etc all on the one IN file. Do you then make a distinction between In Letters, In Memos, In Faxes, each with its consecutive number? When you have a wodge of papers (from various organisations) as came from the Round Table in Geneva, is the whole lot given one IN number or each paper given its own IN number? In this way, if allowed to run its course, you'll end up at some point with:

a letter (IN)	H/123/95	a letter (OUT)	K/123/95
a fax (IN)	H/123/95	a fax (OUT)	K/123/95
a memo (IN)	H/123/95	a memo (OUT)	K/123/95

Not forgetting: a memo (INTERNAL) K/123/95
Your log would look something like this:

IN

Date	Consec.	Subject	To/Action
1/4/95	123/95	Budget	Port
2/4/95	124/95	Computers	Edgerton
3/4/95	125/95	Lang. Trng	Smith
4/4/95	126/95	UN Hols.	Brown

INTERNAL

1/4/95	099/95	Budget	Port
2/4/95	100/95	Computers	Edgerton
3/4/95	101/95	Lang. Trng	Smith
4/4/95	102/95	UN Hols.	Brown

OUT

1/4/95	347/95	Budget	Port
2/4/95	348/95	Computers	Edgerton
3/4/95	349/95	Lang. Trng	Smith
4/4/95	350/95	UN Hols.	Brown

Three months later, say the Deputy Prosecutor wants to see all correspondence on the Budget. Someone has to go through the IN, OUT and INTERNAL files copying the relevant material. You'd really need a central filing/register room for the whole Prosecution Office (including Investigation Section) with a person working full time at it keeping track of consecutive numbers.

Logging Out. At the moment (within Investigation Section alone) you've got 9 teams and everyone writes letters/memos to all sorts of people (internal and out). If you propose to give this material a consecutive number, one person needs to issue letter/memo numbers. You will end up with say, 10 persons (or more) each doing INTERNAL and OUT letters/memos. Each has to get a log number from the person holding the consecutive numbers. Everyone sending OUT and INTERNAL correspondence would have to give a copy to the person with the consecutive numbers so it could go on the relevant OUT or INTERNAL file.

SUGGESTION

A filing system as follows: Letter (or memo) arrives from Angelina about Language Training. It's recorded in an IN Log and given file number 5/7. Colin does an internal memo to all staff about Language Training. Internal memo has file number 5/7. Colin sends (OUT) letter to Angelina with file number 5/7. A copy of the OUT letter goes on subject file together with the original IN and INTERNAL paper.

Suggested Log would be:

INWARD CORRESPONDENCE

Date Recd	From	Subject	To/Action	File
1/4/95	Angelina	Language Training	Port for reply	5/7
2/4/95	Poliser	Computer Bug	Edgerton	3/5
3/4/95	Gilli	Budget	Port	3/1

All staff would have a copy of file list. When staff are typing correspondence (out or internal) they put the relevant file number to it. All papers (in, out and internal) end up on the relevant subject file.

STATEMENTS/EVIDENCE LOG

Date Recd	From	To/Action	No.
1/4/95	Abu Ali		s.1
2/4/95	Ali Baba		s.2
3/4/95	Abu Ali		s.1a
4/4/95	BBC (news footage)		e.1

A small matter, how do you get correspondence from Kigali to The Hague (vice versa). Is there a DHL office or the possibility of a 'diplomatic bag' arrangement with UNAMIR?

FROM: Jim Borton, Technical Co-ordinator UN/EUE, Addis Ababa

Mr. Simkin is currently out of town and has asked me to follow up on your fax of 12 January.

A note was sent the Ethiopian Ministry of Foreign Affairs on 17 January regarding the proposed visit of Major General Guy Claude Tousignant to Ethiopia between 6-7 February and today I discussed the this visit with the Protocol Officer, Ato Egneda Gebremedhim.

Ato Egneda informed me that he will try to arrange a meeting with the Chief of Staff and the Minister of Foreign Affairs. If the Minister is not available then a meeting will be arranged with the Vice Minister.

In order to facilitate the arrival of Major General Tousignant's aircraft it would be appreciated if you could send us the flight details, aircraft registration number, name and passport number of the pilot(s) etc. at your earliest convenience.

OUTGOING FACSIMILE

DATE: 7 February 1995

TO: Ms. Isel Rivero UNAMIR Kigali, Rwanda	FROM: Florence Barrillon-Pomés Senior Political Affairs Officer Africa Division II, DPA Room S-3341F

1. In response to your message of this morning, I should like to confirm that the Secretary-General has indeed informed Mrs. Ogata that he had asked Amb. Khan to accompany her during her tour of the Great Lakes region from 9 to 14 February. He did so in a telephone conversation. Mrs. Ogata had agreed to that arrangement. Mr. Jessen-Petersen, here in New York, is quite au courant!

OK ✓

2. I informed this morning the members of the Mission that you will assist them in their meetings in Kigali and that you will help them draft their report on Rwanda.

3. As far as I am concerned, I will be in Kigali essentially to prepare the Mission's report on Burundi. I will therefore appreciate it if UNAMIR could kindly put at my disposal for the 2 days I will be in Kigali an office and a Wang machine to enable me to type the report. At the same time, **the Mission has indicated at a session this morning that it would appreciate it if UNAMIR could accommodate all of us (including the interpreter Bruce Boeglin) together to facilitate our work.** Obviously, I will have to show them my drafts as they come back from their meetings with Rwandese authorities. Please, Isel, let us know at your earliest convenience in what hotel we will be and also indicate the telephone numbers where the Mission can be reached in the evening.

C

4. Finally, I am looking forward to receiving a tentative programme for the Mission's stay in Kigali. We will have a final briefing session tomorrow 1 p.m. our time and they expect a programme. In that respect, please find attached copy of a Fax from Mrs. Alison Des Forges to Ambassador Kovanda giving some information about her whereabouts in Rwanda.

OK ✓

5. Meanwhile, Mr. Kouyaté is making separate arrangements with Mr. Gbeho (UNOSOM II) to use a UNOSOM aircraft from Nairobi to Kigali (12 February) and then from Kigali to Bujumbura (14 February). Kindly liaise with them for confirmation. Mr. Kouyaté is also inquiring about the draft message of the Secretary-General to the OAU/UNHCR Conference in Bujumbura which Mr. Goulding had requested UNAMIR to prepare before 6 February. Finally, Mr. Kouyaté is looking forward to receiving his tentative programme during his stay in Kigali. Could you please let me know who is the UNAMIR Officer who will assist him in his meetings in Kigali?. I surmise that you are trying to work out both the programmes of the Security Council Mission and of Mr. Kouyaté at the same time.

6. I will try to call you again tomorrow morning if I do not hear from you before. I got your message and will gladly bring you the package. I trust you will bring the contents of my Fax to Amb. Khan and/or your colleagues concerned. Thank you again for your help.

Warm regards.

Florence

Subject: Security Council Mission to Burundi and Rwanda

1. I should like to draw to your attention a change in the composition of the Mission: for Indonesia, it is the Ambassador himself who will participate. His name is Nugroho Wisnumurti. Please inform accordingly the authorities of Burundi and Rwanda.

2. The name of the free-lance interpreter who will accompany us is **Bruce Boeglin**.

3. I should also like to confirm that the Mission, including the interpreter and myself, will arrive in Bujumbura on **10 February at 8.45 a.m. with Sabena** 571. It was not possible for the Mission, or for us, to get visas for Burundi. I understand from Mr. Masaki Sato from FALD/DPKO that arrangements are being made so that we can get the visas upon arrival. And that it will also be possible for those who did not get visas for Rwanda to get them in Bujumbura.

4. Also, the Mission is grateful to UNAMIR which has accepted to put at its disposal an aircraft which will take them to Kigali in the evening of 11 February.

5. Finally, the Mission will leave Kigali on **13 February at 8.10 p.m. with Sabena** 565.

6. Please let us know by tomorrow in what hotels the Mission will be accommodated. The Mission also needs the telephone numbers where they can be reached. We expect to receive, also by tomorrow, the tentative programs both for Bujumbura and Kigali.

Warm regards, looking forward to seeing you all.

Un abrazo.

1. Mr. Kouyaté has asked me to convey his thanks for making a UNOSOM Learjet available to him from Nairobi to Bujumbura, where he will participate in the OAU/UNCHR Regional Conference on Assistance to Refugees, Returnees and Displaced Persons in the Great Lakes Region. He is currently in Paris, to represent the Secretary-General at a UNESCO Conference on social development in Africa which is taking place from 6 to 10 February.

2. Mr. Kouyaté will arrive in Nairobi on 11 February at (00:35 a.m., on AF 484 from Paris) and will be at the Nairobi Hilton (tel. 254-2-334000). His confirmed itinerary and travel dates in the region are now as follows:

Nairobi/Kigali: 12 February
Kigali/Bujumbura: 14 February

He will use therefore the UNOSOM Learjet on the above dates only, as he will depart from Bujumbura to New York via Brussels on 19 February, on Sabena Airlines.

3. He would very much appreciate it if the UNOSOM aircraft could take him from Nairobi to Kigali in the morning of 12 February, at 08:00 a.m. His departure time on 14 February, from Kigali to Bujumbura, will be confirmed in consultation with UNAMIR which is arranging him several official meetings in Kigali. Ms. Florence Barrillon-Pomés, DPA Senior Political Affairs Officer, will travel with Mr. Kouyaté from Kigali to Bujumbura.

Thank you again for your kind assistance. Regards.
