Dear Mr. Secretary-General,

Reference is made to your forthcoming visit to Hiroshima and Nagasaki in August 2010. On behalf of Nihon Hidankyo, an NGO of atomic bomb survivors of Hiroshima and Nagasaki, we would appreciate the opportunity to meet with you during your stay in Japan to discuss how Hibakusha would further contribute to the work of the United Nations towards a world without nuclear weapons. We would be available to meet with you anytime when you stay in Hiroshima or Nagasaki. Participants at the meeting would include Mr. Sumiteru Taniguchi, Co-Chairperson of Hidankyo and President of Nagasaki Council of A-bomb Sufferers, Mr. Sueichi Kido, Assistant Secretary General of Hidankyo, and me.

Nihon Hidankyo is the only national organization of A-bomb survivors (Hibakusha) of Hiroshima and Nagasaki in Japan, founded on 10 August 1956. We are all committed to working towards the total elimination of nuclear weapons by sharing with people around the world our experience of devastation and suffering caused by the atomic bombs dropped in Hiroshima and Nagasaki.

As the side event of the 2010 NPT Review Conference, Nihon Hidankyo organized an exhibition, "Stop Nuclear Arms! A Message to the World from Hiroshima and Nagasaki", displaying photos of Hibakusha and artefacts recovered from the blast areas. We also actively participated in the Conference and on behalf of Hibakusha, Mr. Sumiteru Taniguchi, an 81 years old member, addressed the Conference. After the Conference, we reaffirm our commitment towards a world without nuclear weapons so that no one else should ever suffer as we did.
