INTER OFFICE MEMORANDUM

To: FHQ (Ops)

From: HAC

Info: FC/DFC/Comd Sec 4A (BY FAX)/UNREO/File

Date: 31 Mar 1995

Subject: HAC PATROL TO SECTOR 4A 30 - 31 MAR 95

1. HAC Ops conducted a vehicle patrol in Sector 4A. The aim of the patrol was to observe activities in the remaining camps of sector 4A.
2. The patrol was conducted by Capt P.F.A. Demers (HAC Ops/LN), Capt S. Agbanusi (HAC Ops/LN) and 1Lt M. Walhen (CIVPOL).
3. The route taken by the patrol was as follows:
KIGALI-BUTARE-GIKONGORO-NYAMIGINA-BUHOBO-RURAMBA-RWAMIKO-KIBHEO-BUTARE-NDAGO-MUNINI-KAMANA-RUNYOMBYI-BUTARE-KIGALI. Discussions were held with Ops rep TAC HQ BUTARE, MILOB HQ Sector 4A, UNREO GIKONGORO and ZAMBATT Officers providing security in the camps.

GENERAL OBSERVATIONS

4. Currently the consensus in sector 4A on Op RETOUR is that a large number of IDPs who had been repatriated to their home communes earlier on during the year are now returning to the camps to seek protection. The main reasons being cited are the number of arrests, the conditions in the prisons and no judicial system in place in the home communes. Furthermore, the rumour currently circulating in the larger camps about a possible attack by the FRGF or retaliation by the RPA on the 6 or 7 April contributes to the general feeling of insecurity.
5. There is a lot of confusion regarding the number of IDPs in each camp. In some instances numbers differ by as much as 50,000 according to the source (UNAMIR, UN Agencies, ICRC, NGOs or the camp leadership). More accurate numbers could be obtained, for example, by consulting the NGO in charge of water distribution in the camps. Water consumption can be computed using simple consumption rate per person per day. An advantage of this method is that it cannot be easily manipulated by a camp leadership eager to receive more food by providing inflated population numbers.
6. The change in the deployment of elements of ZAMBATT from the Northern part of sector 4A to the camps in the South has caused some people residing in the Northern communes of the GIKONGORO prefecture (specifically MUSEBEYA and MUKO) to move to the camps in the South. Insecurity is, once again, the main reason given for this move.

NYAMIGINA-BUHORU-RURAMBA CAMPS

7. NTR.

RWAMIKO CAMP

8. A meeting was held with the ZAMBATT platoon commander for the camp. He stated that the security situation in the camp is good with the platoon conducting day and night foot patrols in the camp. Relations with the camp population and the camp leadership are good but he could not confirm if the rumours about the attack / reprisal on the 6/7 April was circulating in the camp.

9. Relations with the RPA troops in the area are reported to be good. The RPA does not penetrate inside the camp (except for patrolling the main road running through the camp) and no major case of harassment by the army have been reported. ZAMBATT reports that each night, 100 to 150 IDPs move South (toward KIBHEO) through the UNAMIR check point located on the main road. Camp population does not show any interest in going back to their home communes.

10. Camp population is reported to be between 16 and 23,000. Food distribution every two weeks is done by the ICRC, water and sanitation is done by OXFAM and basic medical care is provided on a daily basis by CARITAS.

KIBEHO CAMP

11. A meeting was held with the ZAMBATT platoon(+) commander for the camp. He described the security situation in the camp as good. Day and night foot patrols are being conducted. The relations between UNAMIR, the camp population and the camp leadership are reported as good. Relations with the RPA are good. They do not penetrate within the camp (except for patrolling along the main road) and all the interactions between the RPA and the IDPs are done through UNAMIR.

12. KIBEHO is growing bigger with up to 100 IDPs coming back from their home commune every day, presently more than 30 communes are represented in the camp and the people are not interested in moving out as long as there is no improvement in the security situation. Some intimidation is taking place in the camp, but UNAMIR troops can intervene in order to defuse potentially violent situations. As an example, the case of a man who had sought protection with ZAMBATT after giving an interview to the press was cited: the man was beaten up and his shelter was burned to the ground by his fellow IDPs after he mentioned to the press that there were many ex-Interahamwe still living in the camp. In order to resolve the situation, the ZAMBATT platoon commander held a meeting with the camp leadership and requested that the IDPs rebuild is hootch and should stop harassing him. The man went back in the camp and ZAMBATT follow up actions on this case confirms that he is still alive and well.

13. Rumours of people leaving the camp at night in order to commit acts of banditry in the surrounding villages could not be confirmed. The size of the camp and the shape of the ground makes it almost impossible for the troops to control all the avenues of approach leading in and out of the camp. However rumours of the impending FRGF attack / RPA retaliation during the first week of April are circulating in the camp but this does not seem to create any mass movement out of the camp towards BURUNDI/ZAIRE.

14. Camp population is reported to be between 90 and 150,000. Food distribution is done by the ICRC, water and sanitation is done by OXFAM and UNICEF, basic medical care is provided on a daily basis by CARITAS, MSF, CARE and WORLD VISION.

NDAGO CAMP

15. Once again the security situation as well as relations with all parties are reported as good. ZAMBATT is conducting day and night foot patrols inside the camp.

16. NDAGO is also growing in numbers by the day, the most recent influx of IDPs coming from the MUSEBEYA and MUKO communes following the redeployment of ZAMBATT troops as stated in para 6. Camp population is reported to be between 42 and 65,000.

MUNINI AND KAMANA CAMPS

17. Security in the camps and relations with all parties are reported as good, however some acts of banditry, arrests and confiscation of private property are reported in the area of KIVU commune causing some people living in that area to seek protection by moving to the camps. ZAMBATT is conducting day and night foot patrols inside both camps and all interactions between the RPA and the IDPs are conducted through UNAMIR.

18. Over the last two weeks, one group of 40 IDPs was reported going through both these camps on their way to BURUNDI but the platoon commander in MUNINI camp does not feel that the camps are being used as staging areas for movement South as these people did not stop for any length of time in either camp. However, IDPs in KAMANA have stated that should UNAMIR leave the camp they would go to ZAIRE via BURUNDI.

19. Camp population in MUNINI is reported to be between 16 and 20,000. Food distribution every week is done by the ICRC, water and sanitation is done by OXFAM and basic medical care is provided on a daily basis by MERLIN (could be redeploying some or all of their resources to GISENYI).

20. Camp population in KAMANA is reported to be between 19 and 37,000. Food distribution every week is done by the ICRC, water

and sanitation is done by OXFAM and basic medical care is provided on a daily basis by MERLIN (could be redeploying some or all of their resources to GISENYI).

RUNYOMBYI

21. Meeting was held with ZAMBATT company commander for this area. No mass movement toward BURUNDI by the IDPs has been observed but only the main routes are monitored. The RPA is fearful that this area is used by smugglers to bring food out of the camps to ZAIRE via BURUNDI. The army has confiscated some food from the IDPs in this area, but ZAMBATT company commander was successful in negotiating for the food to be returned to the IDPs.

CONCLUSION

22. ZAMBATT's presence in the camps is the major factor contributing to the good security situation in the area. Any redeployment of troops in sector 4A resulting from planned camp closures must be planned very carefully in order not to panic the IDPs.

22. The large numbers of potentially hostile IDPs concentrating in KIBEHO and NDAGO could be seen by the RPA as a major security threat. The possible explosive situation that would result following a forced closure of these two camps cannot be overstated. UNAMIR should be prepared to give full support to the IOC in case of this scenario should take place.

23. Obviously, because of the rumors circulating in sector 4A regarding the 6/7 April, no major operations involving IDPs should be undertaken by either UNAMIR or the Government for the next week as it would only create panic in the camps.

THE TEAM REPORTED ABOUT A SHOOTING INCIDENT AT RWAMIKO 4914, WHICH OCCURRED ON 30 MAR AT ABOUT 1800 HRS. THE RPA HAD ARRESTED THE CAMP CHIEF WHO WAS SUSPECTED TO BE IN POSSESSION OF A RADIO SET WHICH WAS BEING USED TO COMMUNICATE WITH THE FORMER RGF AT ZAIRE. A. SECTOR HQ. THE OFFICIATING SECTOR COMMANDER ATTENDED A MEETING AT THE PREFECT REGARDING STEPS TO BE INITIATED FOR EARLY CLOSURE OF IDP CAMPS IN THE PREFECTURE. THE PREFECT AFTER WELCOMING ALL THOSE PRESENT, INFORMED THAT A NUMBER OF BAD ELEMENTS LEAVE THE CAMP AT NIGHT TO THREATEN LOCALS TO JOIN THEM IN THE CAMP. THE IOC REPRESENTATIVE SAID THAT A DOCUMENT GIVING OUT RECOMMENDATIONS HAS BEEN HANDED OVER TO THE GOVERNMENT AND THE PREFECT'S RECOMMENDATION TO START CLOSURE OF CAMPS FROM KAMANA NORTHWARDS HAS BEEN ACCEPTED IN PRINCIPLE. A NUMBER OF FIELD OFFICERS ARE BEING DEPLOYED BOTH IN CAMPS AND IN HOME COMMUNES TO MONITOR THE SITUATION. THE HOME COMMUNES ARE BEING PREPARED TO RECEIVE THE DP'S AND PRIORITY BEING LAID ON WATER, SANITATION, HOUSING AND AGRICULTURE. THE UNREO REPRESENTATIVE INFORMED THAT A JUDICIAL SYSTEM IN PRIORITY COMMUNES THAT IS BUTARE AND GITARAMA IS BEING ESTABLISHED WITH THE ASSISTANCE OF HUMAN RIGHTS SO THAT THE DP RETURNEES ARE NOT UNDULY HARASSED AND ANY PROPERTY DISPUTES THAT MAY ARISE ARE SPEEDILY SETTLED. AFTER ASPECTS OF SYNTHESIS OF INFORMATION WERE DISCUSSED THE PREFECT ASKED THE RPA COMMANDER ABOUT THE PROGRESS IN IMPLEMENTATION OF CURFEW IN TWO COMMUNES OF MUBUGA AND RWAMIKO. THE RPA COMMANDER INFORMED THAT HE WAS WAITING FOR THE RADIO RWANDA TO INFORM THE IDP'S ABOUT THE CURFEW. ONCE THE IDP'S ARE AWARE OF THE TIMINGS OF THE CURFEW THE SAME SHALL BE IMPLEMENTED.

HE ALSO POINTED OUT THAT THE MOVE OF ZAMBATT FROM THE NORTH OF PREFECTURE HAS MADE PEOPLE OF THOSE COMMUNES APPREHENSIVE. HE WAS EXPLAINED THAT THE INCREASED STRENGTH OF IDPs IN KIBEHO AND NDAGO NECESSITATED THE MOVE. THE MEETING ENDED ON A GOOD NOTE . NEXT MEETING IS BEING PLANNED FOR NEXT MONDAY AT GIKONGORO OR BUTARE WHERE ALL THE BURGEMESTERS OF HOME COMMUNES ARE BEING INVITED.

B. TEAM 1. THE TEAM PATROLLED KIBILIZI SECTOR 4729 OF NYAMAGABE COMMUNE. THE TEAM REPORTED THE SITUATION TO BE CALM. THE TEAM ALSO REPORTED ARREST AND SUBSEQUENT DETENTION OF ONE MR.MATURANKIKO BY THE RPA AT KIGEME 4725. THE INCIDENT OCCURRED ON 06 MARCH AND WAS NOT REPORTED BECAUSE OF FEAR OF REPRISAL. THE MATTER HAS BEEN REFERRED TO HUMAN RIGHTS FOR INVESTIGATION.

ARREST OF MR. UWAYEZU BY RPA FOR HAVING COMMITTED OFFENSES DURING THE WAR. THE ARRESTED MAN IS REPORTED TO BE IN GIKONGORO PRISON. THE CAMP CHIEF OF NYAMIGINA STATED THAT THE PEOPLE ARE NOT MOVING OUT OF THE CAMP BECAUSE OF FEAR OF ARREST IN THEIR COMMUNE. SHE SAID THAT THOSE ARRESTED ARE NOT BEING SENT TO THE STATE PRISON BUT TO A PRIVATE PRISON AT MBAZI COMMUNE. THE ICRC IS DISTRIBUTING FOOD IN THE CAMPS. THEY HAVE EXCLUDED MEN FROM THE FOOD DISTRIBUTION AND ARE INSISTING THAT THEY SHOULD WORK FOR FOOD. THE CAMP CHIEF HAS CALLED THIS SYSTEM AS DISCRIMINATORY SINCE ALL OTHER BIG CAMPS DO NOT HAVE SUCH CONDITIONS ATTACHED.

A. POLITICAL. A MEETING ON "IDP CAMPS" WAS ORGANISED IN THE PREFECTURE FROM 0830 HRS TO 1030 HRS. IT WAS CHAIRED BY THE PREFECT, MR Z FELIX. THE FOLLOWING ATTENDED:

OPS OFFICER	- SECTOR 4-A
21C	- ZAMBATT
UHREO	- GIKONGORO
HUMAN RIGHTS REP-	GIKONGORO
UNHCR REP	- GIKONGORO
ICRC REPS	- GIKONGORO
RPA COMMANDER	- LT COL N PATRICK
IOC REP	- KIGALI
MINISTER OF REHABILITATION	-GIKONGORO

THE PREFECT STATED THAT THE IDPs WERE HESITANT TO RETURN TO THEIR HOME COMMUNES, AND THE REASONS WERE, THE PRESENCE OF THE FORMER RGF AND INTERHAMWE IN THESE CAMPS WHO WERE PRESSURISING THE DPs NOT TO RETURN, FALSE RUMOURS, THE VESTED INTERESTS OF THE NGOS AND THE UNCERTAIN SECURITY SITUATION IN THE HOME COMMUNES. IN THE DISCUSSION THAT ENSUED SUGGESTIONS WERE GIVEN BY SOME REPS TO WORK OUT THE MODALITIES OF REPATRIATING THE IDPs TO THEIR HOME COMMUNES. THE PREFECT SUGGESTED THAT THIS TASK HAS TO BE DONE JOINTLY AND SOME NGOS AND MILOBS SHOULD MONITOR THE HOME COMMUNES. HE ALSO SUGGESTED THAT KAMANA 5196 CAMP SHOULD BE THE FIRST TO CLOSE DOWN, DUE TO ITS PROXIMITY TO THE BURUNDI BORDER. THE IOC SUGGESTED A FRESH INFORMATION CAMPAIGN TO BE LAUNCHED, TO ENCOURAGE THE IDPs TO RETURN. HE STATED THAT AT KIGALI, HE WOULD LIAISE WITH THE GOVERNMENT OFFICIALS TO FINALISE THE MEANS AND WAYS OF IMPLEMENTING THIS CAMPAIGN. HE EXPECTED THE SAME TO BE LAUNCHED BY 26 MAR. THE HUMAN RIGHTS STATED THAT IT IS VERY IMPORTANT TO IMPLEMENT

JUSTICE, SO THAT THE FEAR FROM THE MINDS OF THE PEOPLE IS ERADICATED. THE RPA COMMANDER APPRECIATED THE CONCERN, BUT MENTIONED THAT WE CAN NOT KEEP WAITING FOR THIS, AS JUDICIAL PROCESS MAY TAKE EVEN FOUR YEARS TO TAKE SHAPE. IT WAS DECIDED TO HOLD THE SAME MEETING AGAIN ON 30 MAR, AND ALL PARTICIPANTS WERE URGED TO COME WITH SOME CONCRETE SUGGESTIONS.

COMMENTS: THERE WAS GENUINE INTEREST SHOWN BY EVERYONE, AND SEEMS TO BE A GOOD EFFORT IN THE RIGHT DIRECTION.

B. MILITARY. NORMAL RPA FOOT AND MOBILE PATROLS WERE OBSERVED. IT WAS REPORTED THAT THE RPA HAS FORCIBLY OCCUPIED A BUILDING COMPLEX OF THE CARITAS AT RWAMIKO 4914. IT IS FURTHER ALLEGED THAT THEY INTEND TO OCCUPY THIS BUILDING FOR AN INDEFINITE PERIOD, THOUGH IT WAS INITIALLY OCCUPIED TO MONITOR THE EXAMS.
