Note to Mr. Nambiar

**PHOTO SESSION OF THE SECRETARY-GENERAL
WITH THE PARTICIPANTS IN THE 2008 UNITED NATIONS PROGRAMME OF
FELLOWSHIPS ON DISARMAMENT**

1. The 2008 United Nations Programme of Fellowships on Disarmament, which began in Geneva on 25 August, has recently commenced its New York segment (due to be concluded on 23 October). While in New York, the Fellows will follow the work of the First Committee (Disarmament and International Security) of the General Assembly and be briefed by the senior staff of the Office for Disarmament Affairs as well as members of delegations to the First Committee. At the end of the Programme, the Fellows will be awarded certificates of participation.
2. The Fellowship Programme, implemented yearly by the Office for Disarmament Affairs, was launched by the First Special Session of the General Assembly devoted to Disarmament in 1978 and since then has trained 759 officials from 159 States, mainly from developing countries. Many alumni are now in positions of responsibility in the field of disarmament within their Governments.
3. I would like to seek the consent of the Secretary-General to attend a short photo session with the Fellows, at his convenience before the conclusion of the Programme on 23 October.
