The returnee movement for internally displaced person's "Operation Homeward" resumed Thursday, 29 September with the movement of 110 returnees from Gikongoro. The majority of people in Thursday's convoy were spontaneous returnees and had not been previously registered by UNHCR. The next convoy is scheduled to leave on Monday, 3 October.

This estimate compares with their previous estimate from 14 September of 2,085,494. Copies of the Britcon report are available from UNREO. Britcon are asking NGOs and agencies working in the camps to help update their figures.

REHABILITATION

UNDP has been asked by the Rwandese Prime Minister to assist the Government in preparing a Round Table Conference for rehabilitation and reconstruction. The Government is anxious to hold the Round Table before the end of the year, preferably in New York. The conference will present an opportunity for the Government to present to the donor community its rehabilitation and reconstruction programme and seek their support in funding and implementation.

UNDP held a ceremony at its offices to hand over to the Government the first batch of vehicles, generators and office equipment. The equipment is intended for the Office of Prime Minister as well as five other key ministries to help them strengthen their management and institutional capacities. The Prime Minister Faustin Twagiramungu received the presentation from the UNDP Deputy Resident Representative Ahmed Rhazaoui.

EDUCATION

UNICEF report that at least 10 schools have opened around the country.

Campaigns in mine awareness and cholera awareness will be launched by UNICEF on 4 October and mid-October respectively. The materials for both campaigns complement the Teacher's Emergency package which is part of the overall "Education for Peace" campaign. The campaigns will feature both broadcast and print materials which will be disseminated throughout the country.

UNICEF is providing up to \$300,000 worth of broadcasting equipment to Radio Rwanda to allow the station to function effectively. The co-operation is to improve the development and dissemination of messages of peace, human rights, health, sanitation and nutrition education.

FOOD SUPPLY

WFP has reported that although donor response to the Rwanda Regional Crisis is encouraging with confirmed pledges as of 19 September totalling 247,533 metric tons valued at US\$ 141,087,567 million there is still a shortfall which must be covered if WFP is to carry out its mandate effectively. Priority food resource needs for the region for the month of October are 16,055 tonnes of cereals, pulses, corn soya blend, salt, dried skimmed milk and sugar. 21,255 tonnes of commodities mainly cereals are needed for November and for December 38,885 tonnes of food aid will be required.

In a food coordination meeting held on Wednesday, 28 September WFP indicated that it wished to go into various food assistance programmes which would include a Food-for-Work programme for School teachers, a programme to set up nutritional centres as well as a primary school feeding programme. It was also getting planning seed distribution in Butare and Gitarama. WFP noted that it was not possible for it to undertake these activities alone and requested support from Agencies/NGOs.

AGRICULTURE

UNICEF has completed its harvesting activities for the season. It has assisted the Government harvest 25% of this season's crop, mainly beans and sorghum, by providing trucks and other technical support.

FAO are bringing a television crew to Kigali on 1 October to film the first phase of an agricultural rehabilitation programme. The crew will film the various stages of the seeds and tools distribution programme, from the planning meeting through to collection by the farmers.

UNACCOMPANIED MINORS

Save the Children U.K. and WFP have proposed a system to ensure a balanced distribution of WFP food stores among all children's centers. They are recommending that one NGO take charge of food transport and distribution in each prefecture.

CARE Australia has a proposal for active recruitment of foster families for unaccompanied minors in Rwanda. This type of program is already under way in the Katale camp in Zaire.

OTHER INFORMATION

Access to Kigali airstrip will become more tightly controlled as from 3 October. Only those with operational duties on the airstrip will be allowed access.

The exchange rate for the Rwandese Franc has changed against the dollar, moving from 350 in Kigali two months ago to 200 and lower as of 29 September.

It is the responsibility of the Chief of Security to report daily to the DMA Duty Officer any information about security. This includes information on major security decisions such as security phase the country is currently in or curfew as well as any information on facts, events, or situations that could jeopardize the security of staff member. In the absence of the Chief of Security, the Force Commander or the HQ Duty Officer will advise the DMA Duty Officer accordingly.

Decisions to rule on a specific security phase is taken by the SRSG and the UNDP Resident Representative following consultations with the Chief of Security, the Force Commander and the UNDP Security Officer.

3. DUTIES AND RESPONSIBILITIES IN CASE OF INSTABLE SECURITY

3-1 Responsibilities:

If a crisis occurs during working hours, decisions regarding security for UNAMIR personnel will be referred to the CAO by the SRSG or his Executive Director upon the FC and the Chief of Security recommendations.

If a crisis occurs during non-working hours, decisions regarding security arrangements will be referred by the DMA Duty Officer and the Chief of Security to the CAO or his O.I.C in coordination with the Force HQ Duty Officer.

Any security matters brought to the attention of the Force HQ Duty Officer should immediately be communicated to the DMA Duty Officer and the Chief of Security. The DMA Duty Officer should likewise ensure that the Force HQ Duty Officer is aware of any security procedures being implemented or any major problem relating to security which may arise.

The DMA Duty Officer makes necessary immediate security arrangements while trying to reach the CAO.

The DMA Duty Officer remains at all times under the supervision of the CAO.

3-2 Security Procedure (Crisis occurring during non-working hours)

During a crisis.

As required the Force HQ Duty Officer may request the presence in HQ of the DMA Duty Officer and the Chief of Security (and/or all available Security Officers) for urgent operational reasons. If required, the DMA Duty Officer will request the presence of other staff from the Division, primarily:

- the Chief Transport Officer and/or his stand-by staff,
- the Chief Communications Officer or his stand-by staff, and
- a Telephone and a Radio Room Operator.

Should civil disturbances occur, the DMA Duty Officer, if time and circumstances permit, in coordination with the CAO and/or the Chief of Security will decide whether to notify all civilian UN Staff Members.

If he decides to notify all Staff Members, the DMA Duty Officer:

- call in assistance should the workload of the DMA Duty Officer become too important. In that case, he can designate someone to assist him while on Duty. The designation of the Duty Officer Assistant must be authorized by CAO upon the category of staff eligible to be DO. The call sign assigned to his/her assistant is: **Alpha Delta Oscar 1 on Channel 9**
- should inform all civilian UN staff constantly by radio with any instructions judged pertinent. **Most likely the instructions will be to instruct staff to stay at home or at the hotel, where they are residing,**
- will maintain a roster of who has been called and when,
- should contact the Force HQ Duty Officer to inquire if the UNAMIR medical team is put on alert.

Information to Staff Members

During the crisis, the DMA Duty Officer will keep International Civilian Staff Members informed by radio on the security situation and will give them instructions regarding security. The instructions on security matters and addressed to International Civilian Staff Members can be sent only by

- the DMA-DO;
- the Chief of security or
- the CAO.

These messages will be repeated on the network on a regular basis (e.g. every 15 minutes starting from 06:30 to 09:00 to instruct staff not to come to work and from 16:30 to 19:00 to inform about curfew).

Moreover, messages to International Civilian Staff Members, at the same time, will be sent to the Head of Sections requesting them to transmit the messages to their own staff. Head of Sections will acknowledge on the network that they received the instruction and will inform their staff by phone first to avoid network overload.

Should any Staff Member advise on disturbance in his/her neighborhood, the DMA Duty Officer:

- should refer the call to the Chief Security Officer and decide in coordination with him whether to request a military patrol to investigate at the location and, if necessary, evacuate the staff member;
- should request the Force HQ Duty Officer to send a military patrol.

If the DMA Duty Officer considers it is necessary to evacuate Staff Members to a place of safety, in the HQ or in one of the major hotels, he should first refer to Force HQ Duty Officer and the Chief of Security and then to the CAO.

The DMA Duty Officer should immediately contact the Transport Officer and request him to prepare to organize transportation.

The DMA Duty Officer remains in contact with the Force HQ Duty Officer and the Chief of Security to be informed on the developments of the security situation. The DMA Duty Officer, on a regular basis, will report to the CAO the development of the security situation in case the CAO is unable to reach the UNAMIR HQ.

A sketch of the communication channel is presented in page 7 of this document.

In addition to these channels of communication, an International Civilian Staff Member should be designated as the focal point in each hotel where large number of staff is staying. He/She will liaise with the DMA Duty Officer and ensure that information is communicated to staff member in his/her location. The designated person in each of the major hotels will be provided with a list of staff residing in the hotels with the room numbers.

The DMA Duty Officer:

- will maintain on the "Daily Occurrence Book" a chronological journal of events as they occur. The purpose is to be able to refer quickly to what happened and when. This book will also be useful at the end of the crisis to analyze events and decisions and actions taken,
- should on a roster of all UNAMIR civilian UN staff, make notes to be able to verify that they have been notified, where they are (in the office, staying at home, returning to their hotel, etc.) and other relevant information.

Conclusion of a crisis

Once the DMA Duty Officer is advised by the Force HQ and the Chief of security that the crisis is over, he should inform all civilian UN Staff Members. The same communication network should be used. All Section Chiefs will be responsible for informing their staff. The DMA Duty Officer is responsible to inform the hotel coordinators.

The DMA Duty Officer, the Chief of Security and the CAO should review the lessons learned from the incident so that any necessary changes can be incorporated into the security and other plans and any weaknesses be corrected.

The DMA Duty Officer journal must be completed and presented to the SpTO at the end of his duty.

SUBJECT: SITUATION REPORT FROM 01 TO 07 FEBRUARY 1994	

1. GENERAL SITUATION AND HIGHLIGHTS

THE GENERAL SITUATION IN UNOMUR OPERATIONAL AREA CONTINUES TO BE CALM. THERE IS NOT MUCH CHANGE SINCE OUR LAST REPORT.

2. MILITARY

(2) **OP/CP**

KYANIKA AND KATUNA CONTINUE TO BE MANNED AROUND THE CLOCK. CONSTRUCTION AT LUBIRIZI IS PROGRESSING AT AN APPALLINGLY SLOW PACE. COMPLAINTS HAVE BEEN MADE AND WE HOPE THE CONTRACTOR WILL EXPEDITE THE JOB. AT THE CURRENT PACE, THE OP/CP MIGHT BE READY FOR OCCUPATION SOMETIME MID OR END OF MARCH 1994.

(3) **PATROLS**

A TOTAL OF FIFTY FOUR (54) PATROLS WERE CONDUCTED DURING THE REPORTING PERIOD, FORTY (40) OF WHICH WERE DAY AND FOURTEEN (14) WERE NIGHT PATROLS. WE HAVE MADE SLIGHT ADJUSTMENTS IN OUR PATROL SCHEDULES BECAUSE OF LOGISTICAL AND IMPENDING RELIGIOUS (RAMADAN) REASONS.

IN AREA EAST, RANDOM DAY AND NIGHT PATROLS CONTINUE TO BE LAUNCHED, AND AS PER OUR LAST REPORT, LUBIRIZI KASHEKYE HAS BEEN OBSERVED TO BE A REFUGEE CROSSING POINT.

THE HQ OPS STAFF HAVE AUGMENTED THE PATROL EFFORT BY CONDUCTING DEPTH PATROLS UP TO MIRAMA HILLS (BORDER POST WITH RWANDA).

IN AREA WEST RANDOM DAY AND NIGHT PATROLS HAVE ALSO BEEN CONDUCTED, AS WELL AS DEPTH PATROLS TO THE ZAIRIAN

191 PAGE 3 OF 5

BORDER. OUR PATROLS COULD NOT GET ANY INFORMATION ABOUT REFUGEES CROSSING INTO UGANDA AS REPORTED BY THE MEDIA.

(B) PERSONNEL

(3) MEDICAL SITUATION

THE AMBULANCE HAS BEEN REPAIRED BUT A RED CROSS STILL HAS TO BE PAINTED ON IT. THE MEDICAL OFFICER TOOK A TOUR OF THE OPERATIONAL TO ASSESS THE ACCESSIBILITY OF THE ROUTES BY THE NON-4X4 AMBULANCE. HE DISCOVERED THAT THE ROUTES WOULD BE VERY DIFFICULT, PARTICULARLY DURING RAINY PERIODS.

(C) RELATIONS WITH NRA

THE NRA NCO BASED AT KATUNA CONTINUES TO BE A PROBLEM. HE WAS, THIS TIME, REPORTED TO HAVE DECLARED THAT HE WOULD SHOOT DOWN ANY AIRCRAFT

191 PAGE 4 OF 5

FLYING ALONG THE BORDER. A FORMAL COMPLAINT BY UNOMUR HQ HAS BEEN MADE THROUGH THE NRA CHIEF LIAISON OFFICER, SUGGESTING THAT HE BE REMOVED FROM THE POST.

3. VIOLETIONS, INCIDENTS AND COMPLAINTS

THE SHIPMENT OF COW HORNS BY RPF HAS CONTINUED UNABATED DURING THE REPORTING PERIOD. THE INCIDENT OF AN EARTH TREMOUR OCCURRED AT APPROXIMATELY 060300C LT, THE BBC LATER REPORTED THAT THE TREMOR HAD AFFECTED, ZAIRE AND RWANDA AS WELL AND MEASURED 6,4 ON THE RICHTER SCALE. TWO PEOPLE ARE REPORTED TO HAVE DIED IN NORTH WESTERN UGANDA, AS WELL AS A LOT OF DAMAGE TO PROPERTY.

4. POLITICAL

THE CA CAMPAIGNS ARE STILL IN PROGRESS BUT WITHOUT ANY REPORTED INCIDENTS. RECENTLY, THE OPPOSITION WEEKLY (THE MONITOR) REPORTED THE POLITICAL WRANGLE BETWEEN THE RULING NATIONAL RESISTANCE MOVEMENT (NRM) AND OTHER POLITICAL PARTIES, WHERE THE NRM ORDERED THE BAN OF OLD POLITICAL PARTIES. THERE IS NO CLEAR OUTCOME YET.

5. ADMINISTRATIVE AND LOGISTICAL SUPPORT

THE SECOND REPEATER STATION IS NOT YET INSTALLED. OTHER LOG PROBLEMS ARE AS REFLECTED IN OUR LAST WEEKS SITREP.

191 PAGE 5 OF 5

6. LIAISON, CONTACTS AND MEDIA

ON 01 FEBRUARY 1994, THE A/CMO HAD A LIAISON MEETING WITH THE NRA 2ND DIVISION COMD BASED IN MBARARA. THE MEETING VERY FRUITFUL. FOR MORE DETAILS, SEE OUR WEEKLY INFORMATION SUMMARY NO.7 DATED 6 FEBRUARY 1994.

7. OBSERVATIONS

THE NON ARRIVAL OF HELICOPTERS IS PULLING OUR OPERATIONS BACK, AS DEPLOYMENT OF MY PATROLS BY HELIS WOULD BE GREATLY COMPLIMENT, OUR AILING TRANSPORT FLEET. PERIOD IN QUESTION ACTIVITY PACKED, IT IS MY INTENTION TO LEAVE NO STONE UNTURNED, EVEN WITH INADEQUATE RESOURCES BUT WOULD BE MUCH HAPPIER IF THIS ISSUE IS URGENTLY SOLVED.

WITH RAMADAN CLOSE, MY MOSLEM OFFICERS ALREADY LOOKING FORWARD TO IT, AND WHERE POSSIBLE WILL EXERCISE FLEXIBILITY BUT NOT AT THE DETRIMENT OF OPERATIONS.

*
we will
respect it
as much as
possible.

B. FC's Office letter No.1000.04(A/MA) dated 15 Jan 94.

1. The Force HQ Orderly Room becomes operational on Fri 4 Feb 94. It will be located temporarily in Room 1050 in the Mil Pers Sec. It will be under the direct supervision of the SO to the CMPO. The Orderly Room will be manned by clerks from the under listed Sections who will perform duties on a weekly basis. The duty roster is attached as Annex A.

- a. Ops Sec - 1 x Clerk.
- b. Mil Pers Sec - 2 x Clerk.
- c. Log Sec - 1 x Clerk.
- d. Plans Sec - 1 x Clerk.

2. The duty clerk for the week will man the orderly room during the lunch break for any emergency clerical work. He will proceed on break at 1400 LT and return to the office at 1530 LT. The duty clerk will also be on call for night and weekend duty.

3. A Central Registry will be created in the Force HQ Orderly Room for all Mil Div correspondence. Even though each section is expected to maintain its own files, diskettes containing important letters from all sections will be forwarded to the orderly room for copying onto the computer. This will be on a monthly basis.

4. The orderly room will operate a Central Circulation System. By this, all sections will deposit a copy of all important letters in the military orderly room. These letters will be circulated on every Monday among the FC, DFC/COS and all the sectional heads.

3000 (Ops)

5. All sections are hereby reminded that with this central circulation system in operation, the use of extensive distribution lists will cease. Correspondence will now be addressed to action addressees and a single file copy will be forwarded to the orderly room for circulation as per para 2 above.

6. The military orderly room will soon take delivery of a large photocopier for large print jobs to be approved by the CMPO. Until this machine arrives, sections are expected to continue to rely on their existing facilities for photocopying.

7. Submitted for immediate implementation.

MEMORANDUM

TO: DFC

FROM: LO

DATE: 1 FEB 94

SUBJ: RPF ESCORT TEAM'S PRESENCE AT
FHQ ON 1 FEB 94.

①
COO
This incident is a clear demonstration of some lapses in our escort procedures. For example there is no reason why the UNMO team will not inform a duty officer on its arrival and departure. Definitely RPs prior to departure are included in the request form but we need to clean up this whole process. I want you to come out with clear instructions to avoid this type of bit coming up for RPF defines me can only go by our regulations.
JAN
02/2
DFC/LO

1. The RPF Liaison Officer, Lt Col Karenzi, formally requested for an escort to send two VIPs to Mulindi on the day in question. The written demand was received at 1210hrs and he wanted the escort before last light, contrary to UNAMIR SOP on request for escort. He explained that the two officials were to emplane the following day at Entebbe Airport.
2. Since an UNMO escort was scheduled to leave the FHQ to Gatuna at 1400hrs, I hurriedly arranged for an armed escort from Kigali Sector HQ with the intention of merging the two escorts since they would be going in the same direction. (According to the SOP a VIP must be escorted outside the Kigali Sector by both armed and unarmed escort)
3. I informed the duty officer at 1330hrs to ask the UNMO escort which was to report at 1400hrs to wait for ten minutes whilst I bring in the RPF team to marry up at the FHQ. (The UNMO team was to escort the Ugandan Ambassador in Rwanda)

3000.3 (SDU)
R-N

to the border town of Gatunga)

4. The UNMO team, it was later learnt, arrived exactly at 1400hrs and met the Ambassador who was already waiting at the FHQ. Without informing the duty officer, the UNMOs left with the Ambassador just after two minutes.

5. The RPF armed escort team arrived at FHQ at 1420hrs after arguing with the Belgian armed escort team for over thirty minutes on whether the RPF should carry a rocket launcher which the RPF insisted should be part of their escort. This hold up caused communication on the UNAMIR net for over ten minutes.

6. Since the duty officer was not aware of the departure of the UNMO team, he could not tell whether they had left or not. This caused the delay of the RPF team for about ten minutes before they finally departed.

Ref: Conversation between Chief Operation Officer and Kigali Sector Comd.

1. In the light of decision taken in the conf, RPF visitors will be required to collect entry pass from the RPF Gate manned by UNAMIR personnel to avoid unnecessary complicity at the gate. In view of above please find enclosed herewith 75 passes (serial 01 to 75).

Subj: Situation Briefing for UNAMIR HQ staff

There is no information on the situation being made widely available in the official language of the Mission within the UNAMIR HQ. Staff is concerned to be informed by rumours and gossip about events in the country and about the political and security situation.

It would be much appreciated if SRSG's Office could daily distribute some simple information in English and also if it could in coordination with the Military and Civilian Police Divisions arrange for a regular monthly (?) briefing on the general situation in the country and on the military and civilian police operations and planned activities.

For your kind consideration and attention.
