Dear Secretary General,

I hope this find you well. I contacted you recently requesting a letter from you in support of the Homeless World Cup tournament being held in Glasgow this July. Is this something you are able to provide us with? It would be a spectacular and memorable way to open the 14<sup>th</sup> edition of the Homeless World Cup. It will be an inspiring event for everyone involved; the people of Glasgow, Scottish Government, those watching on TV across the world and most importantly it will be a life changing experience for our players, from backgrounds of poverty and homelessness from all over the world. I would be extremely grateful if you would consider this request.

Warm wishes,

Mel Young
