Dear Alexandra -

The SG will attend the launch of the report on the 12 February.

SG participation in the HL Interactive Debate on 4 April is not an easy decision.

I believe it is important the SG participates in the ICPD in September. The preparatory meetings will be conducted in a frame of high tensions and controversies around many topics. Perhaps at this point it is better for the SG to keep a distance from these debates. Although arguments to justify his presence could also be found. I suggest nevertheless simple regret.

Representation is not required. Mr. Osotimehin will lead this debate.

Lenni

Dear Lenni,

Our unit would be grateful for your views on the above mentioned invitation (attached for ease of reference).

As way of background , per request of USG Babatunde, the SG will be attending the Press Conference to launch the ICPD Global Review Report report on 12 February. Hence, grateful if you can let us know:

- (1) If this event merits the participation of the Secretary-General or if it should be simply regretted
- (2) In case the Secretary-General is not able to attend this event even after recommending, we would appreciate receiving advice as to whether this event merits the need of representation. If so, grateful to receive advice the name/title and confirmed availability of the UN Senior Official who should be designated/be ready to attend this event on behalf of the Secretary-General

We look forward to receiving the final recommendation for SOSG and OCdC approval

Many thanks in advance,

Alex

A similar request has been send out to the President of the General Assembly, and we are hoping that you and the PGA would co-chair this event and honour us with your presence and support.
