Dear Richard, Steph, SPU Colleagues,

Your kind advice is sought regarding the attached new invitation for SG to attend the above mentioned side event on the margins of the GA.

Bearing in mind that the SG **will not** be able to attend every single event he is invited to during the GA period, we would appreciate receiving your advice as to the whether:

a) this event would be highly recommended for SG's participation. Kindly rate your recommendation, high/medium/low.

b) If SG's participation is not highly recommended kindly indicate whether a representation and/or an SG's message is recommended or a simple regret given hectic GA period should be sent.

Kind regards in advance,
Alex

EXECUTIVE OFFICE
OF THE SECRETARY-GENERAL

August 13, 2014

His Excellency Ban Ki-moon
Secretary-General of the United Nations
2 United Nations Plaza
New York, NY 10017

Dear Mr. Secretary-General:

Each year, The Climate Reality Project – an organization I founded to mobilize action around the climate crisis – brings the story of climate change to the world in our *24 Hours of Reality* broadcast. Next month, on September 16 and 17, we will proudly present our Fourth Annual event, *24 Hours of Reality: 24 Reasons to be Hopeful*. I'm writing to formally invite you to join us as a featured special guest for this global event, taking place in New York City.

For one full day, millions of people spread across several continents tune in to learn more about the crisis that affects us all. This year's program will highlight 24 different reasons to be hopeful that we can solve the climate crisis. The truth is that we have all of the tools we need to overcome this challenge; now, it's just a matter of finding the will to embrace them.

Your voice is an essential, powerful one, and it would be our honor to feature you for a 20-minute conversation between 8:00am – 12:00pm ET during the live broadcast on Wednesday, September 17.

I know that your schedule is extremely hectic, so I sincerely appreciate your consideration of our invitation, and more broadly, your strong leadership on the climate issue. We will follow up directly with your office regarding the invite, and again, many thanks.

All the best,

Al Gore
