My dear Mr. Truehart:

Thank you for your letter of May 3, 1945, in which you bring to the attention of the United Nations Conference on International Organization the two major commandments quoted from The Bible.

The spiritual devotion which prompted your letter and your interest in the important work and success of the Conference are appreciated.

Sincerely yours,

For the Secretary General:

To Whom it May Concern

I want to congratulate each representative, which is participating in helping to establish a world peace. But there cannot be no permanent peace, unless you all recognize these two major commandments and abide by them.

I. Thou shalt love the Lord thy God, with thy heart, soul and mind.
II. Thou shalt love thy neighbor as thyself.

My dear Mr. Towns:

I acknowledge receipt of your card in which you bring to our attention the request of Mrs. Ethel W. Webb of 130 Lexham Gardens, London W. 8, England for illustrated booklets, views, or photographs of the United Nations Conference.

I regret to say that the heavy requirements of the Conference for all types of documentation makes it impossible to comply with your friend's request. Please be good enough to inform Mrs. Webb to this effect and to assure her that this evidence of her interest is appreciated.

Sincerely yours,

For the Secretary General:
