

THE SECRETARY-GENERAL

28 September 2011

Excellency,

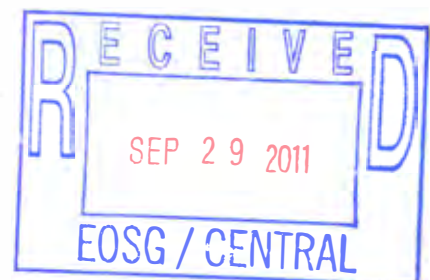

I am grateful for your letter of 1 July 2011 and the kind wishes you have extended to me on my appointment to a second term as Secretary-General. I look forward to the continued support of the Kenyan Government and people as we work in partnership to address the many tasks before us.

I would like to thank you for the very gracious offer you have made for Kenya to host the Global Model United Nations Conference (GMUN) in 2012. The 2011 Conference was held in mid-August, and the Department of Public Information is considering how best to sustain the enthusiasm reflected in the GMUN process following its conclusion. The Under-Secretary-General for Communications and Public Information, Mr. Kiyotaka Akasaka, will be in touch with your Permanent Representative in this regard.

Please accept, Excellency, the assurances of my highest consideration.

Your Excellency,

I wish to take this opportunity to congratulate you on your re-election as the United Nations Secretary- General for another term of five (5) years. Your second tenure will present an opportunity for Kenya and the United Nations to further strengthen our long standing relations, especially in terms of consolidating the presence of the United Nations in Nairobi. One of the ways that we have been ensuring this, is to host major international conferences in Nairobi, for example the 4th Global Model United Nations Conference.

The Government of Kenya recognizes the youth as an integral part of our society, and it is our duty to mould, train and expose them to different cultures, ideologies and values that will enable them take up the mantle of leadership in the future.

Indeed, the Model United Nations is an important youth development platform that exposes and nurtures leadership potential and develops character and skills among the youth. Kenya has put in place an official National Youth Policy that aims to promote youth participation in democratic processes, as well as in community and civic affairs.

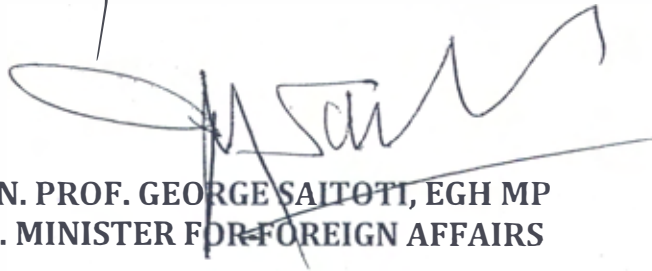

In view of the warm and cordial relationship that exists between the Government of Kenya and the United Nations System, we believe that Nairobi offers the appropriate facilities to host the 4th Global Model United Nations Conference, which will further complement, broaden and enhance this relationship.

In this regard, the Government of Kenya would wish to formally express its desire to host the 4th Global Model United Nations scheduled to be held in 2012. ✓

It will be an honour and privilege to bring together in Kenya youth from all over the world to engage in intellectual debate and intercultural exchange as it will also present them a unique opportunity to truly experience Kenya.

Please accept, Your Excellency the assurance of my highest consideration.

Yours
