**NOTE TO THE SECRETARY-GENERAL
(through Mr. Nambiar)**

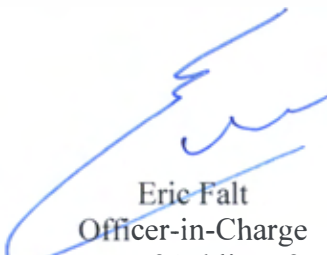

Illustrated edition of the Universal Declaration of Human Rights ✓

On behalf of Under-Secretary-General Akasaka, who is currently on mission, I am pleased to present a new publication, produced in both English and French, which the Department of Public Information has co-published with the French publisher Hachette Gautier-Languereau in commemoration of the 60th anniversary of the Universal Declaration of Human Rights.

This book, intended for children and adolescents, is illustrated by Eric Puybaret, a well-known and acclaimed Paris-based illustrator of children's books. It has been produced in cooperation with the Office of the High Commissioner for Human Rights and includes a foreword by Louise Arbour, who was High Commissioner at the time of the project's initiation.

We plan to actively promote this new book as part of the UDHR anniversary, and, with its universal appeal, expect it to continue to sell widely for many years to come.
