## Note to the Secretary-General

(through the Deputy Secretary-General)

### Sustainable Energy for All: visit to Abu Dhabi on 15 and 16 January 2011

This note details for your consideration and approval, our proposal for your participation in the World Future Energy Summit in Abu Dhabi on 15/16 January 2011. In addition to the opening of the Summit on 16 January, we recommend that you attend the Principals' Meeting of your High-level Group on Sustainable Energy for All the day before (15 January), the closing ceremony of the Assembly of the International Renewable Energy Agency (IRENA), and, subject to your schedule, the regional launch of the report of the Global Sustainability Panel. 02/12/11

In order to maximise efforts to underscore the importance of the issue of energy for the UN's long-term sustainability vision during your second term, we would propose the following:

#### 15 January:

**Morning and lunch: Meeting of the principals of your High-level Group for Sustainable Energy for All.** This would be an opportunity to provide direct guidance to the principals on the way forward toward the Rio+20 Summit.

**5pm - 6pm: Closing Assembly of the International Renewable Energy Agency, with dinner in your honor to follow.** This would be an occasion to highlight the achievements of the International Renewable Energy Agency. Minister level.

#### 16 January:

**Morning: Opening ceremony of the World Future Energy Summit.** At this session you would preview the International Year of Sustainable Energy for All and Action Agenda framework for Sustainable Energy for All. It represents an opportunity to showcase and encourage independent Member States initiatives on energy issues. In attendance would be several Heads of State, many Ministers and leaders from the private sector.

**Lunch time: Press conference** on both the launch of the Action Agenda framework for Sustainable Energy for All, and the International Year.

**Afternoon: Global Sustainability Panel (GSP) regional launch.** If you can spend another half day, this would be an opportunity to brief media and a range of private sector and other relevant stakeholders on GSP report. You would be joined on stage by the Foreign Minister of the United Arab Emirates.

11-11513

In addition, as you may be aware, the invitation to the Summit that you received from Sultan Ahmed Al Jaber dated 18 November also included an invitation to you for the 4<sup>th</sup> Annual Zayed Future Energy Prize Awards Ceremony the evening of 17 January. I do not recommend that you spend an additional day in Abu Dhabi in order to attend this event.

A handwritten signature in dark ink, appearing to be 'RO' with a stylized flourish.
