1705 MAY - 2 P 10:00

1. You will recall that in its presidential statement of 27 April, the Council inter alia requested the Secretary-General "to consider urgently measures which could be taken quickly in conjunction with the Government of Rwanda and humanitarian agencies to improve the conditions of those in detention or under investigation..."
2. In today's Security Council informal consultations, UK Permanent Representative requested the Secretariat to provide, by 4 May, an update on this issue.
3. We would therefore be grateful if you could let us have an account of the present situation and the measures that could be taken urgently in response to the presidential statement. We will need your input by 4 May 9.00 am New York time latest.
