

DEPUTY SECRETARY-GENERAL

16 November 2012

Lieber Günter —

I would like to thank you, once again, for your letter of congratulations and for your kind words. I would also like to thank you for inviting me to be the laudator at the ceremony to award the "Otto-Hahn-Peace-Medal" to Mr. Tadatoshi Akiba in Berlin. As mentioned during our telephone conversation, I regret that I will be unable to attend this important event, due to a conflict in my schedule.

I look forward though to finding new opportunities to cooperate, including giving a speech at the German United Nations Foundation, as already mentioned.

With warm regards,

Jan Eliasson

Subject: Laudatio Award Otto-Hahn-Peace-Medal on December 17th 2012

H.E. Deputy Secretary General Jan Eliasson

Dear Jan,

following up to our recent telephone conversation concerning the laudatio for Dr. Tadatoshi Akiba, awardee of the Otto-Hahn-Peace-Medal, on Monday 17th of December in Berlin, I would like to inform you that, in case you accept the invitation, I have made an appointment for you with the Minister for Economic Cooperation and Development, Mr. Dirk Niebel, on December 17th at 12.15 p.m.. An appointment with Foreign Minister Westerwelle still depends on his schedule on that Monday and Tuesday, but as the last cabinet meeting before Christmas is on Wednesday 19th, I think there is a good chance for a meeting.

The awarding ceremony would take place from 7.30 p.m. to 9.30 p.m. in the Atrium Deutsche Bank at Pariser Platz next to the Brandenburg Gate.

The Deutsche Gesellschaft für die Vereinten Nationen (DGVN) and myself would be very happy if you could accept the invitation. In case however your busy schedule in New York would not allow you to come to Berlin I would be grateful if you let me know your decision by the 11th of October, so that I can inform the DGVN accordingly.

With best wishes and warmest regards
Yours Gunter

Dear Jan,
Congratulation to your new important assignment in the UN.

I am writing to you as I remember with pleasure our wonderful cooperation when you were President of the GA and in particular our joint efforts in the EU to get the Millennium + 5 declaration adopted.

I retired from the Foreign Service at the end of my assignment as German Permanent Representative to the UN in 2006 and I am now President of the "European University Viadrina" in Frankfurt (Oder) near Berlin.

My affiliation to the UN I have preserved by joining the Board of Trustees of the "German Council on the United Nations". Every two years the council bestows the "Otto-Hahn-Peace-Medal". The ceremony takes place on the 17th of December 2012 in Berlin, the day and place of Otto Hahn's discovery of how to split the atom.

This year the Board has chosen Mr. Tadatoshi Akiba, born 03 November 1942, a former mayor of Hiroshima and supporter of the association "Mayors for peace". He has excelled in promoting peace, international cooperation and nuclear disarmament winning many distinguished international awards. Mr. Akiba has accepted the "Otto-Hahn-Peace-Medal" to be awarded in his presence on the 17th of December in Berlin. This event will take place at the Hotel Adlon in Berlin. As a tradition a press conference followed by dinner at the "Adlon" on the 16th of December will precede the award ceremony on the evening of the 17th to be concluded by a festive dinner.

The Board of Trustees could not think of any more distinguished personality than you to be the laudator at the ceremony. If you could accept the invitation the Council would be very grateful and would arrange travel and accommodation at the "Adlon". If you have any further questions please do not hesitate to contact me or the head of the Council's secretariat:
