Hon. Ban Ki-moon
Secretary General of the United Nations
New York, NY 10017

Dear Secretary General,

It was a great pleasure to see you at the recent United Nations event honoring Ambassador Herzog, organized by the Israeli Mission. Thank you for your kind words about my late father, Senator Daniel Patrick Moynihan, who was the United States Ambassador to the United Nations in 1975. When I first met you 5 years ago at the Thai Mission's Kings Day event, you told me that you were an official at the Korean Embassy in New Delhi in the 1970's and that you visited us at Roosevelt House when we lived in India. I would very much like to hear more about your time in India, as I am producing a documentary film about my father, and we are using footage from the United Nations archive.

You are doing splendid work at the United Nations, at a time when the world is in dire need of leadership, and I thank you for it. I do hope to see you again soon, I live near the United Nations and I follow your work with great interest.

With best Holiday wishes,

Maura Moynihan
