2ND UNIVERSAL ETHICS SUMMIT

27 October, 2010

Attention: Secretary General of the United Nations, Ban Ki Moon

OBJECT: REQUEST FOR VIDEO MESSAGE TO G20 EVENTS

Ref (10-10112)

Dear Mr. Your Excellency,

I am sending this letter as a follow-up to my previous message on October 22nd. The message was an invitation for you to deliver a keynote speech at the 2nd "Universal Ethics Summit" on November 9th, and the "2nd Women Leaders Summit", titled *Vision for UN Women* on November 10th, 2010 in Seoul, Korea. The program for all conferences is again included with this message.

G20 is an important occasion to balance moral and political leadership on financial reform, economic justice, and fair globalization. We believe it is vital to encourage the G20 to balance global economic reform with the equally important task of compassionate policy making and moral leadership.

Your scheduling office informed me that prior commitments will prevent you from participating in the event, but we would be very honored if you could send a video message to be presented at our conferences. Additionally we would be honored if you could send us another video message to be presented at the Formal Style Fashion Gala 2010 for G20's First Ladies on November 9th 2010 at Seoul's Grand Hyatt.

I am looking forward to receiving a positive response from your office. Thank you very much for considering my request.

Sincerely,

Rev. Chung-Ok Lee, PhD
