Dear Mr. U.N. Secretary-General,

On behalf of Yonhap News Agency, I cordially request the honor of your presence at the Opening Ceremony of 'Yonhap International Press Photo Awards in support of the UN Millennium Development Goals', which will be held at the Seoul Station Museum in Seoul, Korea, on August 10 and at the UN Headquarters in New York, USA, on August 22 (Exact Time to be announced).

As the mainstay of Korea's news and information industry, Yonhap has planned to host an international press photo contest for the first time as part of efforts to heighten public interest in photo journalism and to better improve the quality of press photo.

We are encouraging photo journalists worldwide to actively participate in this contest to raise global awareness of the eight Millennium Development Goals (MDGs): Eradicate Extreme Poverty and Hunger; Achieve Universal Primary Education; Promote Gender Equality and Empower Women; Reduce Child Mortality; Improve Maternal Health; Combat HIV/AIDS, Malaria and Other Diseases; Ensure Environmental Sustainability; and Develop a Global Partnership for Development.

With only four years left until the 2015 deadline to achieve the MDGs, our event is expected to serve as an opportunity to urge the international community to pay more attention to it.

We strongly believe that your attendance will make the auspicious event much more meaningful. Please honor us with your presence.

Thank you.

Yours sincerely,

J. C. Park
