Subject: Closure of Ruhengeri PMT

1. Reference is made to the above subject matter and I acknowledge receipt of your handing over certificate of the CIVPOL equipment and property to MILOBS.
2. The procedure you took was not the correct one since all UNAMIR components and sections are responsible to their mother body about all items issued to them. Note that CIVPOL Logistics is the only competent authority to hand over all UNAMIR property to the ware house in the event of closure of any sections .
3. You are therefore directed to retrieve all the items which were under your charge and then hand them over to Logistics branch as soon as possible.
