INTER OFFICE MEMORANDUM

To: Chief Ops Offr

From: HAC

Date: 09 Jan 1994

Subject: DAILY HUMANITARIAN REPORT NO 264

1. During the past 24 hours the following incidents are significant:
 - a. Displaced Persons.
 - (1) Op Retour continued. 180 DPs left Cyanika and 59 left Ndago. Aid agencies in the camps and in Butare are unable to confirm the reason for the poor turnout in the camps. They suspect that the IDPs have heard about the incident at Busanze. Despite the lack of movement by transport aid agencies working in the area roughly estimate that maybe as much as one third of the camp population of Cyanika have left on foot heading South. These statements are rough and unconfirmed. There should be a follow up done tomorrow using Milobs and troops stationed in the camps to verify these observations and comments.
 - (2) Op Retour will continue tomorrow at Cyanika and Ndago however if the turnout is again poor, UNREO will shift the transport assets to Rukondo camp and transport DPs to communes where ORCs are set up and running.
 - b. Humanitarian Assistance. NTR
 - c. Miscellaneous. HAC rep and UNREO rep attended a meeting at Sector Three HQ Gitarama to discuss the arrival of DPs to Gitarama prefecture from Rukondo. Operations should be able to commence Thursday or Friday. Two of the four ORCs in this area are set up. HAC rep confirmed Sector Three security plan for communes and ORCs in their area. Security order is being followed.

1. During the past 24 hours the following incidents are significant:

a. Displaced Persons:

- (1) IOM/UNHCR transport of IDPs continued with IDPs being transported from Gisenyi and Ruhengeri to Kigali and from Kibungo to Kigali.
- (2) Op Retour continued. Results again poor. 457 DPs left Ndago camp and only 56 from Cyanika. The poor turnout in Cyanika is due to the registration process for the 4000 from Sake commune. Efforts will likely be further hampered as a rumour has been introduced within the camp that the leader urging the 4000 to move to Sake is an RPF spy. This was reported by UNREO. UNREO plans to continue with operations in Cyanika camp tomorrow.
