PERMANENT MISSION
OF THE REPUBLIC OF THE PHILIPPINES
TO THE UNITED NATIONS

New York, 13 March 2007

Excellency,

We have the honour to extend to you our profound gratitude for your participation in the international conference on "Trafficking in Women and Girls: Meeting the Challenge Together". This conference gathered hundreds of like-minded politicians, experts, diplomats and civil society activists determined to stop this terrible evil of the 21st century.

The unity of our partners and the support we received from you convince us that we are moving in the right direction.

The major positive outcome of the conference is that it gave additional impetus to the global anti-trafficking process. This is our common success reached through our determined effort.

Thanking you for your support of our initiative, we are wishing you, Excellency, every success in your noble endeavors.

Please accept, Excellency, the assurance of our highest consideration.
