The Executive Office of the Secretary-General (EOSG) presents its compliments to the Permanent Mission of New Zealand to the United Nations and acknowledges its note verbale of 20 August 2007, requesting a meeting between the Secretary-General and His Excellency Mr. Winston Peters, Minister for Foreign Affairs of New Zealand, between 27 September and 1 October 2007.

The period during the opening of the sixty-second session of the General Assembly, the High-level event on Climate Change and the General Debate will be an extremely busy time for all parties. Be assured that your request is being brought to the attention of the Secretary-General. The EOSG is still receiving information about numerous meetings and events relating to the session that will require the Secretary-General's presence. It is therefore not possible to determine until mid-September how much time will be available for bilateral meetings.

In the interim, EOSG would appreciate if your office could inform the Chief of the Scheduling Office, Mr. Yeocheol Yoon, should there be any change in the Minister's plans, or any additional details regarding the topics to be discussed in the requested meeting.

The Executive Office of the Secretary-General extends to the Permanent Mission of New Zealand to the United Nations the assurances of its highest consideration.
