SUBJECT : ASSISTANCE TO UNHCR -  
REPATRIATION OF REFUGEES

Reference :

A. Discussion between DCOS(SP) and DCOS(OPS) on 18 Oct 95.

1. It is envisaged that in the event of Forced repatriation of Rwanda Refugees from her neighbouring Countries, there will be the requirement for all contingents to provide a number of TCVS (10 each) to supplement the fleet of the UNHCR to transport the refugees from the Border to Transit Camp and also to provide Sy for UNHCR convoys of refugees between transit camps and Communes.
2. Units are therefore to be prepared to perform these tasks on order from UNAMIR HQ.
3. It is anticipated that an allocation of Pol will be held in reserve for such a task.
4. The border points where the ex will be more concentrated will be the Crossing points in the Cyangugu and Gisenyi prefectures.
5. It is expected that a joint recce of Transit Camps and routes leading in and out should be carried out by all sector Comds in conjunction with UNHCR reps and reports submitted soonest to enable action taken to remove any bottle-necks prior to the commencement of the repatriation operations.

SUBJECT : REMINDER - SECURITY GENERAL

1. For the past three weeks or so, a number of theft cases involving personal property, UNAMIR Vehs and Veh Tools, working Tools and POL especially from Brown and Roots premises have been reported.
2. The indications are that we (UNAMIR Personnel) and other workers of UN AGENCIES and NGOs are becoming a little too careless with the security of our property or the perpetrators of these thefts are becoming more aggressive and are outwitting our security systems.
3. As a reminder, security is every body's concern, and all are therefore being asked to be more security conscious.
4. All are to reinforce the underlisted measures forthwith:
  - a. Safety of UN ID Cards.
  - b. Use of Security Systems issued to vehs.
  - c. Securing of safes, Cabinets and lockers at all times.
  - d. Securing/Locking of all office and living accommodation doors and placing the keys with Guards or in key boxes.
  - e. Thorough search and inspection of vehicles leaving UN/UNAMIR premises after work as well as personnel leaving work carrying large carrier bags or tool boxes.
  - f. Enforcement of perimeter patrols to ensure that no perimeter fencing is breached through which items could be stolen.
5. It is envisaged that some of these measures will antagonize certain personalities, but it is hoped that all will understand the rationale behind the measures and co-operate so as to lessen the incidents of thefts.
