Dear Mr. Ki-Moon,

The steering committee of the African Cultural Community Summit, sponsored by the City of Worcester African Clergy / Police Partnership and Worcester State University invite you to serve as the keynote speaker for our first annual summit event to be held July 7, 2012 in Worcester MA. ✓

Your heritage and commitment to social justice and international peace efforts have become a much talked about subject among our members. We would be thrilled to have you share your thoughts on how persons from diverse backgrounds, especially recent African immigrants can become a vibrant part of the New England and the United States. .

The Summit is set to be held on the campus of Worcester State University on Saturday July 7th, from 10:00 AM to 3:00 PM. We would be honored if you could kick off our event which we anticipate will bring over 2,000 or more Africans from around greater Worcester. We are hoping you will be available to speak with us for approximately 30 minutes.

Please let us know of any special requirements you may need. Worcester is a vibrant city in the heart of Massachusetts. Logistically, it has its own airport, and the campus is just minutes away.

Thank you for your time and consideration.

Sincerely,
