RE: request for equipment assistance for the way station of Nkamira.

Dear Sir,

we would like to apply for your assistance for some work very urgent we have to do in the waystation of Nkamira:

- n.2 tiper lorries for transport of stone and sand for the levelling of the compound and the drainage of the water. Lenght of work from 1 to two weeks.
- n. 1 escavator for filling the tipers. Lenght of work from 1 to two weeks.
- n. 1 lorry with a tank and pumping sistem to empty the savage sistem. Lenght of the work 2 days.

We wish you can assist us as soon as possible as you have done in the past and, looking forward to hear from you, we send you our best regards.

REQUIREMENTS FOR ORPHANS AND REFUGEES

1. Sequel to my last discussion with you, I sent this initial list of requirements for orphans and refugees. As more displaced persons arrive in Rwanda, subsequent lists need to be considered.
2. Your necessary action will be appreciated.

SUBJECT : IDENTIFICATION AND CONSTRUCTION OF WATER POINTS

1. Your 3000.15/1(OPS) has been received and being given the necessary attention. We have been making contacts with the Ministry of Rehabilitation and Resettlement, Local authorities and Sector MILOBs in order to submit a very detailed and comprehensive information.
2. The sector representative of the Ministry of Rehabilitation and Resettlement has insisted on prioritising the beneficiary settlements.
3. So far most of the settlements suggested by mentioned representative have problems bordering on rehabilitation of existing water projects. These do not satisfy our task order and thus our inability to meet stated deadline.
4. We hope to submit above information by Sat 07 oct 95.
5. Please accept for information.
