Attention HQ Welfare Officer.

Subject: ALAYANLIS, Christina.

On receipt of your letter of the 10th ultimo Mr. Alayanlis was requested to call at this office to discuss the case.

X When he came to the office Mr. Alayanlis was made aware of the purport of the report received from Castellorizo, but he still insisted that he wanted his daughter, Christina, to come to Athens to join him as he hoped that they would leave for Australia shortly, and he stated that she would have a good home with his aunt while they were awaiting their visas and passages.

The man subsequently called with Mrs. Garoufalia Kavouri, his mother's sister, who lives at Ayios Georgios, Keratsini, in Piraeus, and the whole matter was discussed with her, first alone, and subsequently in the presence of the child's father.

It appears that Vassilios Alayanlis is hoping to emigrate to Australia. He stated that his father Anastasios and his step-mother Vassiliki are living in Australia and that he has several brothers and sisters living there too, all but one of whom are married. He proposes to make his home with his sister Katina Lazou, whose husband is said to be the owner of a business.

A letter was produced from Mrs. Lazou and left for inspection in this office. This letter was enclosed in an envelope on which the address of her husband's firm was printed as follows:

MAGPIE MILK BAR & CAFE, 126 Liverpool Street, Slaney.

1 JUL 1946

It was a lengthy letter in the course of which Mrs. Lazou commiserated with her brother on the loss of his wife and the other children and stated that she had heard from Christina's uncle in the Dodecanese saying that the child was well. Mrs. Lazou also said she had made up a parcel to send to Christina, but had not been allowed to post it.

Mrs. Kavouri stated that the relations in Australia are well off and send her money regularly. Mr. Alayanlis and his aunt said that when the family were still in Egypt the relations in Australia had written to them for full particulars of the names and dates of birth of the family in order that they might lodge an application for the family to be allowed to emigrate to Australia and they believe that Mrs. Lazou is still trying to get Mr. Alayanlis and his daughter Christina out there.

The aunt, Mrs. Kavouri, at first found it difficult to understand why her grandniece should not be brought to Athens, as she, Mrs. Kavouri, has a house of her own and is well able to support her with the money she receives from her relations in Australia and other relations in America. On being questioned she declared that she is willing to take responsibility for the child, even though it is uncertain whether she would ever get an entry permit to Australia.

When Mrs. Kavouri and Mr. Alayanlis subsequently called to collect the letter from Mrs. Lazou, she seemed to have thought the matter over and to be satisfied that the child should remain where she is for the present, though Mr. Alayanlis still cannot see why the child should not be sent to him immediately.

It was explained to them that this office can only send a report to you on the interview and that UNRRA cannot force the child to come to Athens.

They stated that they would let this office know immediately if any permit for entry into Australia was received.

Subject:- repatriation of Stamatia HAJIVELOUDOU.

Dear Sir,

Enclosed is a translation of an application from Dionisia HAJIVELOUDOU, resident in Cos, for the repatriation of her daughter Stamatia, aged 35, who left Cos for Italy in August 1943, with her sick sister Ekaterina. Ekaterina died at the Ospedale Alpina, and now Stamatia is living at via Trieste, 26: Sonario: Italy, in poor circumstances, and would like to come back to her home in the Dodecanese.

She went recently to Milan, and saw Mr. Karel ORNSTEIN, UNRRA representative for Lombardia and Venezia, in an attempt to return, but he is said to have told her that nothing can be done until he receives some communication from the Dodecanese.

Neither Stamatia nor her mother has any money to pay for the journey, and they would be grateful if she could be repatriated under UNRRA auspices.

Sincerely yours,

M. de Lurbe
Assistant welfare Officer,

To:- The Representative, UNRRA, Cos.

Honourable Representative,

I, the respectfully undersigned Dionisia IANNAKOU, widow of Konstantinos HAJIVELOUDOU, housewife, and resident of Cos town, have the honour to bring to your notice that my daughter Stamatia HAJIVELOUDOU, was obliged in 1942, to accompany her sister, Ekaterini HAJIVELOUDOU, to Italy, where, because of a serious illness, Ekaterini died.

Since then, because of the war, and the lack of money and means of communication, my daughter Stamatia is still staying at Via Trieste, 26; Sanario: Italy. I have no money with which to help my daughter to come back to the Dodecanese.

For this reason, I beg you to repatriate my daughter, who is staying temporarily at Via Trieste 26; Sanario: Italy.

I hope that my application will be kindly judged by you, and I thank you in anticipation.

Signed: DIONISIA HAJIVELOUDOU.

Dear Sir:

DE MARCHI, Giorgio

In reply to your letter of 24 May 1946, Ref. No. 5-19-0, regarding the above named, we sent a copy of Mr. DeMarchi's letter to El Shatt Camp and discussed further with Italo and the children their plans.

As you probably know B.M.A. refused permission for Italo and the children to be returned to Rhodes. We would, however, be willing to present the situation again to B.M.A. if we felt this was a desirable plan.

We are somewhat concerned regarding Mr. De Marchi's letter because of his indication that he is not a permanent resident of the Dodecanese and would like to be transferred to El Shatt. We feel that this would be a most undesirable plan as, no doubt, there will be considerable difficulty between him and his wife at camp. The girls have, at this point, accepted the fact that they are to live with Italo and are not seeing their mother to a great extent. However, we do feel that if their father were here, that the girls might find it difficult to live with their father in preference to their mother. Any difficulty between the two adults would, of course, involve the children.

Is Mr. De Marchi considered by the Mission a displaced person, or does he have residence in the island? If he does not wish to stay there, is he considering return to Italy? Arrangements could, no doubt, be made for the children to be sent to Italy to join him there if he wished this.

We are interested in working out some plan for the children as soon as possible because they are a considerable responsibility for Italo and his wife to assume.

May we hear from you as soon as possible.

Me référant à la conversation que j'ai eu l'honneur d'avoir avec vous au sujet de la communication officielle concernant le retrait de mes filles Angela et Tolanda de leur mère et de leur placement provisoire auprès de leur frère tuteur Italo se trouvant également au Camp d'El Shatt. Je vous remercie beaucoup pour votre aimable intérêt ainsi que la Direction du said Camp et par votre gentille entremise.

En ce qui concerne le plan tracé par moi pour choisir et fixer le lieu de ma future destination afin de rentrer définitivement en possession de mes filles voilà Messieurs, en peu de mots l'explication de mes réelles intentions à cet égard:

1. Moi je suis un réfugié Italien (originaire de Gênes) et me trouve transitoirement à Rhodes.
2. Les rapatriements des réfugiés Italiens sont très rares et malheureusement je ne figure pas encore sur la liste collective des partants du groupe qui devra quitter prochainement Rhodes.
3. Après le départ du convoi saidit il serait possible d'obtenir mon inscription à la liste successive, mais ceci demande un temps assez long, pour le moins de 4 à 5 mois, puisque je dois rentrer tout d'abord en Italie (Gênes) régulariser au mieux ma position et communiquer ensuite à la Direction du Camp d'El Shatt ma nouvelle adresse et pouvoir ainsi recevoir mes deux filles par les soins bienveillants de l'U.N.R.R.A. Vu que mon fils Italo ne semble pas enclin à vouloir rapatrier, et de juste raison, pour les nombreuses difficultés d'établissement existantes actuellement chez nous et pour le découragement que son frère aîné, bien que licencié du service militaire depuis un an, est encore sans travail en Italie.
4. Pour les raisons ci-haut exposées et pour alléger les difficultés de famille que prouve mon fils Italo pour la charge "ménagère" de ses deux sœurs je vous propose encore une fois de revoir les possibilités qu'offrent les conditions spéciales de ma famille afin de m'accepter exceptionnellement au Camp d'El Shatt et de là repartir avec mes enfants avec le convoi des Italiens à rapatrier.
5. J'espère que la Direction du Camp d'El Shatt voudra bien m'accorder cette faveur laquelle sera un véritable soulagement morale qui encouragera beaucoup mes deux pauvres fillettes auxquelles ma présence paraîtra comme celle du Sauveur et sans non d'un indésirable qui créerait des tracasseries à la Direction du Camp par ses disputes avec sa femme et d'ailleurs pourquoi des disputes? Raisonnant logiquement pour aucun motif particulièrement pour une personne d'un certain âge, comme moi, qui possède une instruction assez solide et une éducation suffisante pour ne pas tomber dans de semblables bassesses.

Par où dire il ne résulte que ma femme a l'intention de retirer sa précédente déclaration de vouloir rentrer en Turquie (via Athènes) et de s'uniformer au sort que subiront pour leur rapatriement les autres réfugiés italiens du Camp comme elle.

Je vous serai gré d'être informé aimablement de votre part de cette éventuelle variation, si elle est au aura ~~un~~ lieu, afin que je puisse régler définitivement ma future ligne de conduite envers elle.

Subject: Application from Evangelia Stamatiades Innoulis.

Dear Sir,

Enclosed is a copy of an application from Evangelia Iannoulis, a widow, whose son, Joannis, is at present in Athens for medical reasons. It has been ascertained by enquiries made of two of the Doctors who attended Joannis while he was in Cos, that he is suffering from Tuberculosis, and was advised to go to Athens.

Evangelia Iannoulis wishes to know if some arrangements can be made through UNRRA, to help her by keeping her son in Athens to continue his treatment. Until now, she has been paying for it herself, and has used up her little store of money. She herself does not take relief, but has only enough money for the support of herself and her family, and none to spare for her son's treatment.

Below are details of her circumstances:-

She has 5 children altogether. Her eldest son, aged about 27, left home in February 1946, saying that he was going to visit his brother, and has not been heard of since; her second son is Joannis, aged 20, who is ill in Athens; her eldest daughter is married, lives in France, and contributes nothing to her mother; her youngest daughter (20 approx.) is married and lives in Cos, but contributes nothing to the support of her mother. Stelios, the youngest son, aged 19, supports his mother by occasional work on house repair and decoration.

Joannis, who has been in Athens since August 1945, is at present living at the following address: 10-5 Clinic "Sotiria" No 300, Athens, Greece.

Would it be possible for us to get in touch with the Welfare Branch of UNRRA Greece Mission, with a view to arranging something for Joannis if necessary? The Doctors at the Clinic could tell us whether it is worth continuing the treatment, and whether they would be prepared to come to terms with UNRRA about fees and so on. I have made enquiries about the family's circumstances, and the case seems genuine. It seems quite clear that the widow cannot afford to go on paying her son's expenses in Athens, and to discontinue the treatment if the boy is being cured, would obviously be a great pity? Could you inform us of developments?

Yours, etc.

26 June 1946 C

Hon. James F. Byrnes
Secretary of State
Washington, D. C.

My dear Mr. Secretary:

Since I assumed office we have had several conferences with your Department on the problem of Displaced Persons in the various camps of Germany, Austria and Italy. We are now not far from the point when repatriation will virtually end. The most optimistic estimate would indicate that the residue of DP's who are not and could not be repatriated will amount to more than 630,000 people.

This problem cannot be left in abeyance. It must be settled. Unless these people are given an opportunity to be gainfully and usefully employed, they will soon be entirely unemployable. Having reached the limit of repatriation, there is but one method left for solving this problem. Everyone agrees that these unfortunate people cannot be turned loose in Germany. They should be resettled in countries where they will have an opportunity of working and earning their living.

I am appealing to all countries to give consideration to the possibility of admitting a number of these DP's. Such a plan would provide a fair distribution, creating no problem for any one country and yet solving the entire matter once and for all.

My specific recommendation to the United States is that all unused immigrant quotas should be pooled and applied for a period of six months to any DP's otherwise qualified to enter the United States, regardless of country of origin.

There are now 120,000 unused immigrant quotas available. The bulk of these are from two or three

26 June 1946

countries that are not using and have no present intention of utilizing these quotas. Such a plan would not increase the number of immigrants now permitted to enter under the law. It would not place at a disadvantage those countries from which the quotas are taken, for should there be any applications they could be granted. The quotas would recur to such country the next year.

I do not believe that a material and permanent change in the law is necessary. Authority could be given by Congress to the President of the United States for a limited period to use such quotas as above indicated.

May I respectfully urge prompt consideration of this suggestion. I am sure that favorable action on the part of the United States would pave the way for other nations to do likewise. I am hopeful, too, that if the United States were to take the lead in a constructive plan to end this difficult problem, the United Kingdom might reconsider its decision, as recently expressed by the Minister of Foreign Affairs, Sir Ernest Bevin, in regard to the recommendation of the Joint Anglo-American Committee of Inquiry on Palestine.

Brazil has already given this matter consideration and advanced to a point of beginning operation in a short time. Other South American countries have expressed interest.

I need not point out that UNRRA terminates on December 31, 1946, and I would like to get this plan well under way in the shortest possible time. The physical condition and morale of these unhappy people are rapidly deteriorating. Hence all the more reason for a sensible, constructive and humane approach.

Very truly yours,

/s/

With reference to appendix A to GHQ MFF letter 8I401/ AG/2/B " Admission to Australia ".

2. From now onwards there will be an increasing number of Dodecanesians applying for admission to Australia and other countries. As an example I attach an application. You will notice that the "landing permit" is dated 11 march 1946 and it says that the permit is valid until 11 march; this appears to be a mistake.

3. This applicant wants to proceed to Egypt, and stay with relatives there pending a ship to Australia. On arrival in Egypt the applicant has instructions from her guarantor, Mr. George TAHLIAMBOURIS, to send a cable and he will pay the fare.

4. Owing to the difficulty of getting a transit "VISA" Egypt, also the fact that these people in the Dodecanese Islands have not got Greek Passports or Identification cards, this is going to make things difficult at the moment.

5. Therefore a ruling would be appreciated.

Subject:- Mrs. Margherita Mardichian in D'Elia.

The above-mentioned lady, who is of Armenian origin, has requested the repatriation of her son (only child) Costantino Edmondo D'Elia, Italian, and born in Constantinople on the 29th January, 1923. He left Rhodes on the 13th November, 1943, to carry on his studies in Rome as a student in Political Sciences but was taken prisoner for two years by the Germans.

He is at present without any means of living and his family wishes to have him amongst them.

Could permission, in this case, to return to the Dodecanese be granted?

R H O D E S

La sottoscritta FERRARINI Giuseppina, abitante in Viale delle Terme, 34, Rodi, prega di voler prendere in considerazione la sua situazione che qui sotto espone dandole quell'assistenza che il suo caso e le vostre possibilita' permettono.

Dal 1940 vive sola col suo marito pur avendo 3 figli; i due maschi alle armi, il primo dal 1938 il secondo dal 1940. Attualmente trovansi in Italia di ritorno dai Campi di Concentramento della Germania dopo due anni di prigionia. La mia unica figlia Adele, trovassi pure essa in Italia rimastavi bloccata nel 1940 per le note cause belliche.

Presentemente la nostra situazione familiare si presenta come segue:

La mia figlia 23enne vive da sola senza alcun appoggio con gli aiuti finanziari che potendo le inviamo;

Il figlio maggiore, ex prigioniero, ora disoccupato abbisogna anche egli della nostra assistenza;

Il figlio minore, ex prigioniero, tutt'ora alle armi provvede a stento alla sua esistenza;

Io e mio marito troviamoci in buone condizioni economiche, ma in condizioni di salute assai precarie, che si aggrava col passare degli anni.

Potendo pertanto provvedere largamente, qui a Rodi, al sostentamento dei nostri figli e considerando le ragioni per le quali ex prigionieri Italiani in mani Tedesche non possono ancora raggiungere la propria famiglia mi rivolgo al senso umanitario che guida la vostra organizzazione per ottenermi almeno l'autorizzazione a far rientrare a Rodi la mia figlia che sara' per me un sollievo di immenso valore data la necessita' in cui mi trovo di rimanere a letto per periodi anche lunghi dovuto alle mie condizioni di salute.

Mi permetto di far presente, se ben questo debba certamente essere a vostra conoscenza, che a parte, Greci, Turchi, Ebrei, Armeni, privilegiatissimi in materia, pur essendo molti di essi di nazionalita' Italiana, sono rientrati a Rodi o stanno per rientrare, persone singole o in famiglia di pura cittadinanza Italiana. Non conosco i casi per cui tali eccezioni sono state accordate, ma ritengo che il mio caso sia altrettanto, se non piu' compassionevole da meritare la vostra attenzione e quella delle Autorita'.

Fiduciosa che la presente incontrera' una umana comprensione e felice esito, devotamente ringrazio

2. FLIGHT TEAM:

D.C. Stephen - O.C.	<u>Escort:</u> British.
E. Salomon - M.O.	1 N.C.O.
V. Dawson - Nurse.	10 O.R.s.

Cyprus groups were embarked at Famagusta and conducted to Port Said by Dr. Creech and Miss Dawson where the flight was joined by refugees and taken over by D.C. Stephen as O.C.

3. ENTRAINMENT: (of El Shatt refugees)

Date: 19 April 1946.

Place: Port Tewfik, Egypt.

Refugees and hand baggage were placed in trucks at 03.00 hrs. on 19 April, and conveyed to Port Tewfik Station. Two 3rd Class coaches were allotted and entrainment commenced 06.00 hrs. and was completed at 06.20 hrs., the train leaving at 06.30 hrs. Arrived Ismailia 09.10 hrs. and detrained. Tea and sandwiches were provided by NAAFI.

Entrained Ismailia: 10.45 hrs.

Detrained Port Said: 12.50 hrs.

Entrained again to be transported to the docks, and arrived 13.30 hrs.

Remarks:

Due to the excessive hand baggage, the above frequent detraining and re-entraining was most difficult and hard on the refugees, the majority of which were elderly and small children. Miss Marsh of El Shatt accompanied the flight as far as Port Said and the O.C. Flight was very grateful for her assistance.

4. EMBARKATION:

Embarkation on S.S. "Tripolitania" on 19 April 1946 at Port Said.

Commenced: 14.00 hrs.

Completed: 14.30 hrs.

Heavy baggage and rations were loaded prior to our arrival. D.C. Stephen then took over the flight from Dr. Creech who returned to El Shatt. Two T.B. cases were reported in cabins and three pre-natal cases were placed aboard at Cyprus.

5. SHIPBOARD ROUTINE:

| (a) Labour required: | 2 Cooks |
| (b) Baggage Party: | 6 |
| (c) Messing: | Picnic conditions |
| (d) Hygiene: | Excellent |
| (e) General Discipline: | Excellent. |

Remarks:

This flight was regarded by the Captain and myself as the cleanest and best behaved the "Tripolitania" had carried. One female was born during the voyage.

6. DISSEMBARKATION:

A. At Khios:

Date: 22 April 1946.

Place: Khios.

Commenced: 07.15 hrs.

Completed: 07.45 hrs.

Heavy baggage commenced: 08.15 hrs.

" " completed: 10.45 hrs.

Remarks:

Reception arrangements at Khios were excellent.

B. At Rhodes:

Date: 23 April 1946.

Place: Rhodes.

Commenced: 10.30 hrs.

Completed: 10.55 hrs.

Heavy baggage and landing rations: commenced: 11.15 hrs.

" " " " " completed: 13.00 hrs.

S.S. "Tripolitania" arrived 07.30 hrs. No UNRRA personnel appeared on the ship, eventually the refugees were taken off in a "Z" craft accompanied by G.C. Flight who contacted a Mrs. Garget on shore and handed over.

7. WELFARE:

As previously stated, this was a very good flight, Captain Sinclair, master of the vessel, in his usual generous fashion provided one hundred coloured eggs on Easter Sunday for the children. They were marched up to the officers deck, and each child presented by the Captain with an egg, chocolate, and biscuits. At the close of the voyage, group leaders interviewed the Captain and thanked him for the interest he had shown throughout the journey.

8. MEDICAL:

Dr. Salomon and Nurse Dawson had an anxious time over the confinement but happily everything turned out all right.

Following is Doctor's Report by Dr. E. Salomon, M.O.:

There were two cases of active tuberculosis, one man and one woman, on board. They had 2nd Class cabins to themselves and were provided with food by their families. Both patients were in a fairly good conditions during the journey, and did not require special medical attention.

The pregnant women on board were allegedly not over 7-8 months but on 20 April 1946, at 8 p.m., a woman in labour was admitted to the ship's hospital. The baby was delivered by Flight Nurse V. Dawson in presence of M.O.i/c.

Clinic in the ship's hospital was held twice daily, at 11 a.m. and 4 p.m.

Following is Nurse's Report by Miss V. Dawson, Nurse:

The refugees embarking at Famagusta included two pregnant mothers, two active cases of T.B. and two inactive. The two active cases were accommodated in separate cabins (1 male and 1 female). The female case appeared to be in an advanced stage of the disease, however she had a comfortable and uneventful journey.

Of the pregnant mothers, on examination one appeared to be at full term and the other probably 8 months. The first mentioned, Linaris Kyriakoula, delivered a living female child at 8.25 a.m. on 21 April 1946, after 14 hours labour. She was disembarked at Khios in a satisfactory condition on 22 April 1946.

There was nothing of note to report regarding the refugees which embarked at Port Said.

The weather was good and there was very little seasickness.

Extra milk was served twice a day to 42 children of 6 years and under, 4 cases of T.B. and 2 pregnant mothers.

The cabins and linen used for the T.B. cases were fumigated after the patients disembarked.

9. GENERAL REMARKS:

Ten minutes after the birth of a daughter to one of the refugees, the Captain opened a subscription amongst the few passengers carried and the mother presented with the sum of £6.

10. GENERAL RECOMMENDATIONS:

Attention:

1. Difficulty was experienced during the rail journey from El Shatt to Port Said due to the excess baggage carried by the refugees. The frequent entraining and detraining is to be avoided if possible. It is strongly recommended that on any future occasion a small flight should be transported by road if it is at all possible. The amount of hand baggage carried must be reduced and refugees must understand they can only make one trip up the gangway of a ship; these people are checked aboard by the S.T.O. and it is an impossible task if they keep returning to the dock for more baggage. Cooperation is very desirable with the military movements officers and it can only be obtained by assisting them in matters such as these.

Movements
Section
&
El Shatt
Camp.

2. May it be suggested that although it may be unfortunate and inconsiderate of refugees and flight team to arrive in Rhodes on a public holiday, arrangements should be made by that Mission to have them contacted on board ship. Also I would like to remark that after considerable experience of handling refugees, a reception party of one lady on the wharf is not very encouraging to the refugees and hardly fair to her.

Dear Sir,

We have received the attached application from Eleni Petala, for the repatriation of her daughter, VOIAZI, Crissi.

Crissi Voiazzi left Cos on the 22nd June, 1945, for Italy, with PALLINA, Antonio, an Italian soldier. The couple were married in Cos, in a Greek Orthodox Church, but this marriage is not legally recognised by the Italians. Antonio Pallina has been sent to Egypt; as far as I can ascertain, because he was one of the Italians who remained on the side of the Axis.

The girl is now alone in Bari, without money, relatives or friends, and wishes to return to her home island, Cos. We should be grateful if her repatriation could be arranged.

Sincerely yours,

Joie White

I, the undersigned, Eleni Petala, mother of Crissi Voiazi, have the honour to beg you to be interested in the repatriation of my daughter, who left the island with the Italian soldier, PALLINA Antonio, for Italy.

As she writes to me now, the above-mentioned Italian has been transported to a concentration camp in Egypt, and consequently, my daughter Crissi, is living completely alone in Bari, Italy, without money, relatives, or friends.

As it appears from her letters, she is suffering very much, and the only thing she wants, is to return to Cos.

I would be very grateful to you, if you would interest yourselves in her repatriation.

Her address is:- VOIAZI, Crissi,

Conformément à votre estimée lettre du 21 février a.e. (W.W/Km.) je confirme la déclaration écrite que je vous ai remise le 5 mars a.e. par laquelle je délégais le Commandant du "Refuge Camp" d'El-Arish à retirer mes deux filles Angela et Polanda de leur mère et de les confier à leur frère majeur de marche Italo qui se trouve au même refuge Camp qu'elles; jusqu'à ce jour je suis privé de n'importe quelle communication à ce sujet et en l'espère après le déplacement des réfugiés d'El-Arish à El-Shatt. Conséquemment je prie que la présente soit transmise par votre aimable entremise, à votre Quartier Général du Caire et successive dépendance de El. Shatt, pour les motifs suivants, c'est-à-dire :

- a) = Pour demander à qui de droit la cause de ce mystérieux et long silence.
- b) = L'usage explicite des pouvoirs par moi concédés au Commandant d'El-Arish concernant le retrait immédiat de mes filles de leur mère sans aucune répartition ou partage de ces deux malheureuses créatures humaines.
- c) = Pour éclaircir la déclaration contenue dans votre lettre du 21/2/46 "Qu'un certain temps moi j'étais séparé de ma femme et que mes filles étaient restées auprès de leur mère etc." La dite

2 / déclaration n'est pas exacte puisque moi j'étais à Rhôdes au moment des événements du 18 septembre 1943 mais seulement pour des raisons commerciales et ne pouvait plus rentrer à Leros pour cause de la suspension du trafic maritime civil, donc l'absence de l'île de Leros et de mon foyer conjugal a été pour cause de force majeure et non pour séparation.

d = Pour clarifier : le désir exprimé par ma femme de se rendre à Athènes et la partie de la lettre du 21/2/46 de votre Quartier Général, où il est dit : "Puisque la mère, comme signalée par ses actions, n'est pas la personne apte pour soigner les deux enfants" justifient pleinement l'abandon volontaire de la famille de la part de ma femme et l'incontestable conduite incorrecte tenue par elle pendant mon absence de Leros et cette conduite n'a pas changé au Refuge Camp sous vos yeux mêmes et ce en dépit des protestations de son fils Italo pour la conduite excessivement mondaine et incorrecte tenue par sa mère.

e = Je précise encore que ma femme n'est pas Grecque (sa sujette Turque), elle se trouve actuellement au Refuge Camp d'El-Shatt comme réfugiée Italienne et pas Hellénique - Elle n'a jamais été à Athènes ni en Grèce - J'ai confiance que ma demande sera accueillie de me rendre au même Refuge Camp d'El-Shatt auprès de mes filles étant donné que je suis seul à Rhôdes et sans famille.

f = Pour dénoncer que le but déclaré de ma femme de se rendre en Turquie (Via Grèce) est sincère puisque la Turquie n'admet pas, pour le moment,

3
aucune immigration d'étrangers, même si natis
d'Istanbul comme ma femme et moi. Quod
la dite Loi sera éventuellement modifiée on
pourra aller en Turquie directement de
l'Egypte, de l'Italie et de n'importe quel autre
pays sans devoir traverser la Grèce.

En dernier lieu je démontre que moi je suis
un réfugié et ce pour la partie finale de votre
précédente lettre du 21/2/45 "la où il est dit: que
moi je ne me suis pas déplacé de Rhôdes pour
causes de la guerre etc." Je précise que mon
séjour à Rhôdes a été et il est encore temporaire
devenu pour moi obligatoire pour cause des évé-
nements de la guerre. Mon transfert de Rhôdes
en Anatolie pour me rendre à Istanbul, mon
lieu de naissance, a été également pour faits de
guerre (la famine de Rhôdes), ensuite naufrage
et conduit à l'île de Casos au "Camp" de la
Croix Rouge Internationale ou F.A.U. et actuel-
lement je me trouve de retour à Rhôdes
comme réfugié et secouru par l'honorable et
bienfaisante U.N.R.R.A. même.

Je vous remercie pour l'aimable trans-
mission de la présente à qui de droit et je
me sousscris votre dévoué

R h o d e s

Messieurs,

Je, soussigné, Nicolas Moroso, sujet italien résidant à Rhodes, ai l'honneur de porter ce qui suit à votre connaissance.

En date du 5 avril 1941, ma femme Joséphine-Hélène Reggio et mes deux enfants en bas âge, ont dû, conformément aux dispositions du gouverneur militaire de l'île, quitter Rhodes et se réfugier en Italie, dans l'attente de la fin des hostilités.

Pendant toute la durée de l'occupation du Dodécanèse par les troupes allemandes, c'est-à-dire depuis le 11 septembre 1943, il me fut impossible de correspondre avec ma femme et de lui remettre les fonds nécessaires à sa subsistance. Heureusement les Forces Alliées avaient déjà libéré l'Italie méridionale et, grâce à sa connaissance de la langue anglaise, elle put s'engager comme employée au British Civil Labour Office et subvenir ainsi aux besoins de ma famille.

Or, depuis le mois d'octobre dernier, l'Administration Britannique ayant cessé d'exister en Italie, ma femme a été remerciée par ces Autorités Militaires et n'a plus été à même de se procurer une occupation.

Bien vite une gêne extrême s'établit dans le ménage et céda la place à la misère. En janvier dernier j'envoyai à ma femme les quelques modestes économies que je possédais, mais, vu le coût de la vie en Italie, il est aisé de comprendre le faible soulagement qu'elles lui ont apporté. En effet, sa toute dernière lettre est dictée par l'affliction et le désespoir!... Ma femme supplie avec instance de retourner à Rhodes pour retrouver son toit et surtout pour rétablir la santé débile de mes pauvres enfants, minés par la souffrance et les privations.

Je suis moi-même un employé de la B.M.A. et précisément Head of Crown Lands Section au Département Agriculture & Fisheries. Je suis né à l'île de Chio (Grèce) le 3 Juillet 1898 et je n'ai quitté mon pays natal, (le 13 Juin 1912) que pour venir m'établir à Rhodes où j'habite depuis 34 ans. Je n'ai pas de connaissances en Italie, ni de pied-à-terre, ni occupation aucune. Ma femme elle-même naquit à Ouchak (Asie Mineure) et grandit à Chypre, sans jamais visiter l'Europe. Mes deux enfants (Elvio âgé de 12 ans et Claudia âgée de 8 ans) sont nés à Rhodes où je possède deux maisons qui ont beaucoup souffert par suite des malheurs des temps.

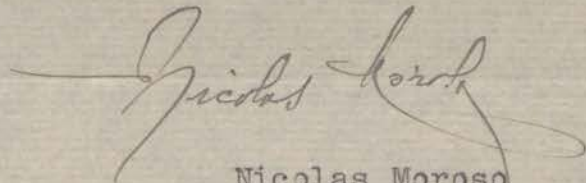

En effet ma maison de Trianda, où je conservais tout mon

mobilier et mes objets de ménage, a été cambriolée de fond en comble durant les premiers mois de l'occupation allemande. (Ci-joint la déclaration délivrée par la Feldgendarmérie). Les pluies torrentielles de ces derniers temps l'ont encore endommagée et rendue impropre à l'habitation. Ma maison de Rhodes, louée malheureusement à des gens peu soucieux des b^éins et des sacrifices d'autrui, a requis des réparations coûteuses, qui ont littéralement épuisé les modestes ressources dont je disposais, et je me trouve aujourd'hui sans argent, sans habits, sans assistance et sans ressort moral!

La tâche délicate que mes supérieurs m'ont confiée au D.A.F. et que le devoir et l'honneur m'imposent de remplir en toute conscience, réclame une tranquillité d'esprit et une sérénité d'âme que les chagrins familiaux me ravissent. Le retour seul de ma femme et de mes deux enfants dans l'île qui les a vus naître, rétablirait le cours normal de notre existence déjà si éprouvée et que la séparation trop prolongée rend encore plus malheureuse!

C'est pourquoi, Messieurs, je fais appel avec confiance, au sentiment de l'humanité, au caractère philanthropique et au noble altruisme qui constituent la base fondamentale de votre institution, pour vous prier fervemment de réserver à mon instance un accueil favorable et de réunir dans ma maison de Rhodes les membres éplorés de ma pauvre famille dispersée.

Veuillez agréer, Messieurs, l'expression de mes sentiments les plus reconnaissants.

Travolti dagli avvenimenti bellici i medesimi furono mandati or qua or là e finalmente con l'arrivo dell'Esercito Liberatore Americano furono raccolti e ricoverati nel Campo Concentramento Stranieri Cine Città-Roma ove attualmente si trovano in attesa dell'autorizzazione di fare ritorno in questa città ove sono nati.

Eccellenza!

Potete immaginare il dolore di una madre pensando che i suoi 4 figli si trovano da più di un anno abbandonati in una grande città senza il conforto e l'assistenza della loro mamma o parenti tanto più che dalle ultime notizie venni a conoscenza che il piccolo Valentino si trova gravemente ammalato.

Mi inginocchio ora davanti alla vostra magnanima persona e vi supplico di accogliere questa mia preghiera affinché col vostro interessamento vogliate far ritornare i miei figli che hanno estremamente bisogno della mia assistenza.

Mi trovo in buone condizioni economiche.

Dear Mrs. Sapienza:

Mr. Carlo BONA

Some time ago you wrote to the UNRWA Office asking information as to the whereabouts of your father whom you thought might be in one of the UNRWA Camps.

We have just received a communication from our Mission in Rhodes informing us that your father is at present living in Rhodes but wishes to return to Egypt.

We suggest that you get in touch with the Egyptian Governorate in Alexandria and make an application for him to be admitted if you, as you state in your previous letter to us, wish him to live with you.

Since from the information we have received it seems that he had long time serviced with the Egyptian Government, it may be possible for you to arrange for his return to Egypt. In case you have not received information as to his exact address and wish to write him we suggest that you send your letter care of UNRWA Dodecanese Mission, Rhodes.

Onorevole Direzione,

Io sottoscritto Dicran A. Alexanian di Agop e di Diruhi Minassian nato a Elmali il 18/12/1920, arrivato in Italia nell'ottobre del 1939 con "LASCIAPASSARE" rilasciatomi dalla Questura di Rodi, per frequentare gli studi Superiori presso la Facoltà di Medicina e Chirurgia della Regia Università di Milano, laureato ed abilitato alla Professione di Medico Chirurgo nel 1945, già residente a Rodi ed attualmente con residenza stabile in Milano, cittadino Italiano dal 1938, avendo terminato gli studi e trovandomi lontano dai miei genitori e parenti fin dal 1939, desiderando rivedere i miei dopo gli angosciosi anni della trascorsa Guerra:

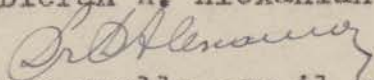

Chiedo fiducioso che mi venga da Codesta Autorità rilasciato un permesso di ANDATA e RITORNO il cui limite potrà essere fissato da Voi, onde poter recarmi colà per rivedere i miei Cari.

Sarei molto grato se voleste ulteriori particolari sulla mia identità nel caso riteniate opportuno di rivolgerVi direttamente alla mia Famiglia residente a Rodi e domiciliata in Via Gr.M. Caracciolo 25-28, per evitare ulteriori ritardi.

La ragione della mia presente è il fatto che le Autorità Italiane locali non rilasciano passaporti se non dietro Autorizzazione proveniente direttamente da Rodi.

In attesa fiduciosa di un sollecito riscontro alla presente e ringraziando anticipatamente porgo i miei più rispettosi ossequi.

Dodecanese Mission,
R h o d e s.

Io sottoscritto RONCAGLIOLI FAUSTO, cittadino italiano, mi permetto rivolgermi a questa Missione, pregando vivamente di essere aiutato per ottenere l'autorizzazione di rimpatrio.

Sono in Egeo dal Maggio 1942 - proveniente da Genova - e precisamente dal Maggio al Dicembre 1942 presso la Filiale del Banco di Roma di Vati (Samos), e dal Dicembre 1942 al Aprile 1946 fui a Leros come direttore dell'Agenzia del Banco di Roma. Ho collaborato a Leros con l'UNRRA - Northern Group of Islands - col Sig. M.R. Adell e col Sig. Maggiore R.E. Agar, dal Novembre 1945 alla fine di Aprile 1946; fui anche Rappresentante della Commissione Italiana di Leros.

La Direzione Generale del Banco di Roma a Roma, ha dato istruzioni per la chiusura dell'Agenzia di Leros e rimpatrio del sottoscritto e di altro personale, come rileverete da copia messaggi e telegrammi, allegata alla presente.

Sono a conoscenza che fra alcuni giorni partirà per l'Italia un veliero turco col quale rimpatrieranno altri italiani che hanno avuto l'autorizzazione, e vi sarei molto grato se vorreste interessarvi per ottenere anche per me il permesso di pertenza. Sono in grado di provvedere a tutte le spese di viaggio.

Ringraziandovi, resto in attesa di vostre comunicazioni in merito.

Subject: ALAYALIS Christina

C.A.O. - CASTELLORIZO

C/37/24

May 3rd 46.

To :

U.N.R.R.A.
R H O D E S

Reference is made to your 5 - 19 - 0 of 24 April.

2 - Christina ALAYALIS is living with her uncle, Andreas KOUTSOUKOS, whose wife, Irene, is the sister of Christina's dead mother. KOUTSOUKOS has three children of his own aged, six years, four years and sixteen months respectively.

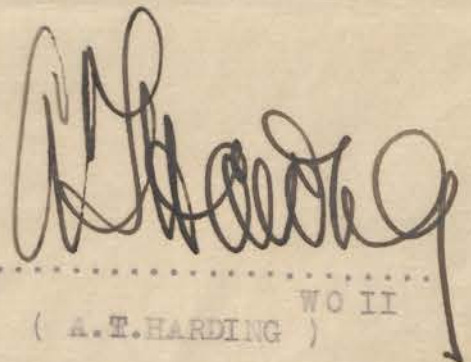

3 - I have visited Christina at the house of KOUTSOUKOS and am pleased to report that she is in good hands. Both KOUTSOUKOS and his wife appear to be genuinely attached to the child and to treat her in a manner identical with the treatment of their own children. Christina was cleanly and neatly dressed and seemed well fed and happy. The house was exceptionally clean. I was impressed by the spirit of happy unity displayed by this family.

4 - I would emphasise that no warning of my visit was given to KOUTSOUKOS. My arrival must have been completely un-expected and I am convinced that the conditions I observed then are those normal to the household. Nevertheless, I have made other enquiries among reliable sources in the town and, in every case, have received excellent reports of the KOUTSOUKOS family.

5 - The financial position of KOUTSOUKOS is not, altogether, satisfactory. As a farmer, he is receiving Cash Relief during the period necessary for re-cultivation of his land. Nevertheless, KOUTSOUKOS has a small herd of livestock and few hens and, with the Cash Relief he is receiving, seems to be able to support his family adequately.

16 MAY 1946

- 6 - Reports on Christina's father are not calculated to recommend the surrender of the child to his care. Vassilios ALAYALIS has been described as either a vagabond or a drunkard by almost everyone with whom I have spoken about him. A sailor, he appears to have little sense of his responsibility to Christina. Although he was, presumably, aware that his wife had drowned in the "Empire Patrol" shipwreck, and that Christina was, accordingly, without a guardian, not a single liretta has he contributed towards her support.
- 7 - Asked if she wished to join her father, Christina replied "No!". Nor does KOUTSOUKOS or his wife wish her to leave; in fact, both of them recommend strongly that she remain here.
- 8 - Here, in Castellorizo, Christina is enjoying a family life with companions of her own age. She is attending kindergarten; she receives milk daily; she gets enough to eat. In view of the economic and political situation in Greece, in general, and the temperament of Vassilios ALAYALIS, in particular, I recommend most strongly that her re-patriation be delayed, at least until she has acquired the age, experience and physical strength necessary to deal successfully with both a highly organised Black Market and a drunken father.
