Subject: UNICEF Director, Office of Emergency Programmes, Statement at the Security Council Open Debate on Women Peace and Security, Monday, 26 October 2010

Dear Mr. Nambiar

We are writing to request the assistance of your Office to make possible the delivery of a statement by UNICEF's Director of Emergency Programmes, Mr. Louis-Georges Arsenault, to the Security Council Meeting on the above-mentioned item.

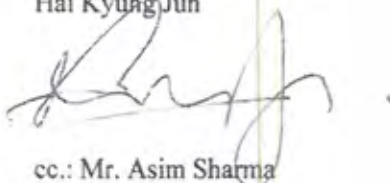

As you undoubtedly know, UNICEF places great importance on the issue, and brings a unique perspective to the discussion through our focus on girls, including adolescent girls, as well as highlighting the critical inter-linkages between SC Resolutions 1325/1889, 1612/1882 and 1820/1888. Mr. Arsenault would much appreciate being included as part of the Secretary-General's delegation.

In this regard, we would be very grateful for the support of your Office in facilitating arrangements for Mr. Arsenault's Statement to the Security Council and for a designated seat at the Council Table on this occasion.

Thank you very much for your attention to and support in this matter.

Sincerely,

Hai Kyung Jun

Dear Mr. Sharma,

As per our telephone conversation please find the original request below.

I hereby confirm that we are withdrawing this request based on discussions with the lead agency OSAGI, which clarified that there already is a long list of prominent speakers and created an avenue for UNICEF to share its perspective through inputs into another speaker's statement.

With many thanks for your kind support in this matter.

Sincere regards

Michele
