Your Excellency, Secretary General Ban:

Please accept our warm thank you for your part in making our UNA- NY Humanitarian Award Dinner the tremendous success it was. Let us please assure you that, without question, you are, and continue to be, "the most famous person in the world from South Korea."

On behalf of our Board of Directors and our Gala Chairs, we wish to acknowledge our appreciation of the very special qualities you brought to the evening-- clarity, earnestness, kindness, wit and consideration. We all so look forward to your presence on this most important evening for us each year. And, please know the admiration we have for the courage and determination you employ to bring world harmony and progress into every person's life.

Yours sincerely,

Paula Rice Jackson
