TO :UNAMIR HQ KIGALI
DATE: 20 APR 95
SUBJECT:
DEMONSTRATION BY RWANDESE NATIONALS
IN BUTARE AGAINST UNAMIR PRESENCE
IN RWANDA

1. A demonstration was held by the local population in Butare today. It was organised to show the displeasure of the people to the continued presence of UNAMIR and other NGOs operating in Rwanda. There was no hostile incident. Among the estimated five thousand people that took part in the demonstration were the acting prefect of Butare and the Bourgmestre of Ngoma and students from the Butare university. The RPA provided troops for crowd control.

2. The crowd which started from the gates of the University, arrived at TAC HQ at 1025 hrs.

3. There was no presentation of resolution as was expected. However, in a series of speeches, vicious criticisms were levelled against UNAMIR accusing it of introducing various vices into Rwandan society. They demanded the immediate withdrawal of UNAMIR from Rwanda, emphasising that if this is not done in 24 HRS, they will adopt own means to effect it. The demonstrators left this location after 40 mins and headed for the Butare stadium where more speeches were made.

4. Compared to other demonstrations that have taken place elsewhere in the country, this was a peaceful one. However, judging from the ferocity of the speeches and also from the edgy applause that punctuated these speeches, one is left in no doubt about the depth of ill-feeling that these people have for UNAMIR.

5. Below are some of the placard messages that were dumped here by the departing demonstrators.

a. UNAMIR = INTERHAMWE

b. We ask the international community not to bluff us about insecurity in order to belittle the genocide. In Rwanda, we are fed up with external forces.

c. NGO = Slavery. Treason. Stop joking!

d. UNAMIR = Undesired in Rwanda! Join your friends to Zaire, Tanzania.

UN RESTRICTED

- e. Military foreign intervention never settled national problems.
- f. Boutros let truth speak! Let us build our Rwanda.
- g. Our country is neither a sexual experiment place nor cinema place where every one is playing a role and disappears.
- h. UNAMIR mission has to be reviewed again.
- i. Boutros, bring back home your UNAMIR, your useless UNMAIR.
- j. We can settle our problems but not Boutros.
- k. If UNAMIR budget were for the government of Rwanda...!
- l. NGO: For cover, three kg of beans and a cup of oil, you have to say again "THANKS"? We say "NO".
- m. Humanitarian help without dignity is SHAME.
- o. UNAMIR stop scaring the masses with rumour mongering.
