Dear Mr. Mulet,

Please find attached a letter of invitation for His Excellency Mr. Ban Ki-Moon, in order to promote a signature event in Madrid to present the Collaboration Agreement between UNAMID and Real Madrid Foundation to be held before December 2016.

It is our honour to consolidate our currently existing partnership within the United Nations System. As you will be aware, we already have a similar collaboration agreement with UNRWA in Gaza & the Occupied Territories, and we are looking forward to implementing with UNAMID in Sudan. We are also pleased to inform you that the Foundation is open to further actively collaborate with other UN Peace Missions, and with other UN secretariat units and entities. We further wish to take this opportunity to express the strong interest of the Foundation and the Real Madrid Organization to be included as an active member of the Peace and Sports UN Permanent Forum, and we look forward to the opportunity to discuss the modalities in which the Real Madrid community can be involved with the United Nations to play our role as a sports entity towards the aims of equality, ending prejudice and racism, foster respect and understanding for cultural diversity, and peace amongst communities and nations.

Real Madrid avails itself of this opportunity to extend to the United Nations the assurances of its greatest consideration.

Yours sincerely
