Excellency,

It is with regret to inform you of a bombing incident that took place in Sana'a a few hours ago by a terrorist individual taking part in the drill in preparation for the military parade on the celebration of the National Day of the Republic of Yemen, which marks the 22nd anniversary of the 1990 unification.

As of this writing, there are over 78 martyr soldiers who passed away and 128 wounded.

My Government would appreciate it if Your Excellency could issue a statement condemning this terrorist attack on members of Yemeni military and security personnel.

Please accept, Excellency, the assurances of my highest consideration.
